

2024 City of Dallas Charter Review Commission

Proposed Amendment #110

Submitted by: Marshall Mills	Location: Chapter XVIII, Sec. 15	Category: Operational
SEC. 15. PROMULGATION OF ORDINANCES BEFORE ELECTION. Insert the language "and or digital format" after newspaper to read as follows: Whenever any ordinance or proposition is required by the Charter to be submitted to the voters of the city at any election, the city secretary shall cause the ordinance or proposition to be printed in a newspaper and or digital format of general circulation in the city and published once at lease 10 days prior to election.		
Rationale: My concern is the physical paper will not exist in several years so there needs to be language to include digital circulation.
