

2024 City of Dallas Charter Review Commission

Proposed Amendment #119

Submitted by: Keri Mitchell	Location: Chapter III, Sec. 19; Chapter IV, Sec. 13(b); Chapter VIII, Sec. 7; Chapter VIII, Sec. 15; Chapter XVIII, Sec. 7; Chapter XVIII, Sec. 15; Chapter XXII, Sec. 2	Category: Policy
MULTIPLE LOCATIONS Change to: published in one or more local news publications to reach a wide and diverse range of Dallas residents Also suggest: in English and Spanish; and communicated through city information channels, including the city website		
Rationale: A single “newspaper of general circulation” no longer exists in our city, and many Dallas residents are left out of civic processes because public notices aren’t reaching them in a timely and inclusive manner. If the goal of these charter sections is to deliver crucial civic information to as many impacted residents and voters as possible, we need new, intentional and equitable methods.
