

2024 City of Dallas Charter Review Commission

Proposed Amendment #120

Submitted by: Paula Hutchison	Location: Chapter XV	Category: Policy
MULTIPLE LOCATIONS Chapter [XV] The comprehensive land use plan doesn't help property owners with ""alleviation or prevention of slums, obsolescence, blight or other conditions of urban deterioration; and (2) the achievement of the most appropriate use of land."" What it has done is approved gendification of legacy black and brown communities. What happens to the funding that is allocated to assist with these needs. Public notification throughout city charter: The process used to inform the public as noted in the current charter is outdated. Notification should use mail outs, or local news outlets. Social media can be an option also.		
Rationale: It's important to inform the public because we are the people that live in this city, raise our children, pay taxes, purchase our homes and businesses.
