**STAFF ANALYSIS:**

**Comprehensive Plan:**

The *forwardDallas! Comprehensive Plan* was adopted by the City Council in June 2006, outlining several goals and policies which serve as a framework for assisting in evaluating the applicant's request.

The request complies with the following land use goals and policies of the Comprehensive Plan:

**LAND USE ELEMENT**

**GOAL 1.1 ALIGN LAND USE STRATEGIES WITH ECONOMIC DEVELOPMENT PRIORITIES**

**Policy 1.1.4** Capitalize on transit-oriented development opportunities.

**Policy 1.1.5** Strengthen existing neighborhoods and promote neighborhoods' unique characteristics.

**GOAL 1.2 PROMOTE DESIRED DEVELOPMENT**

**Policy 1.2.2** Establish clear and objective standards for land use planning.

**ECONOMIC ELEMENT**

**GOAL 2.1 PROMOTE BALANCED GROWTH**

**Policy 2.1.1** Ensure that zoning is flexible enough to respond to changing economic conditions.

**GOAL 2.5 FOSTER A CITY OF GREAT NEIGHBORHOODS**

**Policy 2.5.1** Promote strong and distinctive neighborhoods to enhance Dallas' quality of life.

**URBAN DESIGN ELEMENT**

**GOAL 5.2 STRENGTHEN COMMUNITY AND NEIGHBORHOOD IDENTITY**

**Policy 5.2.1** Maintain neighborhood scale and character.

**The Dallas Zoo Area Land Use Study:**

The *Dallas Zoo Area Land Use Study* was adopted by the City Council in December 2001 and outlines five goals and objectives suggested by the steering committee with an overall goal that focuses on revitalization strategies and policy guidance for future growth and development in this area.

The request complies with the following goals and objectives of the Dallas Zoo Area Land Use Study:

**2.0 LAND USE AND ZONING**

**GOAL 2.2 COMMUNITY IDENTIFIED NEEDS**

**Land Use:**

	<b>Zoning</b>	<b>Land Use</b>
<b>Site</b>	PD 388 Tract 2H, H/60	Retail and office
<b>North</b>	PD 388 Tract 1, H/60	Single family
<b>East</b>	PD 388 Tract 1	Undeveloped
<b>South</b>	IM, PD 564	Commercial retail
<b>West</b>	CS	Single family

**Land Use Compatibility:**

The property currently has a vacant structure previously used as a church with existing driveway entry. This Specific Use Permit request is to allow for a child-care facility on property zoned Tract 2H within Planned Development District No. 388, the Tenth Street Neighborhood Historic District, with Historic District overlay H/60. The area of request is currently surrounded by residential single family uses to the north, east and west. To the south of the property are industrial manufacturing and commercial retail uses. Staff finds the applicant's proposal compatible with these surrounding uses

The general provisions for a Specific Use Permit in Section 51A-4.219 of the Dallas Development Code specifically state: (1) The SUP provides a means for developing

certain uses in a manner in which the specific use will be consistent with the character of the neighborhood; (2) Each SUP application must be evaluated as to its probable effect on the adjacent property and the community welfare and may be approved or denied as the findings indicate appropriate; (3) The city council shall not grant an SUP for a use except upon a finding that the use will: (A) complement or be compatible with the surrounding uses and community facilities; (B) contribute to, enhance, or promote the welfare of the area of request and adjacent properties; (C) not be detrimental to the public health, safety, or general welfare; and (D) conform in all other respects to all applicable zoning regulations and standards. The regulations in this chapter have been established in accordance with a comprehensive plan for the purpose of promoting the health, safety, morals, and general welfare of the city.

Staff supports the request because the use is not foreseen to be detrimental to surrounding properties. Staff also finds the proposed time limit of five years with eligibility for automatic renewal for additional five-year periods appropriate for this site.

**Landscaping:**

Landscaping will be provided in accordance with the landscaping requirements in Article X, as amended.

**Parking:**

The applicant proposes that between the hours of 6:30 a.m. and 6:30 p.m., Monday through Friday, the entire floor area will be used for the proposed child-care facility. PD No. 388 does not have a specific off-street parking ratio for this use. Therefore, parking requirements will default to Chapter 51A.

The off-street parking ratio for a child-care facility in Chapter 51A is one space per 500 square feet of floor area. For the 2,033-square-foot building, a minimum of four spaces are required. The proposed site plan shows 11 spaces provided.

**Market Value Analysis:**

Market Value Analysis (MVA), is a tool to aid residents and policy-makers in understanding the elements of their local residential real estate markets. It is an objective, data-driven tool built on local administrative data and validated with local experts. The analysis was prepared for the City of Dallas by The Reinvestment Fund. Public officials and private actors can use the MVA to target intervention strategies more precisely in weak markets and support sustainable growth in stronger markets. The MVA identifies nine market types (A through I) on a spectrum of residential market strength or weakness.

Z223-308(LC)

As illustrated in the attached MVA map, the colors range from purple representing the strongest markets (A through C) to orange, representing the weakest markets (G through I). The area of request is currently within a “G” MVA area. To the northwest is an “F” MVA area.
