Hillcrest Road and Royal Lane	11, 13
Frankford Road and Vail Street	12

In August 2022, the City of Dallas released a Request for Proposals (RFP) through questionnaire to shortlisted firms for engineering services for traffic engineering and intelligent transportation systems services.

A three-member committee from the Department of Transportation reviewed and evaluated the proposals. The successful proposer was selected by the committee based on demonstrated competence and qualifications under the following criteria:

- Experience and Capability 35 points
- Responsiveness and Qualifications 30 points
- Business Inclusion & Development Policy 15 points
- Quality Assurance and Control 10 points
- Current Projects and Litigations 10 points

Coronavirus State and Local Fiscal Recovery Funds are eligible within the Qualified Census Tract areas to improve various intersections to promote the safety of all right-of-way users including motorist, cyclists, and pedestrians.
