BACKGROUND

The City of Dallas has applied for and received HOPWA funds since 1993 to support eligible activities within the Dallas Eligible Metropolitan Statistical Area ("Dallas EMSA") which includes the counties of Dallas, Collin, Denton, Ellis, Hunt, Kaufman, and Rockwall. HOPWA Grant Funds are to assist grantees in meeting the housing needs of low-income persons with HIV/AIDS and HIV-related illness and their families.

On June 20, 2019, the City of Dallas Office of Procurement Services issued and solicited and received Requests for Proposals (#BRZ19-00010793) for the HOPWA Program. Legacy Counseling Center, Inc. ("Legacy") submitted a proposal for facility based housing assistance and was recommended for funding.

On October 23, 2019, City Council authorized a twelve-month contract, with two twelve-month renewal options contingent on available funding, with Legacy, to provide facility based housing assistance with supportive services for persons living with HIV/AIDS by Resolution No. 19-1664.

On April 22, 2020, City Council adopted the FY 2020-21 HUD Consolidated Plan Budget for the U.S. Department of Housing and Urban Development ("HUD") Grant Funds by Resolution No. 20-0655. The FY 2020-21 HUD Consolidated Plan Budget includes HOPWA Grant Funds, which are available beginning October 1, 2020, contingent upon HUD's approval of the City's FY 2020-21 Action Plan (which is based on the approved HUD Consolidated Plan Budget, submitted on August 15, 2020) and execution of the grant agreements with HUD.

Legacy is a non-profit agency located in the Oak Lawn area. Legacy was founded in 1989 and has been providing services to the HIV/AIDS impacted population of Dallas and surrounding counties since that time. The agency's programs fall under three categories of services: mental health, substance abuse, and housing. Mental health and substance abuse services include individual, couple, and family therapy and support groups for persons impacted by the HIV/AIDS epidemic, including crisis counseling as well as short and long-term therapy.

Legacy will provide HOPWA facility-based housing assistance to persons living with HIV/AIDS through its special care housing program. Legacy also provides HOPWA housing information services and resource identification for persons living with HIV/AIDS and HOPWA master leasing and emergency vouchers for homeless persons living with HIV/AIDS under separate contracts.

Under its special care housing program, Legacy provides housing and hospice/respice care in a home-like setting at the Legacy Founder's Cottage, comprised of seven single room occupancy units. The facility serves critically ill people living with HIV/AIDS, focusing on alleviating their pain and providing comfort and support during the final stages of the disease (typically in the last six months of life).

Supportive services for this high need population consist of 24-hour around-the-clock care (including housing, prepared meals, volunteer based support, and comprehensive case management, as well as access to medical care, transportation, medications, and counseling) for individuals too sick to care from themselves.

To ensure eligible persons across the Dallas EMSA have access to the full continuum of HOPWA eligible activities, the City intends to enter into additional project sponsor agreements with entities that provide additional eligible activities (e.g., facility-based housing, scattered site housing assistance, housing information services, and support services).

All HOPWA projects use the local Homeless Management Information System ("HMIS") to collect client-level data for service coordination and reporting/evaluation purposes. Legacy staff must input client-level data into the local HMIS with applicable written consent. Legacy must also submit monthly financial reports (including supporting documentation) and performance reports (including demographic data, outputs, and outcomes). These reports are compiled at year end into the City's annual report to HUD.

Further, in response to the coronavirus pandemic, the federal Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was signed on March 27, 2020. The CARES Act included HOPWA funds to maintain operations and for rental assistance, supportive services, and other necessary actions, to prevent, prepare for, and respond to coronavirus. On April 22, 2020, City Council authorized acceptance of HOPWA CARES Act funds in the amount of \$1,088,138.00 as a one-time funding increase for the Dallas EMSA). A portion of that amount has been made available to agencies under contract to provide HOPWA-funded scattered site and facility-based housing as a small one-time contract increase in response to the coronavirus pandemic. Legacy's allocation of HOPWA CARES Act funds is \$30,500.00 to be used to continue providing facility-based housing assistance with supportive services for persons living with HIV/AIDS.
