### BACKGROUND

The Department of Housing & Neighborhood Revitalization (Housing) requests to amend the fiscal year (FY) 2023-24 Action Plan to allow timely commitment and expenditure of unspent prior year CDBG Funds and reprogram \$4,500,000.00 from the Home Improvement & Preservation Program (HIPP) to the Residential Development Acquisition Loan Program (RDALP).

Annually, the City submits an Action Plan to the U.S. Department of Housing and Urban Development (HUD) that includes the CDBG, HOME Investment Partnerships Program Grant, Emergency Solutions Grant, and Housing Opportunities for Persons with AIDS Grant. The FY 2023-24 Action Plan provides a detailed description of programs and services to be undertaken with the grant funds over the twelve-month period of October 1, 2023 through September 30, 2024, to address priority needs in the community designed to improve Dallas residents' quality of life for low- and moderate-income persons.

The City of Dallas as a grantee for the CDBG Funds is required to meet an annual timeliness test for expenditure of CDBG Funds. There have been challenges and barriers to operating multiple home repair programs and outsourcing administration to subrecipients and contractors that have delayed timely spending of CDBG Funds. To meet the timeliness test, the reprogramming of funding is essential. To alleviate future issues, HIPP is being amended for use in the FY 2024-25 Action Plan to remove obstacles such as multiple home repair program competition, multiple applications, and resident confusion. On December 12, 2023, the Housing and Homelessness Solutions Committee was briefed on the changes to the HIPP. The final approval for the HIPP changes will be on the Dallas City Council Agenda on March 27, 2024.

Federal regulations and the City's Citizen Participation Plan require a public hearing to authorize a substantial amendment to the Action Plan and require that a public hearing be held with not less than a 30-day public review and comment period to allow for public comments and input with respect to any substantial amendment to the Action Plan.

This action includes, following a public hearing, the City Council's final adoption of Substantial Amendment No. 3 to the FY 2023-24 Action Plan to reprogram unspent prior year CDBG Funds in the total amount of \$4,500,000.00 from the Home Improvement & Preservation Program to the RDALP.
