KWP and DAD will support the remaining operating costs of their organizations, which is not included in the Service Plan
 * 2022 Plan is first year of PID renewal; Assume renewal of PID

- Proposed plan assumes a 10% increase in property values each year based on future Uptown and Downtown development.
- Net Assessment Revenue for the 2020 Proposed Plan year is net of the City's 5% Retainage to be used for repayments, if any, required by the County in settlement of tax protests. Should any retainage funds not be used to settle tax protests, such funds may be used within the existing Service Plan budget categories and in accordance with the Management Contract.
- Contingency was previously for anticipated tax refunds due to protests by property owners. The City's 5% Retainage is now used for these repayments.
