Re: White Rock Trail & Walnut Hill Intersection Traffic Light
Full Intersection Traffic Light Improvements
Funding Commitment for City-provided Equipment and Labor

Dear Mr. Jin,

As per the City of Dallas' proposal dated December 6th, 2019, StoryBuilt LLC, is committed to providing funds in the amount of \$28,000.00 (Twenty-Eight Thousand and 00 Cents) for equipment and labor to be provided by the City related to the construction of the replacement traffic signal improvements. StoryBuilt LLC understands that, upon City Council Approval of the required funding agenda item, funds in the amount of \$28,000.00 (Twenty-Eight Thousand and 00 Cents) are to be deposited with the City of Dallas before any Permitting of PSW-White Rock Trail Addition will be approved. It is understood that this is the final apportionment cost associated with the improvements, and that StoryBuilt LLC will not be billed for any amount over the apportionment amount or refunded any unused funds.

The location for this work is at the signalized intersection of Walnut Hill and White Rock Trail.

If you have any questions or require additional information, please contact Alex Dyer, Project Engineer for this project.

Thank you.

Sincerely,

Alex Dyer
Project Engineer
