

ORDINANCE NO. \_\_\_\_\_

An ordinance amending Chapter 28, “Motor Vehicles and Traffic,” of the Dallas City Code by amending Section 28-42.1; prohibiting cruising on portions of Shady Trail, Harry Hines Boulevard, Walnut Hill Lane, and Southwell Road; providing a penalty not to exceed \$500; providing a saving clause; providing a severability clause; and providing an effective date.

WHEREAS, traffic congestion and cruising in certain areas of the city is linked to prostitution-related activities and trafficking of persons;

WHEREAS, targeted areas are non-residential in nature with area businesses serving the community during regular business hours;

WHEREAS, evidence demonstrates that prostitution-related activities are on-going at all hours of night and day, seven days a week;

WHEREAS, the prevalence of prostitution also leads to secondary crimes, such as alcohol consumption and littering, which harm businesses during non-business hours;

WHEREAS, reducing traffic in those areas can decrease the incidence of prostitution and help identify those repeat offenders who create the “demand” for illegitimate business activities;

WHEREAS, the city council believes it is in the interest of the public health, safety, and welfare to prohibit cruising on Shady Trail, Harry Hines Boulevard, Walnut Hill Lane, and Southwell Road; Now, therefore,
