FILE NUMBER: Z190-322(CT) **DATE FILED:** July 31, 2020
LOCATION: Northeast corner of East Camp Wisdom Road and Firebird Drive
COUNCIL DISTRICT: 8 **MAPSCO:** 65 U
SIZE OF REQUEST: ±5.2 acres **CENSUS TRACT:** 113.00

REPRESENTATIVE: CCM Engineering

APPLICANT/OWNER: Zarion, LLC

REQUEST: An application for an amendment to Tract 1 within Planned Development District No. 658.

SUMMARY: The applicant proposes to allow R-5(A) Single Family uses on Tract 1 within Planned Development District No. 658.

CPC RECOMMENDATION: Approval, subject to a development plan and conditions.

STAFF RECOMMENDATION: Approval, subject to a development plan and conditions.

BACKGROUND INFORMATION:

- The request site is undeveloped.
- PD No. 658 was established by the City Council on June 25, 2003 and allows for R-7.5(A) Single Family uses in Tract 1 and R-5(A) Single Family uses in Tract 2.

Zoning History: There have been no recent zoning change requests in the vicinity within the last five years.

Thoroughfares/Streets:

Thoroughfare/Street	Type	Existing ROW
East Camp Wisdom	Principal Arterial	107 ft.
Firebird Drive	Local	50 ft.

Traffic:

The Engineering Division of the Sustainable Development and Construction Department has reviewed the request and determined that it will not significantly impact the surrounding roadway system.

COMPREHENSIVE PLAN:

The *forwardDallas! Comprehensive Plan* was adopted by the City Council in June 2006. The *forwardDallas! Comprehensive Plan* outlines several goals and policies which can serve as a framework for assisting in evaluating the applicant's request.

The proposed zoning request meets the following goals and objectives of the comprehensive plan:

LAND USE ELEMENT

GOAL 1.1 ALIGN LAND USE STRATEGIES WITH ECONOMIC DEVELOPMENT PRIORITIES

Policy 1.1.5 Strengthen existing neighborhoods and promote neighborhoods' unique characteristics. Acknowledge the importance of neighborhoods to the city's long-term health and vitality.

1.1.5.7 Ensure that neighborhoods are served by and accessible to neighborhood commercial areas, parks and open space, libraries, and schools.

1.3.1.7 Implement zoning tools to accommodate alternative housing products.

GOAL 1.3 PROVIDE EQUITABLE OPPORTUNITIES FOR DALLAS RESIDENTS

Policy 1.3.1 Create housing opportunities throughout Dallas.

1.3.1.1 Encourage creation of diverse housing types by establishing ways to foster such development and find ways to foster homeownership.

1.3.1.6 Promote incentives for ownership and affordable housing development in Dallas.

ECONOMIC ELEMENT

GOAL 2.1 PROMOTE BALANCED GROWTH

Policy 2.1.1 Ensure that zoning is flexible enough to respond to changing economic conditions.

Surrounding Land Uses:

	Zoning	Land Use
Site	PD No. 658, Tract 1	Undeveloped
North	R-7.5(A)	Single Family
South	R-5(A)	Undeveloped
East	PD No. 658, Tract 2	Single Family
West	R-7.5(A)	Single Family

Land Use Compatibility

The request site is undeveloped. The applicant’s request for an amendment to Planned Development District No. 658, Tract 1 will allow for minimum 5,000-square-foot single family lots. The Planned Development District currently allows for 7,500-square-foot lots in Tract 1 and 5,000-square-foot lots in Tract 2. The change would deem the entire PD to have a base of R-5(A) and create uniform conditions for the PD. The applicant proposes to develop the site with 28 single family dwellings.

The surrounding land uses consist of single family to the east, north, and west of the subject site. There are undeveloped tracts across East Camp Wisdom Boulevard that are also zoned R-5(A) Single Family District.

Staff supports the amendment as the 5,000 square foot lots are compatible with the abutting zoning districts. Tract 1 is separated from the R-7.5(A) District to the west by Firebird Drive. The single-family nature of the neighborhood is kept intact although the

lot sizes may differ. There is a requirement for open space north of the single family dwellings that will also serve as a buffer to properties north of the development.

Conditions have been added to the plan that require a six-foot fence with seven-foot, four-inch tall brick pillars at evenly spaced intervals to add a uniform aesthetic along East Camp Wisdom Drive and Firebird Drive. Open Space conditions have been added to add access from the right of way and a bench to make the area an amenity to the community. Transportation has recommended driveway spacing and conditions were added to allow for adequate spacing for parking within the subdivision.

Development Standards:

District	Setbacks		Density/ FAR	Height	Lot Coverage	Special Standards	Primary Uses
	Front	Side/Rear					
PD No. 658, Tract 2	20'	5'	No Maximum	30'	45%	N/A	Single Family
PD No. 658, Tract 1	25'	5'	No Maximum	30'	45%	N/A	Single Family
Proposed: PD No. 658, Tract 1	20'	5'	No Maximum	30'	45%	N/A	Single Family

Parking:

Required off-street parking for a single family use in an R-5(A) Single Family District is one parking space per dwelling unit. Upon development, the site would need to comply with the Dallas City Code, as amended.

Market Value Analysis

Market Value Analysis (MVA), is a tool to aid residents and policy-makers in understanding the elements of their local residential real estate markets. It is an objective, data-driven tool built on local administrative data and validated with local experts. The analysis was prepared for the City of Dallas by The Reinvestment Fund. Public officials and private actors can use the MVA to more precisely target intervention strategies in weak markets and support sustainable growth in stronger markets. The MVA identifies nine market types (A through I) on a spectrum of residential market strength or weakness. As illustrated in the attached MVA map, the

Z190-322(CT)

colors range from purple representing the strongest markets to orange, representing the weakest markets. While the area of request is not categorized as being within an MVA cluster, surrounding properties on the west, north, and east are located within an "G" Categories.

Landscaping

Per the existing PD conditions, landscaping must comply with Article X with the following added conditions: 1) the tree preservation, removal, and replacement provisions in Division 51A-10.130 (Urban Forest Conservation) do not apply and 2) all lots must have at least nine caliper inches of trees.
