

**FILE NUMBER:** Z189-267(CY)

**DATE FILED:** May 7, 2019

**LOCATION:** Northwest side of Oxbow Lane, north of Foxboro Lane

**COUNCIL DISTRICT:** 3

**MAPSCO:** 65 N

**SIZE OF REQUEST:** Approximately 3.63 acres

**CENSUS TRACT:** 112.00

**REPRESENTATIVE:** Linne Shields, MHH Properties, LLC

**APPLICANT/OWNER:** MHH Properties, LLC

**REQUEST:** An application for a Specific Use Permit for an adult day care facility on property zoned an R-7.5(A) Single Family District.

**SUMMARY:** The applicant proposes to develop the site with a one-story, approximately 5,300-square-foot building. The purpose of the request is to allow for the proposed building to be occupied with an adult day care facility.

**CPC RECOMMENDATION:** **Approval** of a Specific Use Permit for an adult day care facility on a portion of the area of request for a five-year period, subject to a site plan and conditions.

**STAFF RECOMMENDATION:** **Approval** of a Specific Use Permit for an adult day care facility on a portion of the area of request for a five-year period with eligibility for automatic renewals for additional five-year periods, subject to a site plan and conditions.

**BACKGROUND INFORMATION:**

- The area of request is zoned an R-7.5(A) Single Family District and is currently undeveloped.
- Building Inspections' records indicate the site contained a single-family structure that was demolished in 1980 after a demolition permit was issued and completed.
- The Dallas Development Code defines an adult day care facility as a facility that provides care or supervision for five or more persons 18 years of age or older who are not related by blood, marriage, or adoption to the owner or operator of the facility, whether or not the facility is operated for profit or charges for the services it offers. This use is allowed in the R-7.5(A) District by Specific Use Permit only.
- The initial request was to develop the 3.63-acre site with a one-story, approximately 8,125-square-foot building to be occupied with an adult day care facility. After an initial meeting with the neighboring property owners, the applicant revised the proposal to reduce the size of the facility to be developed on a portion of the site and to relocate the building further northwest on the subject property. The remainder of the site is now being proposed to be developed with single family uses.
- The proposed building is now 5,300 square feet in area and will have capacity for up to 30 persons. In addition to the building, the facility will have other amenities such as gardens and walking paths.
- On January 7, 2020, at a neighborhood meeting, the applicant presented to the surrounding property owners, the revised request for a reduced building and land area to be occupied with the adult day care facility.

**Zoning History:**

There has not been any recent zoning change request in the vicinity of the area of request in the past five years.

**Thoroughfares/Streets:**

Thoroughfare/Street	Type	Existing ROW
Oxbow Lane	Minor arterial	50 feet

**Traffic:** The Engineering Division of the Sustainable Development and Construction Department has reviewed the request and determined that the proposed request will not have a negative impact on the surrounding street system.

**STAFF ANALYSIS:**

**Comprehensive Plan:**

The *forwardDallas!* Comprehensive Plan was adopted by the City Council in June 2006. The *forwardDallas!* Comprehensive Plan outlines several goals and policies which can serve as a framework for assisting in evaluating the applicant's request.

The request complies with the following land use goals and policies of the Comprehensive Plan:

**ECONOMIC ELEMENT**

**GOAL 2.1 PROMOTE BALANCED GROWTH**

**Policy 2.1.1** Ensure that zoning is flexible enough to respond to changing economic conditions.

**URBAN DESIGN ELEMENT**

**GOAL 5.3 ESTABLISHING WALK-TO CONVENIENCE**

**Policy 5.3.1** Encourage a balance of land uses within walking distance of each other.

**Land use:**

	<b>Zoning</b>	<b>Land Use</b>
<b>Site</b>	R-7.5(A)	Undeveloped land.
<b>North</b>	R-7.5(A)	Undeveloped land
<b>East</b>	R-7.5(A)	Single family
<b>South</b>	R-7.5(A)	Single family
<b>West</b>	R-7.5(A), PD No. 861	Single family, public school

**Land Use Compatibility:**

The 3.63-acre request site is currently undeveloped. The Building Inspections Division's records indicate the site previously contained a single-family structure that was demolished in 1980 after a demolition permit was issued and completed.

The applicant proposes to develop the site with a one-story, approximately 5,300-square-foot building to be occupied with an adult day care facility. The R-7.5(A) Single Family District allows for the adult day care use by Specific Use Permit only.

According to the applicant, the adult day care facility will serve up to 30 adults<sup>1</sup>, age 65 and over. The hours of operation will be Monday through Friday from 7:00 a.m. to 7:00 p.m.

The request site is surrounded by single family uses to the east, south and west. A large undeveloped tract of land is directly adjacent to the north, and a public school is located further west. Several church uses and retail and personal service uses are found further west along East Red Bird Lane.

The general provisions for a Specific Use Permit in Section 51A-4.219 of the Dallas Development Code specifically state: (1) The SUP provides a means for developing certain uses in a manner in which the specific use will be consistent with the character of the neighborhood; (2) Each SUP application must be evaluated as to its probable effect on the adjacent property and the community welfare and may be approved or denied as the findings indicate appropriate; (3) The City Council shall not grant an SUP for a use except upon a finding that the use will: (A) complement or be compatible with the surrounding uses and community facilities; (B) contribute to, enhance, or promote the welfare of the area of request and adjacent properties; (C) not be detrimental to the public health, safety, or general welfare; and (D) conform in all other respects to all applicable zoning regulations and standards. The regulations in this chapter have been established in accordance with a comprehensive plan for the purpose of promoting the health, safety, morals, and general welfare of the City.

The applicant's request complies with the general provisions for consideration of a SUP. It is staff's opinion that the proposed use will not have a negative impact in the surrounding areas; furthermore, the proposed development is foreseen as to provide a much-needed service to allow seniors to receive care during the day. The maneuvering and parking for the use are located on the site and if compliance with the conditions and site plan are maintained should have no adverse effect on the neighborhood.

**Parking:**

Pursuant to §51A-4.204 of the Dallas Development Code, the off-street parking requirement for an adult daycare facility is one space per 500 square feet of floor area. Therefore, the overall proposed 5,300-square-foot adult day care facility will require 11 parking spaces. The site plan proposes 11 parking spaces within the area of request.

**Landscaping:**

Landscaping must be provided in accordance with Article X of the Dallas Development Code.

---

<sup>1</sup> The Dallas Development Code does not regulate the maximum number of participants an adult day care facility can serve. This use must comply with statutory licensing requirements.

### **Market Value Analysis**

Market Value Analysis (MVA), is a tool to aid residents and policy-makers in understanding the elements of their local residential real estate markets. It is an objective, data-driven tool built on local administrative data and validated with local experts. The analysis was prepared for the City of Dallas by The Reinvestment Fund. Public officials and private actors can use the MVA to more precisely target intervention strategies in weak markets and support sustainable growth in stronger markets. The MVA identifies nine market types (A through I) on a spectrum of residential market strength or weakness. As illustrated in the attached MVA map, the colors range from purple representing the strongest markets to orange, representing the weakest markets. The site is not within an identifiable MVA Category; however, it is surrounded by an “H” MVA Cluster to the west, south and east.
