Mission Statement

The mission of the Sports Arena TIF District (“TIF District” or “Zone”) is to generate tax increment sufficient enough to reimburse costs of roadway improvements and other public improvements in the TIF District that were beneficial to the redevelopment of the area around the American Airlines Center (“AAC”). The mission of the TIF District was amended in 2012 to provide a means of funding needed public investments to shift AAC event parking from surface parking lots to structured parking within the Victory area, facilitate redevelopment in West Dallas that currently serves as a gateway from the west to the Victory area, improve occupancy rates of retail space in the Victory area, and create new retail opportunities in the West Dallas area.

City Council created the Sports Arena TIF District (Reinvestment Zone Number Seven) by Ordinance No. 23688 on October 28, 1998. The TIF District took effect January 1, 1999, and its original termination date was December 31, 2018, or when all TIF District project costs and any interest on these costs were paid in full. The termination date of the TIF District was extended by 10 years to December 31, 2028 on May 23, 2012, by Ordinance No. 28672. Also, in 2012, the TIF District’s boundary was expanded to create three sub-districts. The original boundary of the TIF District became the Victory Sub-district, and the Riverfront Gateway and West Dallas Sub-districts were created.

The City of Dallas participation rate in all three sub-districts is 90%. Dallas County’s participation rate in the Victory Sub-district is 45%, while the County’s participation rate for the Riverfront Gateway and West Dallas Sub-districts is 55%.

TIF District Accomplishments

Since its inception, the Sports Arena TIF District has leveraged approximately \$2.6 billion in new development completed or under construction through fiscal year 2023. TIF District development includes 5,458 residential units, 251 hotel rooms, 454,200 square feet of retail space, and 1,421,000 square feet of office space (includes 436,000 square feet of planned office space).

On June 23, 2021, City Council approved a development agreement with the Circuit Trail Conservancy (CTC) for the design and construction of the North Victory segment of the Hi Line Connector Trail Project and an enhanced trail head for the Katy Trail in the Victory Sub-district of the Sports Arena TIF District in an amount not to exceed \$11,562,124. Construction of the trail and design of the trail head began during the 2022-2023 fiscal year. The trail portion of the project will complete construction in 2024, while the trail head will be finished in 2025.

Mixed-Income Housing Summary

Successful development efforts support a variety of housing options. In 2012, the TIF District's Project Plan was amended to add the requirement of mixed-income housing for residential projects receiving TIF District funding. Accordingly, twenty percent (20%) of all housing units in projects using direct, site-specific TIF District funding assistance are subject to the City's and County's established criteria for mixed-income housing. Since 2012, only one residential project in the TIF District received funding, Cypress at Trinity Groves. Of the 352 residential units constructed, 70 units (20%) have been set-aside as affordable.

Value and Increment Revenue Summary

The base value of the TIF District is the total appraised value of all taxable real property in the TIF District, as determined by the Dallas Central Appraisal District's certified property tax roll for the base year. The base value is established the year a property is placed within TIF District boundaries.

The Sports Arena TIF District's original assessed 1998 base taxable value was \$16,423,773. The TIF District's Project Plan and Reinvestment Zone Financing Plan was amended in 2012 to create three sub-districts: Victory, Riverfront Gateway, and West Dallas. As a result, each sub-district has its own base year value.

Victory Sub-district – In 2012, the Victory Sub-district's amended base year value was \$33,515,323. The sub-district's certified value in 2023 was \$1,899,194,196, an increase of \$118,858,702 (6.7%) from the sub-district's 2022 final value (\$1,780,335,494). This increase above the amended base value will result in an estimated collection in 2024 of approximately \$12,582,779 (City \$12,353,220; County \$229,559) in incremental revenue. Dallas County's participation in the Victory Sub-district will end with the partial collection of fiscal year 2023's increment.

Riverfront Gateway Sub-district – In 2012, the Riverfront Gateway Sub-district's base year value was \$18,624,970. The sub-district's appraised certified value in 2023 was \$43,387,170, an increase of \$7,356,820 (20.4%) from the sub-district's 2022 final value (\$36,030,350). This increase above the base value will result in an estimated collection in 2024 of approximately \$193,337 (City \$163,958; County \$29,379) in incremental revenue.

West Dallas Sub-district – In 2012, the West Dallas Sub-district's base year value was \$11,590,076. The sub-district's certified value in 2023 was \$243,554,833, an increase of \$63,110,963 (35%) from the sub-district's 2022 final value (\$180,443,870). This increase above the base value will result in an estimated collection in 2024 of approximately \$1,811,123 (City \$1,535,908; County \$275,214) in incremental revenue.

The TIF District's (all sub-districts) total value in 2023 was \$2,122,405,830, an increase of \$125,596,116 (6%) from the final 2022 total district value (\$1,996,809,714). This increase in total district value above the base year values will result in an estimated collection in 2024 of approximately \$14,587,238 in total incremental revenue for the Sports Arena TIF District.

Objectives, Programs, and Success Indicators

The original Sports Arena TIF District Project Plan and Reinvestment Zone Financing Plan was adopted August 25, 1999. In 2012, the TIF District's Project Plan and Reinvestment Zone Financing Plan was amended, and the goals and objectives were revised to include additional public improvements as well as private development.

Specific actions addressing these objectives follow in italics:

- Attract 250,000 square feet of additional retail space.

Approximately 454,000 square feet of retail space has been (includes restaurant and theater space) completed within the TIF District since 1998 (182% of the total goal).

- Attract 3,000 additional residential units including town home, multifamily and condominium units.

The Trinity Groves Residential Phase III project (368 residential units) in the West Dallas Sub-district completed construction during the fiscal year. The 505 Riverfront project (535 residential units) completed construction during the fiscal year.

In total 5,458 residential units have completed construction or are currently under construction (182% of the total goal) since 1998.

- Increase recreational opportunities and improve connections to the City of Dallas trails and open space system in the Sports Arena TIF District, especially the Trinity River, Trinity Strand Trail, Katy Trail and proposed Continental Pedestrian Bridge.

Continental Avenue Bridge Project – The Bridge was permanently closed to vehicular traffic on July 8, 2013. The construction cost for the Continental Avenue Bridge and West Dallas Gateway project was funded by private donations and bond funds. The bridge reopened for pedestrians only in 2015, providing a new outdoor destination with recreational amenities, parking at the West Dallas Gateway and non-motorized vehicular access across the Trinity River.

Katy Trail Extension – As part of the two-way conversion of Houston Street completed in 2016, a dedicated bicycle track on both sides of Houston Street was constructed, connecting to the current terminus of the KATY Trail and extending it throughout the Victory sub-district improving bicycle circulation.

Hi Line Connector Trail Project - On June 23, 2021, City Council approved a development agreement with the CTC for the design and construction of the North Victory segment of the Hi Line Connector Trail Project located in the Victory Sub-district of the Sports Arena TIF District in an amount not to exceed \$11,562,124. The project began construction in 2023 with anticipated completion in June of 2025.

- Increase the utilization of structured parking to provide public and American Airlines Center (AAC) event parking.

Construction of the North Parking Garage providing AAC event parking completed in 2015. 425 spaces in the South Parking Garage provide additional AAC structured parking. These two facilities enabled the redevelopment of approximately 12.3 ± acres previously used for surface parking.

- Improve access and connectivity between the Victory, Riverfront Gateway Sub-district and West Dallas Sub-districts.

Improvements to the bike trail and pedestrian network, Continental Bridge improvements and ongoing work at Trinity Groves is intended to improve connectivity within the Sports Arena TIF District.

Year-End Summary of Meetings and Council Items

The Sports Arena TIF District Board of Directors did not meet during FY 2022-2023.

The Sports Arena TIF District Board of Directors consists of nine (9) members, including six (6) City of Dallas appointees, one (1) Dallas Independent School District (DISD) appointee, one (1) Dallas County appointee and one (1) Dallas County Hospital District (DCHD) appointee. M/WBE Participation

Although public bidding is not required for TIF District-funded projects, all TIF District-funded projects must follow the City’s adopted Business Inclusion and Development Plan (BID) and make a good faith effort to include certified Minority and Women-Owned Business (M/WBE) participation in TIF District-funded projects. The BID Plan goal for the TIF District-funded projects listed below was 25 percent (25%) M/WBE participation in construction costs of the awarded subsidy. During fiscal year 2020-2021, City Council increased the BID Plan goal for construction costs to 32 percent (32%).

City of Dallas, Texas
Sports Arena Tax Increment Financing District
Notes to Financial Statements for the Year Ended September 30, 2023
(Unaudited)

1. The measurement focus used for the Zone fund is a flow of financial resources. The financial statements are prepared using the modified accrual basis of accounting. Under the modified accrual basis of accounting, tax increment revenues and interest are recognized as revenue when they become both "measurable" and "available" to finance expenditures of the current period. Expenditures are recognized when the liability is incurred.
2. State statute requires that each taxing jurisdiction remit its ad valorem taxes to the Zone by May 1 of each year (remittance to occur no more than 90 days after taxes for the jurisdiction become delinquent).
3. The Zone's cash balances are invested in the City's investment pool and include amounts in demand deposits as well as short-term investments. Pooled investments and short-term non-pooled investments are treated as cash equivalents. Investment income on the pooled investments is prorated monthly based upon the average daily cash balance in each fund.
4. The Zone's Financing Plan permits expenditures not to exceed \$2,005,770 (in Current \$) over the life of the Zone to reimburse the City for administrative costs. The City began reimbursing the general fund for administrative costs in FY'1998-99. Any future remittance for administrative expenses would come from excess cash as tax increment revenue increases as a result of increased assessed values.
5. "Due to general fund" amount of \$231,375 on September 30, 2023 represents the Zone administrative costs for the fiscal year 2018-2019 (\$1,581), fiscal year 2019-2020 (\$40,243), fiscal year 2020-2021 (\$69,587), fiscal year 2021-2022 (56,835) and fiscal year 2022-2023 (\$63,129), that have been earned but will be reimbursed to the General Fund in future years based on the availability of TIF District funds. These administrative costs do not include billing to other City departments.
6. All expenditures resulting in capital improvements that are owned by the City are capitalized on the City's books.

Appendix B: Project Pay-Off Estimates

| Developer | Project Name | Max. TIF Award | Pay-Off Date |
|--|---------------------------------|----------------|--------------|
| Victory Sub-district | | | |
| Anland GP, LP | North Parking Garage | \$21,800,000 | 2028 |

| West Dallas Sub-district | | | |
| Trinity Groves Residential I, L.P. | Cypress @ Trinity Groves | \$13,950,000 | 2024 |

Estimated pay-off dates may change and are subject to the following

- (1) Changes in increment collected annually;
- (2) Changes in the real property tax rates of participating taxing jurisdictions (City of Dallas and Dallas County);
- (3) Changes in the participation rate of participating taxing jurisdictions;
- (4) Completion dates of projects listed in the TIF District's reimbursement queue; and/or
- (5) Changes in development activity within the TIF District

Appendix C: Sub-district Set-Aside Funds

The Sports Arena TIF District Project Plan and Reinvestment Zone Financing Plan created a West Dallas set-aside within the Victory Sub-district. Additionally, the adopted Increment Allocation Policy for the TIF District gives the TIF District Board the discretion to set aside increment for “sub-district wide improvements” such as gateways, trails, open space, public facilities, workforce training or utility/streetscape improvements benefiting multiple properties or blocks within the sub-districts.

Victory Sub-district Set-Asides

West Dallas Set-Aside - Ten percent (10%) of the total collected City and County increment revenue (after administrative expenses) for the Victory Sub-district shall be allocated to the West Dallas Sub-district.

Victory Sub-district Wide Improvements Set-Aside – From 2014 annual sub-district increment, after payment of completed Tier One projects, \$500,000, shall be set-aside for eligible sub-district wide improvements. Eligible improvements are limited to future design and construction of public improvements that may be required as a result of the implementation of the following Tier Two infrastructure improvement projects: Olive Street Reconfiguration and Two-Way Conversion of Houston Street and Victory Avenue.

Riverfront Gateway Sub-district Set-Aside

Riverfront Gateway Sub-district Wide Improvements Set-Aside – Ten percent (10%) of the increment generated from the Riverfront Gateway Sub-District, up to \$955,000, shall be set aside for eligible improvements. Eligible improvements shall specifically include streetscape, open space and trail improvements that benefit multiple properties within the Riverfront Gateway Sub-district whether constructed as part of a single development project or independent of a development project. These funds may also be used as a match for potential grant funding for eligible improvements.

West Dallas Sub-district Set-Asides

Zoning Sub-district Wide Improvements Set-Aside – Five percent (5%) of the increment generated from the West Dallas Sub-District, up to \$3,000,000, shall be set aside for Planned Development District (PD) 891 zoning required improvements (Zoning Sub-district Wide Improvements). Zoning Sub-District Wide Improvements shall specifically include PD 891 Open Space Improvements, whether constructed incrementally or in conjunction with specific private development projects or constructed independent of a specific private development project. PD 891 improvements specifically include: Muncie Street Linear Park, Herbert Plaza and the Akron Park Greenway.

General Sub-district Wide Improvements Set-Aside – Ten percent (10%) of the increment transferred from the Victory Sub-district shall be set-aside for other West Dallas Sub-

district wide improvement projects (General Sub-district Wide Improvements) and to be used as a match for potential grant funding of improvement projects.
