Mission Statement

The Mall Area Redevelopment Tax Increment Financing District (TIF District) represents the City of Dallas' effort to encourage the sustainable redevelopment of properties including and around two obsolete shopping malls while taking advantage of each area's strategic regional location at the crossroads of key transportation corridors.

As allowed by Chapter 311 of the Texas Tax Code, the TIF District comprises two non-contiguous sub-districts—the Montfort-IH 635 Sub-District for the Valley View Center Mall area in northern Dallas and the Westmoreland-IH 20 Sub-District for the Redbird Mall (formerly Southwest Center Mall) area in southern Dallas.

The Montfort-IH 635 Sub-District is generally bounded by Alpha Road, Preston Road, Noel Road, and Interstate Highway 635 (LBJ Freeway). The Montfort-IH 635 Sub-District encompasses approximately 173.9 acres, not including rights-of-way. The Montfort-IH 635 Sub-District is recommended by and consistent with the City's adopted Valley View-Galleria Area Plan (2013) and serves as a long-term funding tool to help implement the shared vision for the area by further leveraging other implementation tools (PD 887 form-based zoning and Thoroughfare Plan amendments) enacted by the City Council.

The Westmoreland-IH 20 Sub-District is generally bounded by Westmoreland Road, Camp Wisdom Road, Highway 67 (Marvin D. Love Freeway), and Interstate Highway 20 (LBJ Freeway). The Westmoreland-IH 20 Sub-District encompasses approximately 112.2 acres, not including rights-of-way. The Westmoreland-IH 20 Sub-District is recommended by and consistent with the City-sponsored Advisory Services Panel report entitled "Southwest Center Mall" published by the Urban Land Institute (2009) and serves as a long-term funding tool to help implement many of the report's recommendations over time.

The mission of the TIF District is to provide a source of funding for a program of public investments (e.g. infrastructure improvements, economic development grants, and land acquisition/assembly for public open space), which is intended to stimulate private investment and redevelopment in each mall area to occur earlier and to a much greater extent than would occur solely through private investment in the reasonably foreseeable future.

Originally in the 1960s and 1970s, the Valley View Center Mall and the Southwest Center Mall were created by complex configurations of super-blocks, private land ownership, and reciprocal easement agreements that bound multiple owners together. Over the past 15-20 years, as market conditions have shifted significantly, these same configurations heavily burdened each mall area, making redevelopment and revitalization extremely difficult without public participation and intervention.

With the assistance of this TIF District, each mall area is to be reconfigured into a traditional pattern of public streets, public open space, public infrastructure, and smaller parcels of private land ownership, thereby setting the stage for incremental redevelopment that is flexible to meet market demands and community needs.

TIF District Accomplishments in FY 2022-2023

- In 2023, the remaining in-line portion of the Valley View Mall and the former AMC theater were demolished.
- In November 2020, voters approved a Dallas Independent School District (DISD) bond package, including \$75 million to design and build a new preK-12 vertically integrated choice school in North Dallas. During the first half of FY 2021-2022, DISD actively evaluated potential sites in the Valley View-Galleria area. In July 2022, DISD closed on the purchase of the 12-story office building and associated parking garage located on 6.2 acres at 5501 LBJ Freeway within the Montfort-IH 635 Sub-District of the Mall Area Redevelopment TIF District. During FY 2022-2023, DISD continued the process of planning and designing the building's conversion into a school with support from the City of Dallas. DISD anticipates opening the school in 2025.
- In April 2021, the NCTCOG Executive Board authorized an \$850,000 consultant contract with Lea + Elliott, Inc. to develop technical standards and guidelines for an automated transportation system (ATS Development Study). City staff participated in the Steering Committee for the ATS Development Study, and the final report was completed in May 2023.
- In January 2021, the City's Office of Economic Development entered into a consultant contract with Social Impact Architects, Inc. to review existing plans, re-engage stakeholders, and develop a unified strategic plan for the Valley View-Galleria area with special focus on improving and coordinating a variety of public sector implementation activities (e.g. park; school; ATS; zoning; marketing; branding). In January 2022, City staff and Social Impact Architects presented to the Economic Development Committee of City Council a summary of the substantially complete strategic plan, including research, stakeholder engagement, opportunities, recommendations, and next steps. A primary recommendation of the strategic plan was for the City to establish a specific brand and identity for the Valley View-Galleria area as the "Dallas International District." During FY 2022-2023, the City and Social Impact Architects, Inc. continued pursuit of the recommended implementation actions of the strategic plan, including marketing The Prism building as an integral part of the City's International District to attract prospective foreign trade offices, improve foreign relations, and increase trade, cultural exchanges, and foreign direct investment. In December 2022 at The Prism, the City welcomed the opening of the Trade Office of France by the French-American Chamber of Commerce.
- In Spring 2021, Florida-based developer ZOM Living began construction on a new 398-unit apartment project on 3.2 acres located at the northeast corner of Noel Road and LBJ Freeway in the Montfort-IH 635 Sub-District. Known as Hazel by the Galleria, the project is 5 stories wrapping a 7-story structured parking garage. Construction was completed during FY 2022-2023.

- In June 2021, City Council approved Resolution No. 21-1095 to authorize a construction services contract (not to exceed \$4,470,719) with Vescorp Construction, LLC dba Chavez Concrete Cutting for the construction of a complete street project on Montfort Drive from Interstate Highway 635 Frontage Road to Alpha Road. The project will include improving the existing street pavement with reinforced concrete pavement, storm drainage, water and wastewater, concrete sidewalk, shared-use concrete path, buffered bike lanes, street and pedestrian lighting, traffic signals, pavement markings, speed control treatments, and pedestrian enhancements. Originally, construction of the project was scheduled to start in early 2022 and be completed by mid-2023. However, due to delays in utility pole relocation by Oncor as well as contract disputes between the City and Vescorp Construction, construction of the project did not commence in 2022; however, construction did commence in March 2023 and is anticipated to be completed by the end of 2024.
- During FY 2022-2023, significant progress continued to be made on the redevelopment project at Red Bird Mall (now known as the Shops at RedBird), including:
 - substantial completion of new site infrastructure
 - substantial completion of \$2.1 million 12,600 square foot expansion of the Dallas Entrepreneur Center (DEC) at RedBird
 - substantial completion of Dallas College's \$5 million 53,000 square foot Workforce Development and Training Center
 - substantial completion of new Chick-fil-A restaurant at RedBird
 - demolition of vacant former Blockbuster Video building (7,000 square feet) at 3420 W. Camp Wisdom Road and commencement of construction on new multi-tenant retail building (5,400 square feet)
 - City Council approval of Resolution No. 23-0505, authorizing an economic development incentive agreement with Randall's Food & Drugs LP to include (1) a Chapter 380 economic development grant in the amount not to exceed \$5,200,000.00; (2) a Chapter 380 sales tax grant in the amount not to exceed \$600,000.00 over ten years; and (3) a business personal property tax abatement for a period of five years in the amount equal to the City's taxes assessed on 75 percent of the added taxable value of Grantee/BPP Owner's business personal property investment during the first five years of operation in consideration of a new \$19 million 50,000 square foot full-service Tom Thumb grocery store at RedBird

- City Council approval of Resolution No. 23-0793, authorizing a New Markets Tax Credit transaction between the Dallas Development Fund and its subsidiaries, JPMorgan Chase and its subsidiaries, and Vogel Alcove for interior construction of a new \$6.1 million 15,000 square foot childcare and resource center at RedBird

Mixed-Income Housing Summary

Successful development efforts support a variety of housing options. Accordingly, twenty percent (20%) of all housing units in projects using direct site-specific TIF district funding assistance are subject to the City’s and County’s established criteria for mixed-income housing.

In the Montfort-IH 635 Sub-District, construction was completed in 2017 on the 321-unit Windsor by the Galleria apartment project located at 13290 Noel Road. The Windsor by the Galleria multi-family project did not utilize direct site-specific TIF District funding and, as such, does not set aside any affordable units. Additionally, in the Montfort-IH 635 Sub-District, construction was completed in 2020 on the 344-unit Cornell Midtown (formerly Modera Dallas Midtown) multi-family project located at 13001 Cornell. The Cornell Midtown multi-family project did not utilize direct site-specific TIF District funding and, as such, does not set aside any affordable units. Additionally, in the Montfort-IH 635 Sub-District, construction was completed in 2023 on the 398-unit Hazel by the Galleria multi-family project located at 13100 Noel. The Hazel by the Galleria project did not utilize direct site-specific TIF District funding and, as such, does not set aside any affordable units.

In the Westmoreland-IH 20 Sub-District, construction was completed in 2021 on the 300-unit Palladium Redbird mixed-income apartment project located at 7202 S. Westmoreland Road within the Reimagine Redbird redevelopment. As a requirement of the funding sources (i.e. housing tax credits; tax exempt bonds; CDBG/HOME funds; City general obligation bond funds) utilized to develop the project, 70% of the 300 units (i.e. 210 units) are reserved and leased solely to households earning at or below 60% of Area Median Family Income as defined by the U.S. Department of Housing and Urban Development. The 210 affordable units are required to remain affordable for a minimum of 20 years. The remaining 30% of the units in the project (i.e. 90 units) can be leased at market rates.

Value and Increment Revenue Summary

The adjusted base value of the TIF District is \$176,287,080 (\$148,591,740 in the Montfort-IH 635 Sub-District and \$27,695,340 in the Westmoreland-IH 20 Sub-District).

In the 2023 certified tax roll, the total appraised value of all taxable real property in the TIF District as determined by the Dallas Central Appraisal District was \$404,452,430, representing an increase of \$228,165,350 (129.4%) over the adjusted base value.

In the Montfort-IH 635 Sub-District, the certified total appraised value of all taxable real property in tax year 2023 was \$353,970,740, representing an increase of \$205,379,000 (138.2%) over the base value.

In the Westmoreland-IH 20 Sub-District, the certified total appraised value of all taxable real property in tax year 2023 was \$50,481,690, representing an increase of \$22,786,350 (82.3%) over the adjusted base value.

Year-over-year, the TIF District's 2023 certified total value increased by \$69,052,790 (20.6%) over the TIF District's 2022 final value of \$335,399,640.

With the City's participation in the TIF District for tax year 2023 at 90%, the captured incremental tax revenue anticipated to be collected and deposited into the TIF fund in 2024 for tax year 2023 is approximately \$1,510,751.

Note about Dallas County's participation in the TIF District: In August 2015, the Dallas County Commissioners Court approved Court Order 2015-1122 authorizing the participation of Dallas County in the Mall Area Redevelopment TIF District, beginning on January 1, 2020, subject to Valley View Mall (excluding Sears and the existing theater) being demolished by the same date, by providing 55% of its increment for either twenty years, until the County's total net present value contribution reaches \$21.6 million (using a discount rate of 4%), or the City of Dallas terminates the district, whichever comes first. Between 2015 and 2019, Dallas County staff had decided to delay in executing the interlocal agreement until seeing evidence that Valley View Mall had been demolished in accordance with the County's qualifying condition of participation. In early 2020, following completion of the demolition work made to the in-line portion of the mall by TX Dallas Midtown, L.P., Dallas County staff concluded that the County's qualifying condition of

participation had not been fully satisfied because Dallas Midtown, L.P. had kept a portion of the mall intact in order to specifically keep the movie theater operating. As a result, Dallas County's participation in the TIF District for tax year 2023 is currently 0%. With the remaining portions of the mall having been fully demolished in 2023, Dallas County staff has indicated strong support for pursuing a new Court Order in 2024 to authorize the County's participation for the same duration (20 years) and at the same rate (55%) as development activities in the Montfort-IH 635 Sub-District begin to regain momentum again following the COVID-19 pandemic.

Appendix A: Financials

City of Dallas, Texas

Mall Area Redevelopment Tax Increment Financing District

(Reinvestment Zone #20)

Notes to Financial Statements for the Year Ended September 30, 2023

1. The measurement focus used for the Zone fund is a flow of financial resources. The financial statements are prepared using the modified accrual basis of accounting. Under the modified accrual basis of accounting, tax increment revenues and interest are recognized as revenue when they become both "measurable" and "available" to finance expenditures of the current period. Expenditures are recognized when the liability is incurred.
2. State statute requires that each taxing jurisdiction remit its ad valorem taxes to the Zone by May 1 of each year (remittance to occur no more than 90 days after taxes for the jurisdiction become delinquent).
3. The Zone's cash balances are invested in the City's investment pool and include amounts in demand deposits as well as short-term investments. Pooled investments and short-term non-pooled investments are treated as cash equivalents. Investment income on the pooled investments is prorated monthly based upon the average daily cash balance in each fund.
4. All project costs resulting in capital improvements which are owned by the City are capitalized in the City's fixed assets.
5. The Zone's Financing Plan permits expenditures not to exceed \$7,684,059 (current dollars) over the life of the Zone to reimburse the City for administrative expenses.
6. On the Balance Sheet, the "due to other funds" amount of \$203,784 on September 30, 2023 represents the Zone's administration expenses for FY 2019-2020 (\$24,467), FY 2020-2021 (\$51,760), FY 2021-2022 (\$59,526), and FY 2022-2023 (\$68,031) that have been earned but will be reimbursed to the City's General Fund based on the availability of future TIF District funds.
7. All project costs resulting in capital improvements that are owned by the City are capitalized by the City.

Appendix B: Financial Obligations

As of the end of FY 2022-2023, there is one TIF funding obligation:

- Tax Increment Development, Chapter 380 Grant, and Chapter 380 Loan Agreement (Agreement) with WCWRD Inc (Developer) in an amount not to exceed \$15,600,000 (TIF Subsidy). Note: Per the Agreement, Developer has assigned all rights to receive payment of the TIF Subsidy to the City of Dallas as collateral for and in payment of a loan in an amount not to exceed \$12,000,000 from the City's Public/Private Partnership Fund. The City made the first disbursement of the Loan in an amount of \$6,000,000.00 to Developer on June 10, 2019, in accordance with the terms and conditions as set forth in the Agreement. As of September 30, 2019, notes receivable in the amount of \$6,000,000.00 had been set up in the City's Public/Private Partnership Fund, and accrued interest through September 30, 2023, was \$373,357.00 (including additional accrued interest for FY 2022-2023 of \$120,000.00). Of the outstanding accrued interest of \$373,357.00, \$84,384.00 was transferred from the Mall Area Redevelopment TIF District Fund to the Public/Private Partnership Fund to pay down a portion of the outstanding accrued interest in accordance with the terms and conditions of the Agreement. On September 30, 2023, the net accrued remaining interest balance is \$288,973.00.
- The City made the second disbursement of the Loan in an amount of \$6,000,000 to Developer on February 19, 2020, in accordance with the terms and conditions as set forth in the Agreement. As of September 30, 2020, notes receivable in the amount of \$6,000,000.00 had been set up in the City's Public/Private Partnership Fund, and accrued interest through September 30, 2023, was \$375,039.00 (including additional accrued interest for FY 2022-2023 of \$120,000.00). Of the outstanding accrued interest of \$375,039.00, \$84,384.00 was transferred from the Mall Area Redevelopment TIF District Fund to the Public/Private Partnership Fund to pay down a portion of the outstanding accrued interest in accordance with the terms and conditions of the Agreement. On September 30, 2023, the net accrued remaining interest balance is \$290,655.00.

Appendix C: Sub-District-Wide Set-Aside Funds

Consistent with the Project Plan and Reinvestment Zone Financing Plan, the Increment Allocation Policy adopted by the TIF Board for the Mall Area Redevelopment TIF District includes two sub-district-wide set asides (in the Montfort-IH 635 Sub-District) and an inter-sub-district transfer (from the Montfort-IH 635 Sub-District to the Westmoreland-IH 20 Sub-District) as described below:

Annual Process (Montfort-IH 635 Sub-District)

First, the Montfort-IH 635 Sub-District Gross Increment will pay:

- 1) Administrative Expenses: After the Total Gross Increment has been deposited into the District fund, the City's Administrative Expenses for the District will be reimbursed first in each year of the District. The Montfort-IH 635 Sub-District's portion of the District's Administrative Expenses will be paid from the Montfort-IH 635 Sub-District Gross Increment based on the ratio of the Montfort-IH 635 Sub-District Gross Increment to the Total Gross Increment.

Then, the Montfort-IH 635 Sub-District Net Increment will be transferred or set aside as follows:

- 2) Transfer to the Westmoreland-IH 20 Sub-District: Ten percent (10%) of the Montfort-IH 635 Sub-District Net Increment will be annually transferred to the Westmoreland-IH 20 Sub-District to help facilitate the revitalization and redevelopment of the Redbird Mall area.
FY 2022-2023 Transfer Amount: \$66,954
- 3) Set Aside for Sub-District-Wide Public Infrastructure Improvements: Ten percent (10%) of the Montfort-IH 635 Sub-District Net Increment will be set aside annually for Sub-District-Wide Public Infrastructure Improvements (i.e. improvements not specific to a single development site such as gateways, trails, parks/open space, public facilities, or utility/streetscape improvements benefitting multiple parcels or blocks, regardless of ownership).
FY 2022-2023 Allocation Amount: \$66,954
- 4) Set Aside for Land Acquisition for Sub-District-Wide Central Open Space: Since the long-term redevelopment potential of the area will be limited without a large central open space and since TIF funding assistance of land acquisition for the large central open space will be critical to making the Montfort-IH 635 Sub-District a dense, walkable, livable, and sustainable place, thirty percent (30%) of the Montfort-IH 635 Sub-District Net Increment will be set aside annually for Land Acquisition for Sub-District-Wide Central Open Space.
FY 2022-2023 Allocation Amount: \$200,862
