CITY OF DALLAS

**DATE** April 28, 2026

**TO** Honorable Members of the City Council Economic Development Committee: Jesse Moreno (Chair), Paul Ridley (Vice Chair), Lorie Blair, Laura Cadena, Zarin Gracey, Bill Roth, Chad West

**SUBJECT** **Quarterly Update: Economic Development Incentives Awarded via Administrative Action**

On January 25, 2023, the City Council approved an amended City of Dallas Economic Development Policy and a new Economic Development Incentive Policy (which was subsequently amended on March 27, 2024; amended and reauthorized on January 8, 2025; amended on June 11, 2025, and amended on January 28, 2026). The Incentive Policy allows for certain incentives to be awarded by Administrative Action (AA) rather than by City Council Resolution. As of January 28, 2026, these include:

1. As-of-right tax abatements for certain projects in Economic Development Target Areas
2. Incentive offers valued at or below \$1 million for projects in Economic Development Target Areas

The Incentive Policy specifies that the Office of Economic Development (OED) will update the Economic Development Committee via a quarterly memo summarizing incentives awarded by AA under these two criteria.

**For the period between January through March 2026**, no Administrative Actions for incentives were executed. A list of previously approved Administrative Actions is attached as **Exhibit A**.
