

# Memorandum

CITY OF DALLAS

DATE September 3, 2024  
TO Honorable Chair Stewart and Members of the Parks, Trails, and Environment  
Committee  
SUBJECT **Environmental Commission Update**

## June 2024

An error in posting the Environmental Commission's agenda caused the scheduled June meeting to be re-noticed and rescheduled for July.

## July 2024

### Briefing Items

In July, the commission was briefed on the Urban Forest Master Plan, the Dallas Community Air Management Program (DCAMP) and received an update from staff on the Bond Performance Criteria recommendation that the commission made to the Parks, Trails and Environment committee.

## August 2024

In August, the commission was presented with a Q3 CECAP update, a briefing on the new Dallas EJ Screening tool, and an update on the Urban Agriculture Plan.
