

FILE NUMBER: Z245-201(JA/TZ) **DATE FILED:** April 11, 2025

LOCATION: Southeast corner of Rolling Hills Lane and Waterfall Way and on the west line of Waterfall Way, between Rolling Hills Lane and Brookgreen Drive

COUNCIL DISTRICT: 11

SIZE OF REQUEST: Approx. 9.5070 acres **CENSUS TRACT:** 48113019208

REPRESENTATIVE: Baldwin Associates LLC

APPLICANT: Dallas County

OWNER: Richardson ISD

REQUEST: An application for an amendment to Tracts C and C-1 within Planned Development District No. 24.

SUMMARY: The purpose of the request is to allow for additional permitted uses including, but not limited to, a community service center use with modified development standards. The applicant proposes to repurpose the existing public school [*J Frank Dobie Elementary School*].

CPC RECOMMENDATION: **Approval**, subject to amended conditions.

STAFF RECOMMENDATION: **Approval**, subject to amended conditions.

Planned Development District No. 24:

<https://dallascityhall.com/departments/city-attorney/pages/articles-data.aspx?pd=24>

BACKGROUND INFORMATION:

- The area of request is zoned Tract C and Tract C-1 within Planned Development District (PD) No. 24, which was established by City Council on January 17, 1966.
- The property is currently developed with a public elementary school (Tract C) and surface parking for the school (Tract C-1), which are the only permitted uses on these tracts per the conditions of the PD.
- Richardson ISD has decommissioned Dobie Elementary School and will lease the property to Dallas County, who proposes to repurpose the existing school building for use as a community service center as part of broader revitalization efforts ongoing in the Esperanza neighborhood/community.

Zoning History: There have been no zoning cases in the area within the last five years.

Thoroughfares/Streets:

Thoroughfare/Street	Type	Proposed ROW
Rolling Hills Lane	Local Street	-
Waterfall Way	Local Street	-
Flagstone Lane	Local Street	-

Traffic:

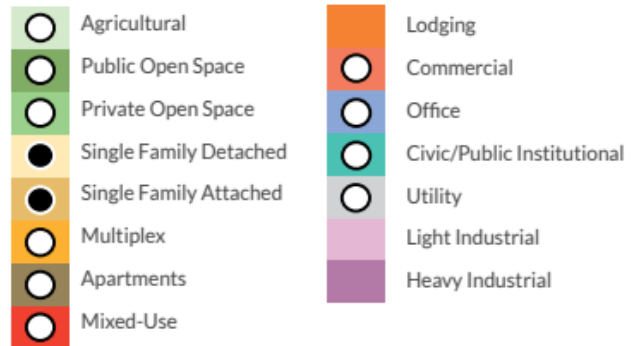

The Transportation Development Services Division of the Transportation Department has reviewed the current request and does not anticipate that it will impact the surrounding roadway system. Staff is consulting with the school district regarding removal of the existing school zone flashers independently of the zoning case.

STAFF ANALYSIS:

In September 2024, *forwardDallas! (2.0)*, an update to the 2006 Comprehensive Plan, was adopted by City Council.

The current area of request is at the eastern edge of an area within the Community Residential (CR) Placetype, which is primarily made up of single-family homes; however, a mix of sensitively integrated housing types can be found in many of these areas.

FUTURE LAND USE MIX

Parks, schools, and places of worship interspersed throughout these areas provide focal points for community activity.

Spring Valley/Coit Urban Design Study

The area of request is within the boundaries of the Spring Valley/Coit Urban Design Study, which was adopted by City Council in January 2001 as a guide for the future growth and development of the area and an implementation plan for future improvements. The Study analyzed existing conditions including land use, zoning, economic development, and infrastructure with the intention of revitalizing the commercial and neighborhood corridors and developed urban design alternatives for the area.

The Study includes a future land use map, with the area of request identified as a public school. At time of publication, Dobie Elementary School housed a population of 760 pre-K through 1st grade students. Because this zoning change request deviates from the land use map, the Study requires that it be evaluated in accordance with the current conditions and with the intent of the Study in mind.

It was not anticipated at the time of the Study that Dobie Elementary School would cease to operate; however, Richard ISD has determined based on their needs assessment that the school will be closed. The current request will allow the decommissioned elementary school building to be repurposed for use as a community service center. This proposed community service center will provide vital services for the surrounding community, maintaining it as a focal point for community activity. If the needs of the school district change in the future and they determine that the school should resume operating, the PD conditions will allow the use to resume by right at this location.

Land Use Compatibility:

The following table describes the zoning and land uses for the area of request and surrounding properties.

	Zoning	Land Use
Site	PD-24 (Tract C and C-1)	Public school
North	R-7.5(A) Single Family District	Single family detached
East	MF-1(A) Multifamily District	Multifamily
South	R-1ac(A) Single Family District	Single family
West	PD-24 (Tract A)	Single family attached

The area of request is currently developed with a public elementary school that has been decommissioned by Richardson ISD. Richardson ISD will retain ownership of the property and the school building, and the PD conditions will allow Richardson ISD to use the property for a public-school use again in the future should their needs change.

Dallas County seeks to repurpose the school building for use as a community service center with a variety of services benefitting the immediately surrounding communities. Because the current conditions of the PD only allow the public-school use and parking for a public school on Tracts C and C-1, the applicant requests an amendment to the PD to allow the additional permitted use (community service center).

Staff supports the request and finds that the repurposing of the existing public school for a community service center use is consistent with both the intent of the Spring Valley/Coit Urban Design Study and with the Community Residential Placetype.

Landscaping:

Per the conditions of PD No. 24, landscaping must be provided in accordance with the site/landscape plan for Tract C and C-1. The existing school building will remain on site and no new construction is proposed that would trigger a change to the site/landscape plan.

Parking:

Off-street parking and loading must be provided in accordance with Division 51A-4.200 except as modified by the conditions of PD No. 24 for all uses to be located on the property. The applicant requests a minimum parking requirement of 100 spaces (or must satisfy the required parking per 51A-4.200, whichever is less) for a public school or community service center use on Tract C, and PD conditions allow these spaces may be provided in their current location on Tract C-1. Given that the proposed community service center will provide services to the immediately surrounding communities, staff finds the existing parking provided remains sufficient for the property and supports the request.

Market Value Analysis:

Market Value Analysis (MVA), is a tool to aid residents and policy-makers in understanding the elements of their local residential real estate markets. It is an objective, data-driven tool built on local administrative data and validated with local experts. The analysis was prepared for the City of Dallas by The Reinvestment Fund. Public officials and private actors can use the MVA to more precisely target intervention strategies in weak markets and support sustainable growth in stronger markets. The MVA identifies nine market types (A through I) on a spectrum of residential market strength or weakness. As illustrated in the attached MVA map, the colors range from purple representing the strongest markets (A through C) to orange, representing the weakest markets (G through I). The area of request is currently in an “H” MVA area. In the wider vicinity to the west, south, and east there are E, F, and I MVA clusters, respectively.

List of Officers

Richardson Independent School District

Tabitha Branum – Superintendent
Sandra Hayes – Assistant Superintendent of District Operations
Mike Jasso – Chief of Staff
Chris Poteet – President – At Large Position 7
Eric Eager – Vice President – At Large Position 6

CPC-Recommended PD Conditions

PD 24

SEC. 51P-24.101. LEGISLATIVE HISTORY.

PD 24 was established by Ordinance No. 11338, passed by the Dallas City Council on January 17, 1966. Ordinance No. 11338 amended Ordinance No. 10962, Chapter 51 of the 1960 Revised Code of Civil and Criminal Ordinances of the City of Dallas, as amended. Ordinance No. 11338 was amended by Ordinance No. 11489, passed by the Dallas City Council on June 20, 1966; Ordinance No. 11756, passed by the Dallas City Council on March 13, 1967; Ordinance No. 15168, passed by the Dallas City Council on May 3, 1976; and Ordinance No. 23664, passed by the Dallas City Council on September 23, 1998. (Ord. Nos. 10962; 11338; 11489; 11756; 15168; 23664; 25423)

SEC. 51P-24.102. PROPERTY LOCATION AND SIZE.

PD 24 is established on property generally located east and west of Waterfall Way, south of Rolling Hills Drive. The size of PD 24 is approximately 57.88 acres. (Ord. Nos. 11098; 11489; 25423)

SEC. 51P-24.103. DEFINITIONS AND INTERPRETATIONS.

(a) Unless otherwise stated, the definitions and interpretations in Chapter 51 apply to this article.

(b) Unless otherwise stated, all references to articles, divisions, or sections in this article are to articles, divisions, or sections in Chapter 51. (Ord. 25423)

SEC. 51P-24.104. DEVELOPMENT PLAN.

In connection with this PD, a development plan (Exhibit 24A) indicates the approved development for the five designated tracts (Tracts A, B, C, C-1, and D). These five tracts must be developed as follows: Tract A with townhouses, Tract B with apartments, [and] Tracts C[-] and C-1 with a public school, a community service center, and/or a community garden use, and Tract D with a public school use. All development must conform with the development plan except that the area of Tract B may be subdivided at any time into any number of lots upon city plan commission approval of a revised subdivision plat indicating such division. The development plan labeled for school use is understood to include a public school repurposed for use as a community service center with or without a community garden. (Ord. Nos. 23664; 25423)

SEC. 51P-24.105. SITE/LANDSCAPE PLAN.

In addition to compliance with the development plan, development and use of Tracts C and C-1 must also comply with the site/landscape plan for Tracts C and C-1 (Exhibit 24B). The site/landscape plan labeled for school use is understood to include a public school repurposed for use as a community service center with or without a community garden. (Ord. Nos. 23664; 25423)

SEC. 51P-24.106. SUBDIVISION.

Before the issuance of any building permit, a subdivision plat of the entire development must be approved by the city plan commission and filed for record in the office of the County Clerk, Dallas County, Texas. (Ord. Nos. 11756; 25423)

SEC. 51P-24.107. PERMITTED USES.

Except as provided in Section 51P-24.111, the only permitted uses are as follows:

- (1) Tract A. No main use other than single-family attached dwellings and the specified community facilities indicated on the development plan are permitted. Accessory or incidental uses allowed in the 2F-2 district as described in Chapter 51 are also permitted in combination with said main uses.
- (2) Tract B. No main use or accessory use other than those permitted in the MF-2 district, as described in Chapter 51, are permitted.
- (3) Tract C. No main use other than a public school, a community service center, or a community garden is permitted.
- (4) Tract C-1. No main use other than surface parking for a public school or community service center is permitted.
- (5) Tract D. No main use other than a public school is permitted. (Ord. Nos. 23664; 25423)

SEC. 51P-24.108. MAINTENANCE RESPONSIBILITY.

(a) The property owner or owners of the area of Tract A of the development shall be responsible for the development and maintenance of all common facilities and easements shown on the development plan.

(b) To insure the continuance of adequate maintenance of the area of Tract A, as shown on the development plan, the owner or owners of the property shall, before the passage of Ordinance No. 11756 (March 13, 1967), file for record with the County Clerk's Office, Dallas County, Texas, an agreement containing the following provisions:

- (1) Should all or any portion of this tract, as described in Subsection (b), be sold, all of the common facilities and easements indicated on the development plan must be placed in the ownership of a Property Owners' Association. The structure of the association must be approved by both the city plan commission and the city attorney, and must provide for the following:
 - (A) Proper evidence of the creation of the Property Owners' Association.
 - (B) Each owner of property within the tract must be a member of the Property Owners' Association and must have rights to the use of all common facilities and easements within the area of this tract.

(C) The Property Owners' Association is responsible for the operation and continuing maintenance of all common facilities and easements within the area of this tract as shown on the development plan.

(D) The Property Owners' Association is responsible for the maintenance and continuance of any existing easement within the area of this tract.

(E) Continuous maintenance of these areas of responsibility must be financed by assessments levied against each property owner within the area of the tract. The assessments must be of sufficient amounts to insure adequate maintenance.

(2) This agreement must constitute a covenant binding on each property owner within this described area, their heirs or successors in title, and must run with the land. (Ord. Nos. 11756; 25423)

SEC. 51P-24.109. GENERAL REGULATIONS.

The regulations for minimum front yards, side yards, rear yards, lot width, lot depth, lot area, off-street parking, maximum lot coverage, building height, building location and spacing, and signs must comply with the requirements of Chapter 51 as set forth for the specified zoning districts and in accordance with the following additional requirements here listed for the five designated tracts:

(1) Tract A. The regulations of the 2F-2 district apply; except that:

(A) a minimum side yard of five feet is permitted adjacent to a side street where indicated on the development plan;

(B) a minimum lot width of 25 feet is required;

(C) a minimum of two off-street parking spaces is required for each dwelling unit;

(D) the maximum building height is two stories for all structures; and

(E) dwelling units may vary in size and shape so long as they do not violate the indicated setback requirements;

(2) Tract B. The regulations of the MF-2 district apply.

(3) Tract C, C-1, and D. Except as provided in this paragraph, the regulations of the R-7.5 district apply. The required front yard setback on Tract C-1 is 15 feet. The required side and rear yard setback on Tracts C and C-1 is 10 feet. Off-street parking on Tracts C and C-1 is permitted within the required setbacks as shown on the site/landscape plan. (Ord. Nos. 23664; 25423)

SEC. 51P-24.110. ACCESS/PAVING REQUIREMENTS.

All streets, alleys, and/or access easements must be paved and drainage structures laid to the standards of the department of public works and transportation; all dedicated streets, as indicated

on the approved development plan, shall have 50 feet right-of-ways with 36 feet of pavement. All lots are to be served by 20-foot easements for access, utilities, and garbage collection; the dedication of the total width of any one portion of said easement is required prior to the issuance of a building permit along such a portion. All designated parking areas must have a minimum surfacing of six inches compacted gravel and two coats of penetration asphalt. All units are to be served by a continuous concrete frontage walk. (Ord. Nos. 11765; 25423)

SEC. 51P-24.111. FIRE LANE REQUIREMENTS.

Fire lanes must be provided and maintained in accordance with the requirements of the Dallas Fire Department. (Ord. Nos. 11765; 25423)

SEC. 51P-24.112. DAY NURSERY.

Lots 10, 11, and 12 in City Block D/7757 on property commonly known as 13869, 13871, and 13873 Brookgreen Drive are hereby designated for the additional use of a day nursery, upon the following express conditions:

- (1) Site plan. Use of the property for a day nursery must conform with the site plan (Exhibit 24C).
- (2) Parking. Off-street parking must be provided at the ratio of one space per each 10 children allowed plus one space per employee position. The minimum number is established as shown on the plan.
- (3) Paving. All driveways, entrances, and parking must have a minimum surfacing of six inches of compacted gravel and two coats of penetration asphalt. The developer shall bear the total cost and maintenance of all such improvements, including curb and drainage structures that may be necessary.
- (4) Ingress-egress. Off-street loading and unloading of children must be provided as shown on the site plan.
- (5) Indoor area. A minimum of 50 square feet of indoor area must be provided for each child in attendance.
- (6) Outdoor play area. A minimum of 100 square feet of outdoor area must be provided for each child in the play area at one time and located as shown on the site plan.
- (7) Fencing. The outdoor play area must be totally enclosed with a minimum four-foot-high fence as shown on the site plan.
- (8) Time limit. This use is permitted for a period of two years from the date of issuance of the certificate of occupancy.

(9) Maintenance. The entire premises must be properly maintained in a state of good repair and neat appearance at all times.

(10) Signs. All signs must follow the non-business category (Article IV) of Chapter 41, "Sign Standards," of the Dallas City Code.

(11) General requirements. The day nursery operation must comply with all additional requirements of the various departments of the city.

(12) Fire department requirements. Rooms used for day care purposes must not be located above the first story of the building as required by Section 16-147 of the Dallas Fire Code.

(13) Number of children. This day nursery is permitted a maximum of 50 children. (Ord. Nos. 15168; 25423; 26102)

SEC. 51P-24.113. LANDSCAPING.

Prior to the issuance of any certificate of occupancy on Tracts C or C-1, landscaping for Tracts C and C-1 must be provided as shown on the site/landscape plan. Plant material must be maintained in a healthy, growing condition. (Ord. Nos. 23664; 25423)

SEC. 51P-24.113.1 OFF-STREET PARKING AND LOADING.

(a) Except as provided below, consult the use regulations in Division 51A-4.200 for the specific off-street parking and loading requirements for each use.

(b) For a public school or community service center use in Tract C, a minimum of 100 off-street parking spaces is required, or the use must satisfy the requirements of Section 51A-4.200, whichever is less.

(c) For permitted uses on Tract C, required off-street parking may be located on Tract C-1.

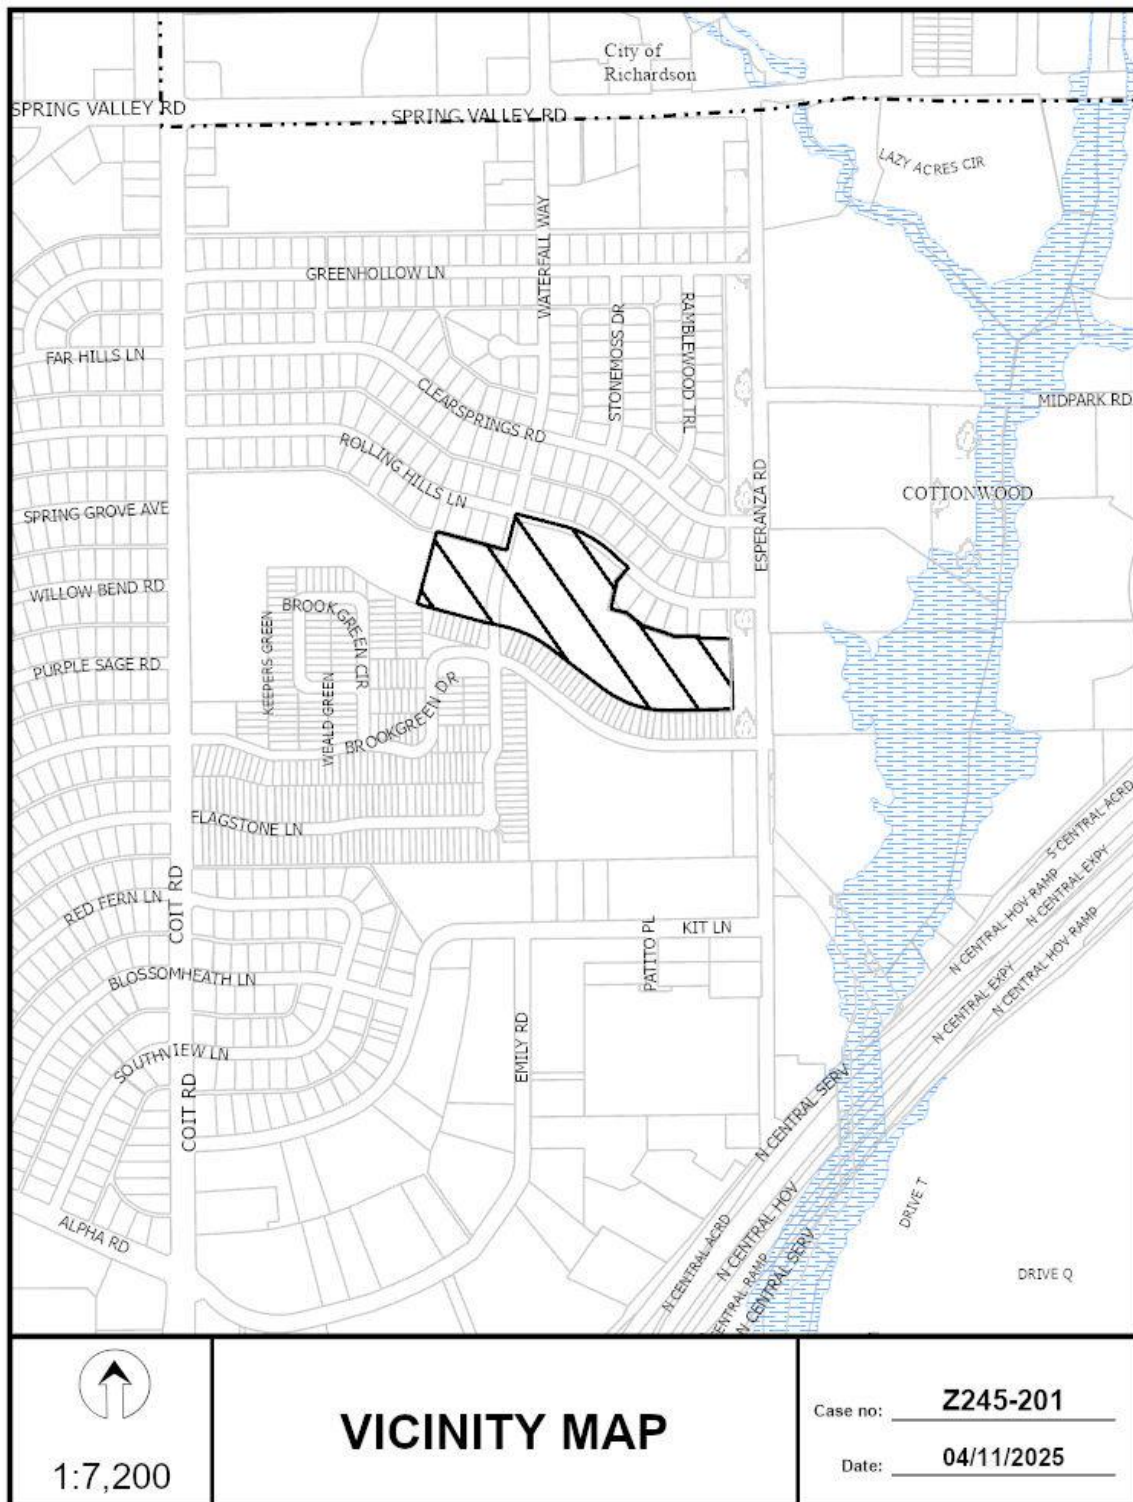

SEC. 51P-24.114. COMPLIANCE WITH CONDITIONS.

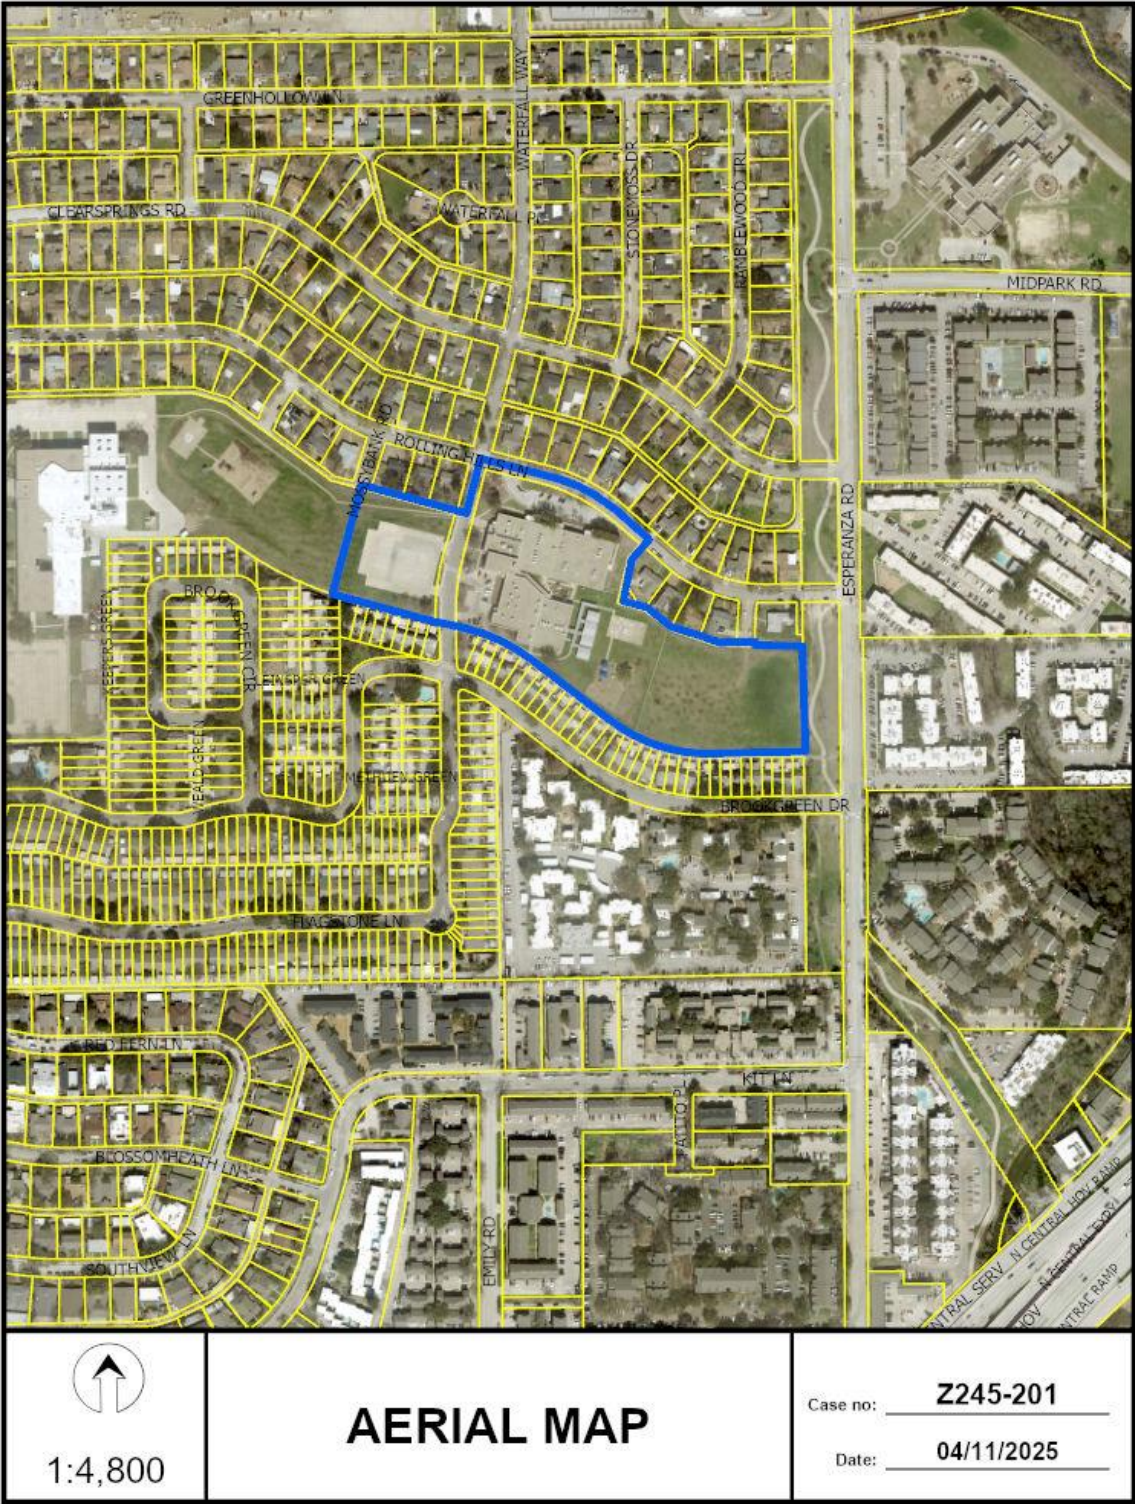

(a) All paved areas, permanent drives, streets, and drainage structures, if any, must be constructed in accordance with standard city specifications, and completed to the satisfaction of the director of public works and transportation.

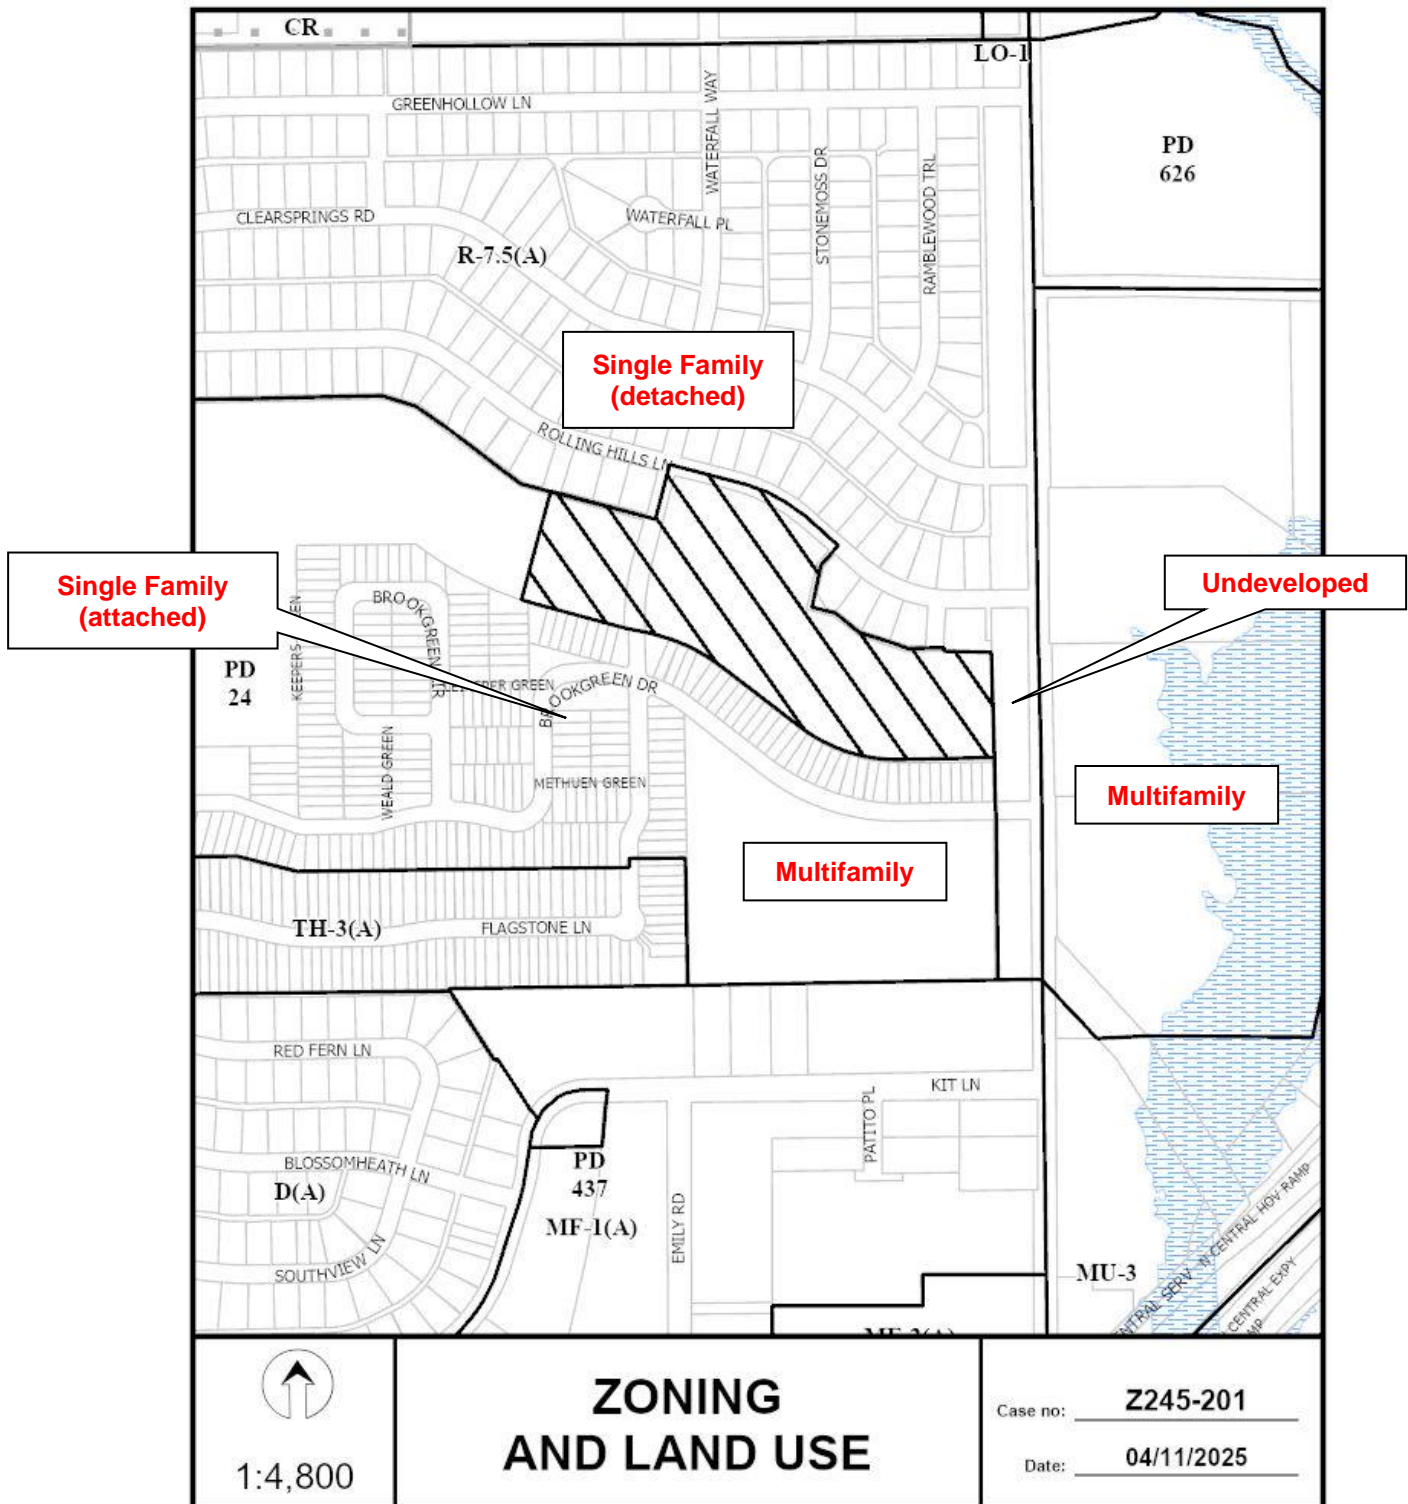

(b) No certificate of occupancy shall be issued by the building official until there has been full compliance with this article, the Dallas Development Code, and the Dallas Building Codes. (Ord. Nos. 11338; 25423; 26102)

SEC. 51P-24.115. ZONING MAP.

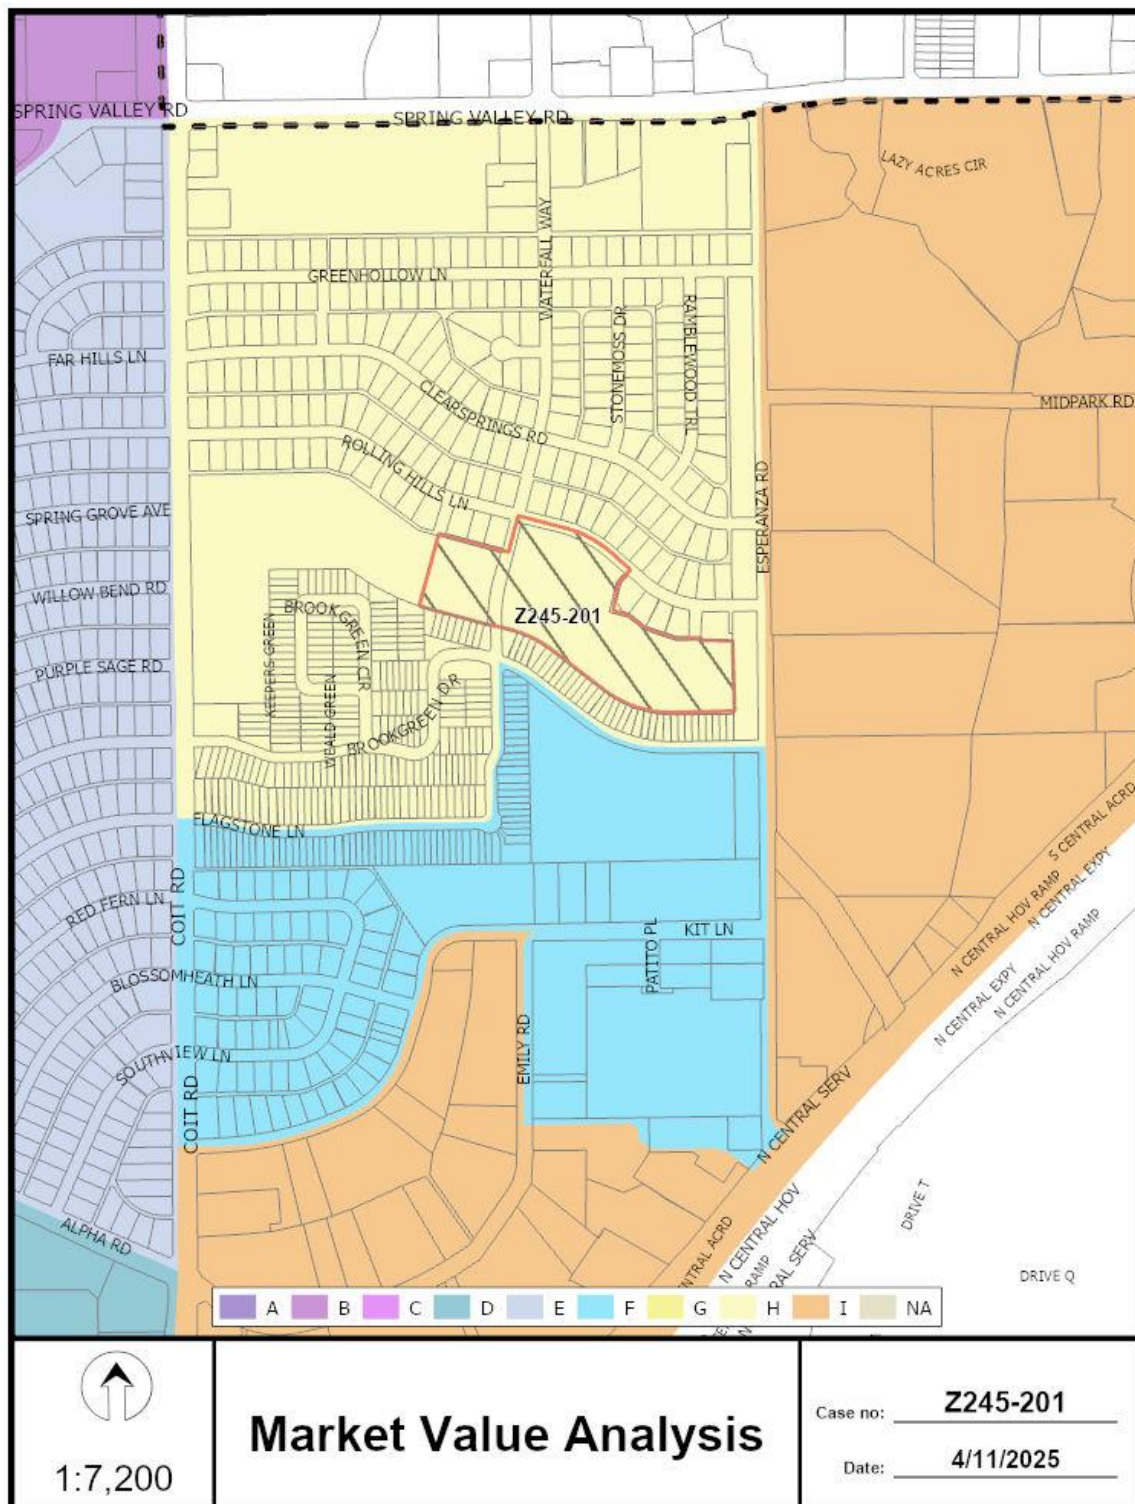

PD 24 is located on Zoning Map No. C-8. (Ord. Nos. 23664; 25423)
