LOCATION: Southwest line of Seagoville Road, northwest of Warrior Drive
COUNCIL DISTRICT: 8
SIZE OF REQUEST: 1.41 acres **CENSUS TRACT:** 48113017010

REPRESENTATIVE: CCM Engineering

OWNER: Next Stop LLC

REQUEST: An application for a TH-3(A) Townhouse District on property zoned a CR Community Retail District.

SUMMARY: The purpose of the request is to allow single family on the property.

STAFF RECOMMENDATION: Approval.

BACKGROUND INFORMATION:

- The area of request is currently zoned CR and is undeveloped.
- The area of request has frontage on Seagoville Road. Additionally, Little Fox terminates at the southwest boundary of the request area.
- The applicant proposes to develop the area of request with single-family uses.
- To accomplish this, the applicant requests a TH-3 zoning district.

Zoning History:

There have been two zoning cases in the area in the past five years.

1. **Z212-105:** On January 12, 2022, City Council approved an amendment to Specific Use Permit No. 1838 for the sale of alcoholic beverages in conjunction with a general merchandise or food store greater than 3,500 square feet on property zoned a CR-D-1 Community Retail District with a D-1 Liquor Control Overlay on the southwest line of South Belt Line Road, south of Seagoville Road.
2. **Z223-148:** On August 29, 2023, staff approved an automatic renewal of SUP No. 1838 for an additional five-year period.

Thoroughfares/Streets:

Thoroughfare/Street	Type	Existing ROW
Seagoville Road	Minor Arterial	80'
Little Fox	Local Street	-

Traffic:

The Transportation Development Services Division of the Planning & Development Department, in coordination with the Transportation Department, has reviewed the current request and has no objections to the proposed residential development. If the property is developed as a shared access development, the site must meet all shared access development standards.

Comprehensive Plan:

The *forwardDallas! Comprehensive Plan* was adopted by the City Council in June 2006 and outlines several goals and policies which can serve as a framework for assisting in evaluating the applicant's request.

Z234-263(GB)

The request complies with the following land use goals and policies of the Comprehensive Plan:

LAND USE ELEMENT

GOAL 1.1 ALIGN LAND USE STRATEGIES WITH ECONOMIC DEVELOPMENT PRIORITIES

Policy 1.1.2 Focus on Southern Sector development opportunities.

ECONOMIC ELEMENT

GOAL 2.1 PROMOTE BALANCED GROWTH

Policy 2.1.1 Ensure that zoning is flexible enough to respond to changing economic conditions.

NEIGHBORHOOD PLUS

1. Collective impact framework
2. Alleviate poverty
3. Fight blight
4. Attract and retain the middle class
5. Expand homeownership
6. Enhance rental options

Area Plan:

West Kleberg Land Use Study Plan

On April 25, 2007, the City of Dallas City Council adopted the West Kleberg Land Use Study Plan. The area of request is located in Subarea 1 of the West Kleberg Land Use Study Plan. One of the goals of the plan is to encourage low to medium density housing to meet varied income levels. The applicant's request complies with the Forward Dallas plan and the West Kleberg Land Use Study Plan.

Land Use:

	Zoning	Land Use
Site	CR	Undeveloped
Northwest	CR	Post office
Northeast	CR	Undeveloped
Southeast	R-7.5(A)	Single family
Southwest	R-5(A), R-7.5(A)	Single family

Land Use Compatibility:

The property is currently zoned community retail and is undeveloped. The areas to the southeast and southwest are developed with single-family homes. The area to the northwest is developed with a post office. The applicant's request will add diversified housing to the area which will align with the character of the neighboring single-family properties.

The townhouse districts are also established in an effort to provide a denser single-family residential character by providing minimum standards for lot area, yards, and lot coverage.

Following is a comparison table showing differences in permitted uses between the existing and proposed zoning districts.

¹ Per [Sec. 51A-4.401\(a\)\(6\)](#), if a blockface is divided by two or more zoning districts, the front yard for the entire blockface must comply with the requirements of the district with the greatest front yard requirement.

² Per [Sec. 51A-4.114\(4\)\(B\)\(v\)](#), if a townhouse district abuts a district that requires a greater side yard, the side yard requirements of the more restrictive district apply to the abutting side yard in the townhouse district.

Landscaping:

Landscaping will be provided in accordance with the landscaping requirements in Article X, as amended.

Parking:

Pursuant to the Dallas Development Code, the off-street parking requirement for single family in an TH-3(A) District is one space per dwelling unit. The applicant will be required to comply with standard parking ratios at permitting.

Market Value Analysis:

Market Value Analysis (MVA), is a tool to aid residents and policymakers in understanding the elements of their local residential real estate markets. It is an objective, data-driven tool built on local administrative data and validated with local experts. The analysis was prepared for the City of Dallas by The Reinvestment Fund. Public officials and private actors can use the MVA to more precisely target intervention strategies in weak markets and support sustainable growth in stronger markets. The MVA identifies nine market types (A through I) on a spectrum of residential market strength or weakness. As

Z234-263(GB)

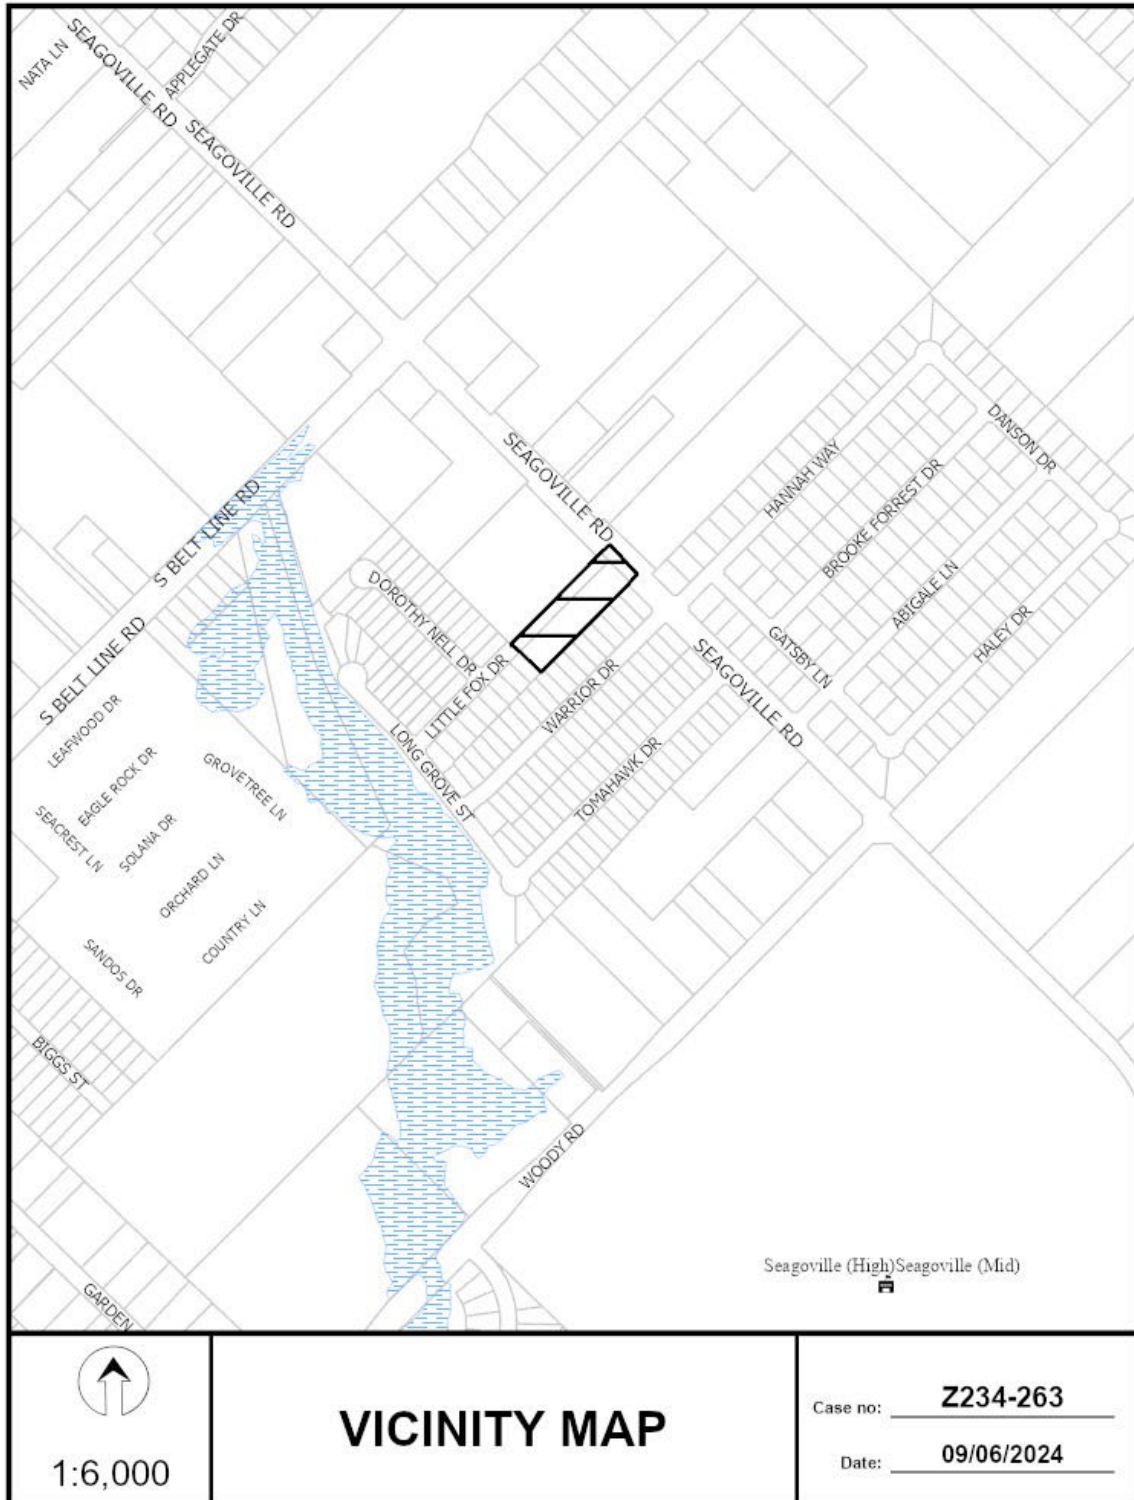

illustrated in the attached MVA map, the colors range from purple representing the strongest markets (A through C) to orange, representing the weakest markets (G through I). The area of request is “H” MVA cluster.
