 - A comparative analysis of 311 and 911 reports for panhandling prior to the Initiative vs the months of March, April, and May 2022 was completed and is attached.
- The City Attorney's Office is working with the Transportation Department and the Marshal's Office on the amendments to Dallas City Code, Chapter 13, and Chapter 28. We anticipate placing the amendments on the June 22, 2022, City Council agenda.
- Maintenance of the Forest Lane and I-75 site is twice monthly with planned DRTRR activity at the nearby encampments contributing to this hotspot.
- The next three locations are being planned now, with 3 weeks of engagement at each:
 - Martin Luther King Boulevard and SM Wright Freeway
 - Lovers Lane and I-75
 - Polk Street and Highway 67
- The cost for signage is \$4000 per 25 signs, which includes fabrication and installation.
- The Office of Homeless Solutions continues to educate and partner external organizations focused on charitable giving with the larger Continuum of Care (CoC), shelter providers. As a result of OHS' outreach to these organizations, an event is being planned for early Summer to fully engage all interested, street-based charitable giving organizations with area partners and the local CoC.
