Attention: Jordan Gregory
Board of Adjustment
City of Dallas
1500 Marilla Street
Dallas, Texas 72501

Dear Board of Adjustment Members,

I support the current board of adjustment request concerning the existing structure at half lot 2 (No. 9411) Redondo Drive, Dallas. To my knowledge, the structure has existed on-site for decades and I support the owner's proposed remodel and continued residential family use of the property. My understanding is that the structure is intended for family use only.

Yours faithfully,

Howard Hubert Jr & Mavis G
