## ADDITIONAL ABANDONMENT PROVISIONS

That as a condition hereof, this abandonment is subject to any utilities or communication facilities, including without limitation water and wastewater lines, gas lines, and storm sewers, ("Facilities") presently located within the abandoned area described in Exhibit "A", owned and/or operated by the City of Dallas or any utility or communications company, public or private, ("Utility") and to the rights of any Utility for the use of the abandoned area for its Facilities. It is the intent of the foregoing to confirm and maintain and there is hereby reserved and excepted unto the City of Dallas, and not abandoned or conveyed hereunder, an easement (to which this abandonment is made expressly subject) over, upon, under, through, in, and across the abandoned area for each Utility for its respective Facilities located therein at the time of this abandonment, together with the right to make any subsequent alterations, additions, expansions, upgrades or modifications to such Facilities as may, from time to time be deemed necessary or convenient by the Utility owning and/or operating same. No buildings, structures (above or below ground) or trees shall be constructed or placed within the abandoned area without written consent of each affected Utility. Each Utility shall have the full right to remove and keep removed all or part of any buildings, fences, trees or other improvements or growths which in any way may endanger or interfere with the construction, maintenance or efficiency of its respective Facilities lying within the abandoned area and shall at all times have the full right of ingress and egress to or from and upon the abandoned area for the purposes of reconstructing, removing, relocating, inspecting, patrolling, maintaining, expanding, upgrading, and/or adding to all or part of its Facilities without the necessity at any time of procuring the permission of anyone. The easement reserved hereunder and the conditions and restrictions to which this abandonment is subject shall remain for the benefit of the applicable Utility and/or operators of the Facilities until said Facilities are removed and relocated from the abandoned area. The relocation, removal or adjustment of any or all such Facilities, if made necessary by GRANTEE'S (whether one or more natural persons or legal entities) use of the abandonment area, shall be at the expense of GRANTEE herein, or GRANTEE'S successors and assigns. Should GRANTEE'S relocation or removal of the Facilities require the obtaining of new easements, the acquisition of same shall be at the expense of GRANTEE, GRANTEE'S successors and assigns. If any of the Facilities (or relocations thereof) are allowed to remain on any part of the abandoned area, the easements and buildings restrictions provided herein shall remain thereon. Upon removal or relocation of all of the Facilities, any easements reserved or created herein relating to such removed or relocated Facilities shall terminate, and any building restrictions herein created shall cease.
