- 8) Structures on subject property to be removed.
- 9) Trees are as shown.

OWNERS DEDICATION

NOW THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

That JOSEPH LOOMIS, does hereby adopt this plat, designating the herein described property as **LOOMIS ESTATES** an addition to the City of Dallas, Dallas County, Texas, and do hereby dedicate, in fee simple, to the public use forever any streets, alleys, and floodway management areas shown thereon. The easements shown thereon are hereby reserved for the purposes indicated. The utility and fire lane easements shall be open to the public, fire and police units, garbage and rubbish collection agencies, and all public and private utilities for each particular use. The maintenance of paving on the utility and fire lane easements is the responsibility of the property owner. No buildings, fences, trees, shrubs or other improvements or growths shall be constructed, reconstructed or placed upon, over or across the easements as shown. Said easements being hereby reserved for the mutual use and accommodation of all public utilities using or desiring to use same. All, and any public utility shall have the right to construct, maintain, or efficiency of its respective system on the easements, and all public utilities shall at all times have the full right of ingress and egress to or from the said easements for the purpose of constructing, reconstructing, inspecting, patrolling, maintaining and repairing the same. Any person who shall be guilty of obstructing or interfering with any public utility in the exercise of its rights shall be liable for the cost of the removal of such obstruction or interference. Any person who shall be guilty of obstructing or interfering with any public utility in the exercise of its rights shall be liable for the cost of the removal of such obstruction or interference. Any person who shall be guilty of obstructing or interfering with any public utility in the exercise of its rights shall be liable for the cost of the removal of such obstruction or interference.

Water main and wastewater easements shall also include additional area of working space for construction and maintenance of the systems. Additional easement area is described for installation and maintenance of manholes, cleanouts, fire hydrants, water services and wastewater services from the main to the curb or pavement line, and description of such additional easements herein granted shall be determined by their location as installed.

This plat approved subject to all plating ordinances, rules, regulations and resolutions of the City of Dallas, Texas.
