

FILE NUMBER: Z223-315(LC) **DATE FILED:** July 20, 2023
LOCATION: Northwest corner of East Jefferson Boulevard and South Marsalis Avenue
COUNCIL DISTRICT: 1
SIZE OF REQUEST: 1.72 acres **CENSUS TRACT:** 48113004800

REPRESENTATIVE: Rob Baldwin, Baldwin Associates

OWNER/APPLICANT: 549 E. Jefferson Blvd., LLC

REQUEST: An application for an MU-3 Mixed Use District on property zoned an RR Regional Retail District with H/90 Oak Cliff United Methodist Church Historic District Overlay.

SUMMARY: The purpose of the request is to allow mixed use commercial and residential units on the property.

STAFF RECOMMENDATION: Approval.

PREVIOUS CPC ACTION: At the May 2, 2024 hearing, the City Plan Commission moved to hold the case under advisement until June 6, 2024.

BACKGROUND INFORMATION:

- The area of request is currently zoned an RR Regional Retail District and developed with an existing vacant building previously used as a church, an existing vacant building previously used as a youth center, and an existing parking lot (approx. 1.72 acres total in size).
- Geographically located in southern Dallas, approx. 3 miles from downtown.
- This is a corner lot at an intersection, with frontage on both East Jefferson Boulevard and South Marsalis Avenue.
- The purpose of the request is to renovate the Historic Oak Cliff United Methodist Church and allow mixed use retail consisting of commercial and residential units while maintaining the historical aspect of the original building.
- Applicant proposes the property be rezoned to allow for the renovation of the church and mixed-use development.
- To accomplish this, the applicant is requesting a general zoning change to an MU-3 Mixed Use District.
- On May 2, 2024 the City Planning Commission moved to hold this case under advisement until a future CPC meeting date to allow the applicant time to correspond with the community and immediate neighbors.

Zoning History:

There have been two zoning cases in the area in the last five years.

1. **Z201-106:** On May 26, 2021, City Council approved a Specific Use Permit for a commercial surface parking lot on property zoned Subdistrict F (WMU-12) within Planned Development District 468, the Oak Cliff Gateway Special Purpose District, on the northwest corner of East 11th Street and South Ewing Avenue.
2. **Z212-314:** On February 22, 2023, City Council approved a Planned Development District for MF-2(A) Multifamily District uses on property zoned an RR Regional Retail District, located on the northwest corner of East 9th Street and Lansing Street.

Thoroughfares/Streets:

Thoroughfare/Street	Type	Existing/Proposed ROW
East Jefferson Boulevard	Minor Arterial	Existing ROW

South Marsalis Avenue	Community Collector	44' pavement, 60' ROW
-----------------------	---------------------	-----------------------

Traffic:

The Transportation Development Services Division of the Transportation Department has reviewed the request and determined that it will not significantly impact the surrounding roadway system. Staff will continue review of engineering plans at permitting to comply with city standards.

STAFF ANALYSIS:

Comprehensive Plan:

The *forwardDallas! Comprehensive Plan* was adopted by the City Council in June 2006 and outlines several goals and policies which can serve as a framework for assisting in evaluating the applicant's request.

The request complies with the following land use goals and policies of the Comprehensive Plan:

LAND USE ELEMENT

GOAL 1.1 ALIGN LAND USE STRATEGIES WITH ECONOMIC DEVELOPMENT PRIORITIES

Policy 1.1.2 Focus on Southern Sector development opportunities.

Policy 1.1.5 Strengthen existing neighborhoods and promote neighborhoods' unique characteristics.

GOAL 1.2 PROMOTE DESIRED DEVELOPMENT

Policy 1.2.1 Use Vision Building Blocks as a general guide for desired development patterns

GOAL 1.3 PROVIDE EQUITABLE OPPORTUNITIES FOR DALLAS RESIDENTS

Policy 1.3.1 Create housing opportunities throughout Dallas.

ECONOMIC ELEMENT

GOAL 2.1 PROMOTE BALANCED GROWTH

Policy 2.1.1 Ensure that zoning is flexible enough to respond to changing economic conditions.

Policy 2.1.2 Ensure that Area Plans include an economic development component to address the economic factors of the areas in the context of the city as a whole.

Policy 2.1.3 Support efforts to grow retail and residential opportunities in the Southern Sector.

Policy 2.1.4 Support efforts to expand targeted business and industry development within the Southern Sector.

GOAL 2.2 ENGAGE IN STRATEGIC ECONOMIC DEVELOPMENT

GOAL 2.5 FOSTER A CITY OF GREAT NEIGHBORHOODS

Policy 2.5.1 Promote strong and distinctive neighborhoods to enhance Dallas' quality of life.

Policy 2.5.2 Ensure that existing and future residential areas are appropriately linked in order to enhance economic development and urban design benefits.

URBAN DESIGN ELEMENT

GOAL 5.1 PROMOTE A SENSE OF PLACE, SAFETY AND WALKABILITY

Policy 5.1.1 Promote pedestrian-friendly streetscapes.

Policy 5.1.3 Encourage complementary building height, scale, design and character.

GOAL 5.2 STRENGTHEN COMMUNITY AND NEIGHBORHOOD IDENTITY

Policy 5.2.1 Maintain neighborhood scale and character.

Policy 5.2.3 Ensure attractive gateways into the city.

GOAL 5.3 ESTABLISHING WALK-TO CONVENIENCE

Policy 5.3.1 Encourage a balance of land uses within walking distance of each other.

ENVIRONMENT ELEMENT

GOAL 6.3 IMPROVE ENERGY EFFICIENCY AND AIR QUALITY

Policy 6.3.1 Promote green building practices.

GOAL 6.5 PROVIDE ACCESS TO PARKS, OPEN SPACES AND RECREATIONAL OPPORTUNITIES

NEIGHBORHOOD PLUS

POLICY 4.3 Enhance neighborhood desirability by improving infrastructure, housing stock, recreation, and safety.

POLICY 5.2 Encourage infill development and existing home improvements in target neighborhoods to attract and retain homeowners.

The 360 Plan:

The *360 Plan* was adopted by the City Council in December 2017 as a guide to future actions concerning land use and development regulations, transportation, economic development and capital improvement expenditures in the area generally bounded by a two-and-a-half-mile radius centered on the intersection of Main Street and Akard Street. This plan outlines three transformative strategies suggested by City Council with an overall goal that focuses on a complete and connected city center for future growth and development throughout the city.

The request complies with, but not limited to, the following transformative strategies and their respective goals of the 360 Plan:

I. BUILD COMPLETE NEIGHBORHOODS

Family-Friendly Housing
Diversity in Price Point
Diversity in Product Type

II. ADVANCE URBAN MOBILITY

The 360 Plan Urban Mobility Principles
Pedestrian District Connector

III. PROMOTE GREAT PLACEMAKING

Activate The Public Realm

Land Use:

	Zoning	Land Use
Site	RR	Vacant church and youth center with parking lot
North	RR	Commercial retail, bus terminal
South	RR, MF-2(A), NS(A)	Multifamily, Commercial retail, public library
East	PD. No. 468	Commercial retail
West	RR, MF-2(A)	Community Retail, Single family

Land Use Compatibility:

The area of request is currently developed with an existing vacant building previously used as a church, an existing vacant building previously used as a youth center, and an existing parking lot (approx. 1.72 acres total in size), all zoned an RR Regional Retail District.

To the north of the property are Regional Retail uses, developed with a bus terminal, parking and other commercial retail uses. To the south, southeast, and east of the property are MF-2(A) multifamily uses, a public library, commercial retail uses and PD 468 Subdistrict C Tr.2 WMU-3; developed with retail uses, as well as DART bus stops. To the west of the property are more regional retail and commercial uses. With this area being under development, staff finds the applicant’s requested MU-3 District with proposed mixed use commercial and residential to be appropriate and compatible with the surrounding area.

Staff supports the applicant’s request and finds the proposed rezoning from an RR District to an MU-3 District to be appropriate for this area that would benefit from a well-designed mixed use development that includes accessible commercial retail and residential uses. This compatibility is further reflected in the development standards comparison table below.

Development Standards

Following is a comparison chart of the development standards for the current RR Regional Retail District and the proposed MU-3 Mixed Use District.

District	Setback		Density	Height	Lot Cvrg	Special Standards	Primary Uses
	Front	Side/Rear					
Existing: RR	15'	20' adjacent to residential OTHER: No Min.	1.5 FAR overall 0.5 office	70' 5 stories	80%	Proximity Slope U-form setback Visual Intrusion	Retail & personal service, office
Proposed: MU-3	15'	20' adjacent to residential OTHER: No Min.	3.2 FAR base 4.0 FAR maximum + bonus for residential	270' 20 stories	80%	Proximity Slope U-form setback Tower spacing Visual Intrusion	Office, retail & personal service, lodging, residential, trade center

Following is a detail of the development bonuses available in an MU-3 District if affordable units are provided at various percentages and income bands.

District	FAR	Lot Coverage
MU-3 5% at 61-80%*	3.2 FAR base 4.0 FAR maximum +1.0 bonus for residential	80%
MU-3 10% at 61-80%*	3.2 FAR base 4.0 FAR maximum +2.0 bonus for residential	85%
MU-3 10% at 61-80%, 5% at 81-100%*	3.2 FAR base 4.0 FAR maximum +3.0 bonus for residential	85%

* Property is located in an "F" MVA area

To obtain the development bonuses listed above, the applicant would also need to adhere to the design standards for mixed-income housing provided in Chapter 51A. In general, these standards prioritize pedestrians and follow design principles compatible with the City of Dallas Complete Streets program. Development must also follow additional regulations related to fencing, parking location and design, transparency, and ground-floor doorways. Development must also include sidewalks, pedestrian lighting, and open space.

Land Use Comparison

Following is a comparison table showing differences in permitted uses between the existing and proposed zoning districts.

Trade center		•
Vehicle storage lot		
Warehouse		•

Landscaping:

Landscaping will be provided in accordance with the landscaping requirements in Article X, as amended.

Parking:

Pursuant to the Dallas Development Code, the off-street parking requirement for multifamily is one space per bedroom with a minimum of one space per dwelling unit. An additional one-quarter space per dwelling unit must be provided for guest parking if the required parking is restricted to resident parking only. No additional parking is required for accessory uses that are limited principally to residents.

If the applicant provides affordable units as part of the development, the off-street parking requirement for multifamily can be reduced to a minimum of 0.5 space per dwelling unit, provided that at least 15 percent of the required parking is available for guest parking. This would simply be the *minimum* number of required spaces – the applicant could still provide additional spaces in excess of the required minimum. The applicant would be required to comply with standard parking ratios at permitting.

Market Value Analysis:

Market Value Analysis (MVA), is a tool to aid residents and policy-makers in understanding the elements of their local residential real estate markets. It is an objective, data-driven tool built on local administrative data and validated with local experts. The

analysis was prepared for the City of Dallas by The Reinvestment Fund. Public officials and private actors can use the MVA to target intervention strategies more precisely in weak markets and support sustainable growth in stronger markets. The MVA identifies nine market types (A through I) on a spectrum of residential market strength or weakness. As illustrated in the attached MVA map, the colors range from purple representing the strongest markets (A through C) to orange, representing the weakest markets (G through I). The area of request is currently in an “F” MVA area. To the north of the site are “E”, “F” and “I” MVA areas. To the east, south, and west of the site is the “F” MVA area.
