WHEREAS, on August 22, 2023, the Corporation adopted a resolution declaring its intent to enter into a lease agreement with the Applicant or its affiliate and the authorization to negotiate and execute a term sheet with the Applicant; and

WHEREAS, pursuant to the Act and the governing documents, the City desires to authorize the Corporation's ownership of the Project to be located in an uncategorizable Market Value Analysis (MVA) market type and a lease agreement with the Applicant or its affiliate in order to provide mixed-income, workforce housing to the "missing middle" of the market: residents that earn above 60% AMI but would be cost burdened by market rents in the City. The rents for individuals and families earning below 80% AMI are included to provide deeper affordability at this property.
