Primary Focus Areas

- Interagency Initiatives
- Community Engagement
- Equipment & Infrastructure Inventory
- Safety Strategy Guidelines

Dallas Safe Parks Dashboard

Dallas Safe Parks Dashboard

DBI Request

- Automate Park Ranger and Marshal reporting to stakeholders and residents
- Provide insights on Park Ranger and Dallas Marshal performance and activities
- Ease of Communication with residents and stakeholders

Dallas Safe Parks Dashboard

Deliverables

- A pathway to automate Park Rangers and Marshals data
- Dashboard that provides transparency to stakeholders and Dallas residents

Next Steps

- Continue to gain insight from the Park Board Safety Ad-Hoc Committee.
- Develop dashboard roll-out plan with DBI
- Analyze data to identify trends that leverage proactive responses and strategies
