Purpose

- To develop an organizational standard for engagement and outreach that exemplifies the City's core values and strategic priorities.

Values of Service and Strategic Priorities

Strategic Priorities	
	ECONOMIC DEVELOPMENT
	ENVIRONMENT & SUSTAINABILITY
	GOVERNMENT PERFORMANCE & FINANCIAL MANAGEMENT
	HOUSING & HOMELESSNESS SOLUTIONS
	PUBLIC SAFETY
	QUALITY OF LIFE, ARTS, & CULTURE
	TRANSPORTATION & INFRASTRUCTURE
	WORKFORCE, EDUCATION, & EQUITY

Current Engagement and Outreach Strategy

- Ad hoc approach by department
- Translation and accessibility differs based on engagement and outreach need; not consistent
- Decentralized repository of resources and support

Strategic Engagement and Outreach

Defining the terms

Engagement

- Collaborative processes between organizations/institutions and communities impacted by their policies, programs, or practices to influence decisions and actions through the mutually beneficial and bidirectional exchange of resources, expertise, and information

Outreach

- One-sided activities and processes related to raising awareness, disseminating information, or training external partners to connect their constituents or members with a service, program, or information

Best Practices

1. Identify

- What is the issue?
 - Clarify, define, and analyze
 - 5 Why's
- What is the purpose of the meeting?
 - Inform
 - Consult
 - Involve
 - Collaborate

1. Identify

Inform

- Communicating information about an issue

Consult

- Gather input on an issue, problem, or process that is under consideration

Involve

- Participation throughout the process

Collaborate

- Identifying and developing recommendations and alternative solutions

2. Strategize

- Match stakeholders to engagement purpose
- Develop key message(s)
 - Talking points
 - Handouts
 - Presentations
- Leverage communication methods best suited to audience; specific communications plan

3. Implement

- Which resources can be allocated for this purpose?
 - Financial, personnel, etc.
- How, when, and where should the messages be distributed?
- Who is the point personnel to deploy resources?
- Contact person for stakeholders?
- Develop and deploy meeting management tools
 - Facilitator
 - Agenda
 - Presentation
 - Sign-Up Sheet
 - Language Access
 - Audio/Visual
 - Security

4. Evaluate

- Ties back to goal and purpose of the engagement; was the goal accomplished?
- What type of evaluation is needed?
 - **Process** – improve process for future engagement
 - **Summative** – assess outcomes and impacts of the engagement
 - **Formative** – inform the development of recommendations for the program/policy/funding
- How do we want to report the information back to the community?

Phased Implementation

Approach

Goals

- Communicate clear goals and objectives for City-led engagement and outreach
- Create a model for advancing mutually beneficial relationships with community
- Build trust in communities that respects and honors their engagement
- Establish expectations and responsibilities for accountability
- Increase civic participation in decision-making and policy development

Next Steps

- Engage City Council to receive feedback on the best practices and approach
- Collaborate with community to refine and formalize the framework
- Establish a City-wide 'Strategic Engagement and Outreach Framework'
- Develop and deploy training for all departments
