
FILE NUMBER: Z234-178(MB) **DATE FILED:** February 26, 2024
LOCATION: North line of East Northwest Highway, east of Lockhaven Drive
COUNCIL DISTRICT: 10
SIZE OF REQUEST: 3.65 acres **CENSUS TRACT:** 48113013005

REPRESENTATIVE: Rob Baldwin, Baldwin Associates

OWNER: North Lake Meridian, LLC

APPLICANT: The Javelin Group, LLC

REQUEST: An application for a TH-3(A) Townhouse District on property zoned an LO-1 Limited Office District.

SUMMARY: The purpose of the request is to allow development of single-family housing.

STAFF RECOMMENDATION: **Approval.**

PRIOR CPC ACTION: On July 11, 2024, CPC moved to hold this case under advisement until July 25, 2024.

BACKGROUND INFORMATION:

- The area of request is currently zoned an LO-1 Limited Office District. The property is currently developed with a vacant office building.
- The lot has frontage on East Northwest Highway, with a service road separating the lot from the main street.
- The applicant proposes to develop this property with single family housing.
- To accomplish this, they request a TH-3(A) Townhouse District.
- Since the last hearing, there have been no changes made to the case report.

Zoning History:

There have been no zoning cases in the area within the last five years.

Thoroughfares/Streets:

Thoroughfare/Street	Type	Existing/Proposed ROW
East Northwest Highway	Principal Arterial	107 feet

Traffic:

The Transportation Development Services Division of the Transportation Department has reviewed the request and determined that it will not have a significant impact on traffic.

STAFF ANALYSIS:

Comprehensive Plan:

The *forwardDallas! Comprehensive Plan* was adopted by the City Council in June 2006 outlining several goals and policies which can serve as a framework for assisting in evaluating the applicant's request.

The request complies with the following land use goals and policies of the Comprehensive Plan:

LAND USE ELEMENT

GOAL 1.1 ALIGN LAND USE STRATEGIES WITH ECONOMIC DEVELOPMENT PRIORITIES

Policy 1.1.7 Ensure appropriately located capacity to achieve growth targets.

GOAL 1.2 PROMOTE DESIRED DEVELOPMENT

Policy 1.2.1 Use Vision Building Blocks as a general guide for desired development patterns.

GOAL 1.3 PROVIDE EQUITABLE OPPORTUNITIES FOR DALLAS RESIDENTS

Policy 1.3.1 Create housing opportunities throughout Dallas.

ECONOMIC ELEMENT

GOAL 2.1 PROMOTE BALANCED GROWTH

Policy 2.1.1 Ensure that zoning is flexible enough to respond to changing economic conditions.

URBAN DESIGN ELEMENT

GOAL 5.2 STRENGTHEN COMMUNITY AND NEIGHBORHOOD IDENTITY

Policy 5.2.1 Maintain neighborhood scale and character.

NEIGHBORHOODS ELEMENT

GOAL 7.1 PROMOTE VIBRANT AND VIABLE NEIGHBORHOODS

Policy 7.1.2 Promote neighborhood-development compatibility.

Policy 7.1.6 Follow a consistent neighborhood planning framework.

Neighborhood Plus Plan

Goal 4 Attract and Retain the Middle Class

Policy 4.3 Enhance neighborhood desirability by improving infrastructure, housing stock, recreation, and safety.

District 10 Strategic Plan

The District 10 Strategic Plan, adopted by City Council on June 14, 2006, is intended to “strengthen Northeast Dallas communities, boost economic investment, and enhance the infrastructure within the district.”

The strategic plan identified several community needs and goals. Two needs identified in the plan were a lack of diversity in housing types and a lack of homes to absorb future growth.

The proposed change complies with the following goals in the District 10 Strategic Plan:

Goal 1 Establish a Plan for District 10 Supporting the Vision for Northeast Dallas Communities

- Create and maintain neighborhood identity through sensitive development and urban design

Goal 2 Support Development that Promotes the Community Vision

- Support land use and zoning compatible with the vision
- Encourage owner-occupied residential development for a diversity of incomes and lifestyle needs
- Develop strategies that encourage reinvestment in deteriorating and vacant commercial areas

Land Use:

	Zoning	Land Use
Site	LO-1 Limited Office	Office (vacant)
North	R-7.5(A) Single Family	Single family
South	PD No. 906	Mini-warehouse
East	PD No. 775	Retirement housing, undeveloped
West	R-7.5(A)	Single family

Land Use Compatibility:

The area of request is currently developed with a vacant office building. The site is bordered by R-7.5(A) Single Family to the north and west, and two Planned Development Districts to the east and south. To the north and west are single family houses. To the east is an undeveloped site and retirement housing. To the south is a mini-warehouse.

The site is currently zoned an LO-1 Limited Office District. The applicant proposes a TH-3(A) Townhouse District which would allow for the development of single family housing, which is prohibited under the current LO-1 District.

Staff finds that the requested district and proposed development are compatible with the surrounding uses. The TH-3(A) District allows for both attached and detached single family housing, providing flexibility in development. The TH-3(A) Townhouse District allows up to 12 dwelling units per acre; applicant proposes 33 dwelling units total.

The area of request is within the *forwardDallas!* urban neighborhood area / main street vision building block, which recommends denser living, working, and shopping options along the main street corridor while giving way to lower density development away from the main street. As this site fronts Northwest Highway, staff considers it appropriate. The proposal also furthers the comprehensive plan's goals of strengthening neighborhood identity and promoting vibrancy and viability of neighborhoods. Staff finds that the proposed zoning change would further these goals by allowing residential development that complements the existing residential and retirement housing surrounding the site.

The area of request also supports the community vision of the District 10 Strategic Plan. The proposed change would allow the development of housing, which addresses the needs identified in the Strategic Plan. Replacing the vacant office site with single-family residential would strengthen the character and identity of the neighborhood. As such, staff recommends approval of the request.

Development Standards

Following is a comparison of the development standards of the current LO-1 Limited Office District and the proposed TH-3(A) Multifamily District.

District	Setback		DU Density / Lot Size	Height	Lot Cvrg.	Special Standards	Primary Uses
	Front	Side/Rear					
Existing: LO-1	15'	20' adjacent to residential districts No min. all other cases	No max DU, no min. lot size	70' ¹	80% max	-	Office
Proposed: TH-3(A)	No minimum	Single family: no min. Duplex side: 5' Duplex rear: 10'	12 du / ac ² Single family: 2,000 sqft min. Duplex: 6,000 sqft min.	36'	60% residential 25% nonresidential	-	Residential

¹ If any portion of a structure is over 26 feet in height, that portion may not be located above a residential proximity slope originating in an R, R(A), D, D(A), TH, or TH(A) district.

Landscaping:

Landscaping and tree preservation are required in accordance with the requirements in Article X, as amended.

Parking:

Pursuant to the Dallas Development Code, the base off-street parking requirement for single family use in a TH-3(A) Townhouse District is one space per dwelling unit. This is the same parking requirement as required in an R-7.5(A) Single Family District.

Market Value Analysis:

Market Value Analysis (MVA), is a tool to aid residents and policy-makers in understanding the elements of their local residential real estate markets. It is an objective, data-driven tool built on local administrative data and validated with local experts. The analysis was prepared for the City of Dallas by The Reinvestment Fund. Public officials and private actors can use the MVA to more precisely target intervention strategies in weak markets and support sustainable growth in stronger markets. The MVA identifies nine market types (A through I) on a spectrum of residential market strength or weakness. As illustrated in the attached MVA map, the colors range from purple representing the strongest markets (A through C) to orange, representing the weakest markets (G through I). The area of request is within an “E” MVA area.
