August 10, 2022

WHEREAS, the Deep Ellum Foundation provided City staff with the proposed District 2023 Service Plan and 2022 Assessment Plan as shown in **Exhibits B and C**; and

WHEREAS, City Council must review the proposed 2023 Service Plan and 2022 Assessment Plan and hold a public hearing to provide a reasonable opportunity for any owner of property located within the District to speak for or against the proposed 2022 assessment against real property and real property improvements exclusive of right-of-way, to continue funding for the District for the purpose of providing supplemental services and improvements.

Now, Therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That pursuant to the requirements of the Act, the City Council, after reviewing the proposed 2023 Service Plan and the proposed 2022 Assessment Plan for the Deep Ellum Public Improvement District (the District), will consider approval of the final 2023 Service Plan and 2022 Assessment Plan, subject to the public hearing on August 24, 2022.

The City Council makes the following findings concerning the Service Plan for the District:

- (a) Advisability of the Services Proposed for the District.** The District promotes the interests of the City and confers a special benefit to the property within its boundaries and it is advisable to continue the District and to provide the services and improvements described in this resolution.
- (b) Nature of the Services and Improvements.** The purpose of the District is to supplement and enhance services provided within the District, but not to replace or supplant existing City services provided within the District. The general nature of the proposed services and improvements to be performed by the District includes, but is not limited to, enhanced security and public safety, capital improvements, improvement of common areas including ROW, landscaping, trash/litter removal, graffiti control, marketing and promotional activities, distinctive lighting and signage, business development and recruitment to promote the area, and related expenses incurred in establishing, administering and operating the District as authorized by the Act.
- (c) Estimated Cost of the Services and Improvements.** During the next five-year period, the estimated annual cost of the improvements and services provided by the District is expected to range from a low of \$1,276,470.00 in 2023 to a high of \$2,232,554.00 in 2027. The total estimated net assessments to be collected during the next five-year period is approximately \$8,606,448.00. The District shall incur no bonded indebtedness.

SECTION 1. (continued)

- (d) **Boundaries.** The boundaries of the District are located wholly within the City of Dallas, Dallas County, Texas. The boundaries of the District are as shown in **Exhibit A.**
- (e) **Method of Assessment.** The assessment shall apportion the costs each year among the property owners on the basis of special benefits accruing to the property. The proposed method of assessment, which may specify included or excluded classes of assessable property, shall be assessed according to the value of the real property and real property improvements as determined by DCAD. The net assessment amount for the 2023 Service Plan year is proposed to be \$1,272,470.00 This amount is approximately equal to \$0.1200 per \$100.00 valuation. Once levied, this assessment rate shall not increase during the 2023 Service Plan year. Future annual assessment rates, however, may be increased up to a maximum of \$0.15 per \$100.00 valuation subject to appropriations set forth in the petition that created the District. Any future increase in the assessment rate would also be subject to a public hearing and approval by the City Council.

The real property of jurisdictions and entities that have obtained an exemption from the City of Dallas real property taxes pursuant to the Texas Tax Code (except under the provisions of Sections 11.24 and 11.28 of the Texas Tax Code) will not be subject to an assessment on that portion of the assessed value of the property exempt from City real property taxes. Payment of assessments by other exempt jurisdictions and entities must be established by contract.

- (f) **Apportionment of costs between the District and the Municipality as a Whole.** The assessment is levied on the real property and real property improvements in the District according to the value of such property. Levying the assessment for the services and improvements based on the appraised value of the property results in the apportionment of the costs on the basis of special benefits accruing to the property. City rights-of-way, railroad right-of-way, City parks and cemeteries are not specially benefitted and therefore are not subject to assessment. The City of Dallas is not responsible for payment of assessment against exempt City property in the District.

SECTION 2. That the facts and recitations contained in the preamble of this resolution are hereby found and declared to be true and correct.

SECTION 3. That a virtual and in-person public hearing shall be held no earlier than 1:00 p.m. on August 24, 2022, in the City Council Chambers, Dallas City Hall, 6th floor, 1500 Marilla Street, Dallas, Texas, 75201, at which time any interested person may appear and speak for or against the setting of an assessment against real property and real property improvements, exclusive of rights-of-way, to continue funding for the District for the purpose of providing supplemental services and improvements.

August 10, 2022

SECTION 4. That notice of such public hearing shall be published in the official newspaper of the City of Dallas and mailed to the property owners in the District before the 10th day before the public hearing.

SECTION 5. That after the public hearing, the City Council may consider approval of an ordinance establishing classifications for the apportionment of costs and the methods of assessing special benefits accruing to property in the District because of the services and improvements in the District, approving and adopting the 2022 Assessment Roll on file with the City Secretary; approving the Service Plan for 2023; closing the hearing and levying assessments for the cost of certain services and/or improvements to be provided in the District during 2023; fixing charges and liens against the property in the District and against the owners thereof; providing for the collection of the assessment; providing for the filing of the Service Plan; and providing an effective date.

SECTION 6. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.
