Planning & Development Update

- Financial capacity for a 2024 General Obligation Bond Program forecasts an approximate \$1 billion, assuming \$200 million over five years of issuance.
 - Analysis considers:
 - Maintaining current debt service tax rate of 20.55¢ per \$100 valuation,
 - Continued payment of current outstanding debt,
 - Use of Commercial Paper as short-term just-in-time financing for bond program,
 - Issuance of remaining unissued 2017 General Obligation bonds,
 - Annual issuance of Master Lease and/or Equipment Acquisition Notes for fleet and other equipment.
- There is an estimated \$1 Million cost for a May 2024 bond election (cost-share feasible if other referendums are being considered during this timeframe).

Planning & Development Update

- The Capital Infrastructure Dashboard is intended to be a one-stop-shop used by the City Infrastructure Teams to review project costs, project details, and the project locations for overlapping/intersection opportunities.
- It is anticipated that this dashboard will phase-out the current City's Needs Inventory GIS Mapping Tool.
- Staff is working on a public facing feature to allow the community to access this information.

Planning & Development Update

- **What is the Community Bond Task Force (CBTF)?**
 - A 15-member Task Force; Chair appointed by the Mayor and one member appointed by each Dallas City Council Member
 - Will assist the Dallas City Council in reviewing and selecting projects for consideration of the 2024 Capital Bond Program.
 - Sub-committees of 15 members each (similar representation as the CBTF) will assist to develop each proposition.
 - The CBTF, along with the City Manager, will recommend a 2024 Capital Bond Program to the City Council in Jan./Feb. 2024.
 - CBTF and Sub-committees to be appointed by March 2023; a memo will be distributed to City Council with guidelines and Appointee Form in February 2023.

The screenshot shows the official website of the City of Dallas, Office of Bond & Construction Management. The header includes the City of Dallas logo and navigation links for Resident, Visitor, Business, Government, News, and a 311 service link. The main banner features a photograph of the city's modern architecture. Below the banner, a sidebar on the left contains links to Home, About, 2017 Bond Program Information, 2024 Capital Bond Program Information, and Frequently Asked Questions. The main content area is titled 'Office of Bond and Construction Management' and includes a 'Mission' statement, contact information for Director Adriana Castaneda and Assistant Director Atalia Anaya, and a '2024 Capital Bond Program Request Form' button.

The image displays the '2024 Capital Bond Program Request Form' from the City of Dallas. The form is set against a blue background with a stylized cityscape illustration on the left and a bus on the right. The title 'City of Dallas 2024 Capital Bond Program Request Form' is prominently displayed at the top. Below the title, the form requests a project to be added to the City's Needs Inventory. A 'Capital Project Eligibility Review' section lists four criteria: 1) The project must be a maintenance-related or eligible capital project. 2) Staff will include the eligible capital project to the City's Department's 'Needs Inventory,' with an estimated cost. 3) During the planning of a bond program, staff from various City Departments will review and prioritize each project in the City's Needs Inventory through a Technical Criteria Process. 4) A recommended list of capital projects will be provided to the council member from each district for review and feedback. The form also states that City Council will vote to approve the bond capacity and bond election date, and that after capital projects are selected for the Bond Program and approved through the bond election, capital projects will be scheduled for implementation. A 'Required' section follows, with the first question being '1. Requestor First Name *', which has a text input field below it.
