

FILE NUMBER: Z234-207(LG) **DATE FILED:** April 11, 2024
LOCATION: Southwest corner of Greenville Avenue and Old Greenville Road, south of Forest Lane and north of Royal Lane
COUNCIL DISTRICT: 10
SIZE OF REQUEST: Approx. 0.852 acres **CENSUS TRACT:** 48113007805

APPLICANT: Mark Weatherford
OWNER: Crew of Two, LLC
REPRESENTATIVE: Rob Baldwin, Baldwin Associates
REQUEST: An application for a TH-3(A) Townhouse District with deed restrictions volunteered by the applicant on property zoned an R-7.5(A) Single Family District.
SUMMARY: The purpose of the request is to allow a single family townhouse development.

STAFF RECOMMENDATION: Approval.

PRIOR CPC ACTION: On August 8, 2024, the City Plan Commission held this item under advisement to September 5, 2024. On September 5, 2024, the City Plan Commission held this item under advisement to October 24, 2024.

BACKGROUND INFORMATION:

- The area of request is currently undeveloped.
- The applicant is proposing to develop the site with nine detached residential homes; therefore, they are requesting a TH-3(A) District.
- The applicant has also volunteered deed restrictions that would 1) limit the property to a maximum of nine dwelling units, 2) require a minimum side yard of three feet, 3) limit a maximum height of 30 feet, and 4) limit maximum of stories above grade to two stories.
- Staff recommends a base TH-3(A) District because the deed restrictions as proposed do not offer significant regulatory oversight beyond the base district.
- On August 8, 2024, the City Plan Commission held this item under advisement to September 5, 2024.
- On September 5, 2024, the City Plan Commission held this item under advisement to October 24, 2024. No changes have been made to the request since the last hearing.

Zoning History:

There has been one zoning case in the area in the last five years.

1. **Z201-311:** On March 9, 2022, the City Council approved an application to amend Planned Development District No. 393, subject to a subarea map, a conceptual plan, and conditions on the northwest corner of Greenville Avenue and Old Greenville Road.

Thoroughfares/Streets:

Thoroughfare/Street	Type	Existing/Proposed ROW
Greenville Avenue	Principal Arterial	100 feet Bike Plan
Old Greenville Road	Local Street	50 feet

Traffic:

The Transportation Development Services Division of the Planning and Development Department, in coordination with the Transportation Department has reviewed the request and determined that it will not significantly impact the surrounding roadway system pending commensurate improvements. The project will be responsible for traffic signal upgrades as it continues through the development review process.

STAFF ANALYSIS:

Comprehensive Plan:

The *forwardDallas! Comprehensive Plan* was adopted by the City Council in June 2006 outlining several goals and policies which can serve as a framework for assisting in evaluating the applicant's request.

The request is consistent with the following land use goals and policies of the Comprehensive Plan:

LAND USE ELEMENT

GOAL 1.1 ALIGN LAND USE STRATEGIES WITH ECONOMIC DEVELOPMENT PRIORITIES

Policy 1.1.5 Strengthen existing neighborhoods and promote neighborhoods' unique characteristics. Acknowledge the importance of neighborhoods to the city's long-term health and vitality.

GOAL 1.3 PROVIDE EQUITABLE OPPORTUNITIES FOR DALLAS RESIDENTS

Policy 1.3.3 Create housing opportunities throughout Dallas.

ECONOMIC ELEMENT

GOAL 2.1 PROMOTE BALANCED GROWTH

Policy 2.1.1 Ensure that zoning is flexible enough to respond to changing economic conditions.

GOAL 2.5 FOSTER A CITY OF GREAT NEIGHBORHOODS

Policy 2.5.1 Promote strong and distinctive neighborhoods to enhance Dallas' quality of life.

URBAN DESIGN ELEMENT

GOAL 5.1 PROMOTE A SENSE OF PLACE, SAFETY, AND WALKABILITY

Policy 5.1.3 Encourage complementary building height, scale, design, and character.

GOAL 5.2 STRENGTHEN COMMUNITY AND NEIGHBORHOOD IDENTITY

Policy 5.2.1 Maintain neighborhood scale and character.

NEIGHBORHOOD PLUS

GOAL 4 ATTRACT AND RETAIN THE MIDDLE CLASS

Policy 4.1 Promote Dallas as a city of neighborhoods and publicize neighborhood assets and programs.

Policy 4.3 Enhance neighborhood desirability by improving infrastructure, housing stock, recreation and safety.

GOAL 5 EXPAND HOMEOWNERSHIP

Policy 5.1 Encourage a wider range of well-designed and affordable housing types as a response to emerging homeownership preference.

Area Plans

District 10 Land Use Study was adopted by City Council in June 2006. Council District 10 is an area generally defined as Northeast Dallas and is bound by the Dallas City Limits to the north and east, Northwest Highway to the south, and U.S. Highway 75 and the White Rock Greenbelt to the west. The focus of the District 10 community is the enhancement of community assets and enhancement of future community growth, while maintaining the attributes that make District 10 an attractive community. Community goals focus on:

- Goal 1: Establish a Plan for District 10 Supporting the Vision for Northeast Dallas Communities.
- Goal 2: Support Development that Promotes the Community Vision
- Goal 3: Encourage Economic Investment
- Goal 4: Improve Community Infrastructure

The applicant's request is consistent with the goals of District 10 Land Use Study. The proposed use encourages owner-occupied residential development for a diversity of incomes and lifestyle needs.

Land Use:

	Zoning	Land Use
Site	R-7.5(A) Single Family	Undeveloped
North	Subarea 2 within PD No. 383	Under construction (single family)
East	R-7.5(A) Single family	Single family
South	R-7.5(A) Single family	Single family
West	R-7.5(A) Single family	Single family

Land Use Compatibility:

The area of request is an approximately 0.852 acres undeveloped parcel. It is currently zoned R-7.5(A) Single Family District. Properties to the east, south, and west are developed with single family uses under R-7.5(A) District. North of the site there is a property under construction with single family under Planned Development No. 383.

The applicant proposes a TH-3(A) Townhouse District to permit development of nine detached residential homes. Staff finds that the requested district and proposed development are compatible with the surrounding land uses. This request also allows for the development of infill housing in a manner that is consistent with future land uses.

In addition to the request for a TH-3(A) District, the applicant has volunteered deed restrictions that would further restrict development of the property and require development to be compatible in appearance with surrounding uses. The applicant's volunteered deed restrictions would 1) limit the property to a maximum of nine dwelling units, 2) require a minimum side yard of three feet, 3) limit a maximum height of 30 feet, and 4) limit maximum of stories above grade to two stories.

Although the request TH-3(A) District would be different from surrounding zoning districts, the proposed single family land use is compatible with the surrounding uses. Additionally, the applicant's request will create additional housing options within the area in proximity to nearby goods, services, and area schools and therefore, staff supports the proposed TH-3(A) District request.

Development Standards

Following is a comparison of the development standards of the current R-7.5(A) District and the proposed TH-3(A) District.

District	Setback		Density	Height	Lot Cvrg.	Primary Use
	Front	Side/Rear				
Existing: R-7.5(A)	25 ft.	SF: 5 ft. Other: Side: 10 ft. Rear: 15 ft.	1/7,500 sq. ft	30 ft.	45% Res. 25% Nonres.	Single family
Proposed: TH-3(A)	0 ft.	SF: 0 ft. ¹ Duplex: Side: 5 ft. Rear: 10 ft. Other: 10 ft.	Min. Lot: 2,000 sq. ft. Min. Lot (Duplex): 6,000 sq. ft. 12 du/acre ²	36 ft. ³	65% Res. 25% Nonres.	Single family

¹Applicant has volunteered deed restrictions that would require a minimum side yard of three feet.

²Applicant has volunteered deed restrictions that restrict the property to a maximum of nine dwelling units.

³Applicant has volunteered deed restrictions that limit the maximum height to 30 feet.

³Applicant has volunteered deed restrictions that limit the maximum stories to two stories.

Landscaping:

Landscaping must be provided in accordance with the landscaping requirements of Article X, as amended.

Parking:

Pursuant to the Dallas Development Code, off-street parking requirement for single family in the TH District is one space. The applicant will be required to comply with standard parking ratios at permitting.

Market Value Analysis:

Market Value Analysis (MVA), is a tool to aid residents and policy-makers in understanding the elements of their local residential real estate markets. It is an objective, data-driven tool built on local administrative data and validated with local experts. The analysis was prepared for the City of Dallas by The Reinvestment Fund. Public officials and private actors can use the MVA to more precisely target intervention strategies in weak markets and support sustainable growth in stronger markets. The MVA identifies nine market types (A through I) on a spectrum of residential market strength or weakness. As illustrated in the attached MVA map, the colors range from purple representing the strongest markets (A through C) to orange, representing the weakest markets (G through I). The area of request is currently within an “E” MVA area.
