SURVEY NOTES:

- The Basis of Bearings is State Plane Coordinate System, North Texas Central Zone 4202, North American Datum of 1983, Adjustment realization 2011.
- Coordinates shown are Texas State Plane Coordinate System, North Central Zone 4202, North American Datum of 1983 on Grid Coordinate Values, No Scale and No Projection.
- The purpose of this plat is to create 3 buildable lots from a 2.886 acre tract of land.
- Lot to Lot drainage will not be allowed without City of Dallas Paving & Drainage Engineering section approval.
- All Detention Easement corners have been monumented with 1/2-inch iron rods with cap stamped "GEONAV".

That GOLDEN STAR HOLDINGS, LLC acting by and through its duly authorized agent, does hereby adopt this plat, designating the herein described property as NEELAM ADDITION, an addition to the City of Dallas, Dallas County, Texas, and do hereby dedicate, in fee simple, to the public use forever any streets, alleys, and floodway management areas shown thereon. The easements shown thereon are hereby reserved for the purposes indicated. The utility and fire lane easements shall be open to the public, fire and police units, garbage and rubbish collection agencies, and all public and private utilities for each particular use. The maintenance of paving on the utility and fire lane easements is the responsibility of the property owner. No buildings, fences, trees, shrubs, or other improvements or growths shall be constructed, reconstructed or placed upon, over or across the easements as shown. Said easements being hereby reserved for the mutual use and accommodation of all public utilities using or desiring to use same. All, and any public utility shall have the right to remove and keep removed all or parts of any building, fences, trees, shrubs, or other improvements or growths which in any way may endanger or interfere with the construction, maintenance or efficiency of its respective system on the easements, and all public utilities shall at all times have the full right of ingress and egress to or from the said easements for the purpose of constructing, reconstructing, inspecting, patrolling, maintaining and adding to or removing all or parts of its respective systems without the necessity of any time of procuring the permission of anyone. (Any public utility shall have the right of ingress and egress to private property for the purpose of reading meters and any maintenance or service required or ordinarily performed by that utility).

Notwithstanding the general easement language recited above, the detention area easement shown on this plat is hereby dedicated to the public use forever, and may not be used in a manner inconsistent with the DETENTION AREA EASEMENT STATEMENT recited on this plat, which statement is hereby adopted and accepted.

Water main and wastewater easements shall also include additional area of working space for construction and maintenance of the systems. Additional easement area is also conveyed for installation and maintenance of manholes, cleanouts, fire hydrants, water services and wastewater services from the main to the curb or pavement line, and description of such additional easements herein granted shall be determined by their location as installed.

This plat approved subject to all platting ordinances, rules, regulations, and resolutions of the City of Dallas.

Detention Area Easement Statement

The proposed detention area(s) along Block A/8822 within the Limits of this addition, will remain as detention areas to the line and grade shown on the plans at all times and will be maintained by the individual owners of the lot or lots that are traversed by or adjacent to the Detention Areas in Block A/8822. The City of Dallas will not be responsible for the maintenance and operation of said Detention Areas or for any damage or injury to private property or person that results from the flow of water along, into or out of said Detention Areas, or for the control of Erosion.

No obstruction to the natural flow of storm water run-off shall be permitted by filling or by construction of any type of dam, building, bridge, fence, walkway or any other structure within the designated Detention Areas, as hereinafter defined in Block A/8822, unless approved by the Chief Engineer of Development Services. Provided, however, it is understood that in the event it becomes necessary for the City of Dallas to erect any type of Drainage structure in order to improve the storm drainage that may be occasioned by the streets and alleys in or adjacent to the subdivisions, then in such an event, the City of Dallas shall have the right to enter upon the Detention Areas at any point, or points to erect, construct and maintain any drainage facility deemed necessary for drainage purposes. Each property owner shall keep clean and free of debris, silt, and any substance which would result in unsanitary conditions and the City of Dallas shall have the right of ingress and egress for the purpose of inspection and supervision of maintenance work by the property owner to alleviate any undesirable conditions, which may occur.

The Detention Area in Block A/8822, as in the case of all Detention Areas, is subject to Storm Water overflow to an extent, which cannot be clearly defined. The City of Dallas shall not be held liable for any damage of any nature resulting from the occurrence of these natural phenomena, nor resulting from the failure of any structure or structures within the Detention Areas or the subdivision storm drainage system.

The Detention Areas serving the plat are shown by the Detention Area Easement Line as shown on the plat.

SURVEYOR'S STATEMENT:

I, Joel C. Howard, a Registered Professional Land Surveyor, licensed by the State of Texas, affirm that this plat was prepared under my direct supervision, from recorded documentation, evidence collected on the ground during field operations and other reliable documentation, and that this plat substantially complies with the Rules and Regulations of the Texas Board of Professional Engineers and Land Surveyors, the City of Dallas Development Code (Ordinance no. 19455, as amended), and Texas Local Government Code, Chapter 212. I further affirm that monumentation shown hereon was either found or placed in compliance with the City of Dallas Development Code, Sec. 51A-8.617 (a)(b)(c)(d) & (e); and that the digital drawing file accompanying this plat is a precise representation of this Signed Final Plat.
