**Now, Therefore,**

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DALLAS:**

**SECTION 1.** That City Council shall adopt an ordinance approving and adopting the final 2019-20 Service Plan, the final 2019 Assessment Plan and the 2019 Assessment Roll (to be kept on file with the City Secretary); establishing classifications for the apportionment of costs and the methods of assessing special assessments for the services and improvements to property in the District; closing the public hearing and levying a special assessment on property in the District for services and improvements to be provided during FY 2019-20; providing for reimbursement of city administrative costs for operational oversight of the District; fixing charges and liens against the property in the District and against the owners thereof; providing for the collection of the 2019 assessment; authorizing the receipt and deposit of assessments; authorizing the disbursement of assessments to Dallas Tourism Public Improvement District Management Corporation; and providing for an effective date.

**SECTION 2.** That the recitals and findings listed above are true and correct and that the action of the City Council closing the public hearing in these proceedings is hereby ratified and confirmed.

**SECTION 3.** That the assessment will be levied on hotels with 100 or more rooms (“qualifying hotels”) located within the District territory attached hereto as **Exhibit A-1** as well as **Exhibit A-2**, if City Council authorizes the expansion of the District following the public hearing to be held on September 11, 2019. The proposed cost of the services and improvement to be provided shall be assessed in a manner that results in imposing equal shares of the cost of the services on qualifying hotels that are similarly benefitted. The apportionment of the cost of the services against property in the District territory must be made on the basis of special benefits accruing to the property because of the services and improvements provided. Accordingly, those qualifying hotels that sell more rooms shall pay a greater portion of the assessment since those properties benefit more from the promotion and marketing services provided by the district. The total cost of the services and improvements to be provided shall be apportioned at a rate of 2% of room-nights sold at qualifying hotels located within the TPID territory until the collect total budget for services and improvements for the renewal term period is collected. Rooms that are not subject to the City’s hotel occupancy tax shall not be included for the TPID assessment. There are no exempt jurisdictions or entities that meet the definition of “qualifying hotels.” City-owned hotels such as the Omni are subject to this assessment.

**SECTION 4.** That the City Council hereby authorizes and adopts the final FY 2019-20 Service Plan, the final 2019 Assessment Plan and the 2019 Assessment Roll (to be kept on file with the City Secretary) apportioning the total cost of the services and improvements to be assessed against property in the District for fiscal year ending September 31, 2020, of approximately \$19,133,893.00. The Assessment Roll apportions the assessment against each parcel of land in the District and is subject to public inspection in the City's official records.

**SECTION 5.** That notice of City Council's intention to consider the proposed assessments at a public hearing on September 11, 2019 at 6:00 p.m. in the City Council Chamber, 6th Floor, 1500 Marilla Street, Dallas, Texas 75201 was published in the official newspaper of the City of Dallas, Texas 75201 before the 10th day before the date of the hearing. The notice stated: (1) the date, time and place of the hearing; (2) the general nature of the services and improvements; (3) the cost of the services and improvements; (4) the boundaries of the District; and (5) that written or oral objections will be considered at the hearing.

**SECTION 6.** That Dallas City staff mailed to the owners of property liable for assessment notice of the hearing as the ownership appears on the City tax roll. The notice contained the information required by the Act. The notice was mailed before the 10th day before the date of the hearing to the last known address of the property owner on the City tax roll. The failure of the property owner to receive notice does not invalidate the proceeding.

**SECTION 7.** That City Council finds that the assessments should be made and levied against the respective parcels of property within the District and against the owners thereof, and are substantially in proportion to the special benefits accrued to the respective parcels of property by means of the services and improvements in the District for which such assessments are levied, and further finds that in each case the property assessed is specially benefited by means of the said services and improvements in the District, and further finds that the apportionment of costs of the services and improvements is in accordance with the law in force in this City and the State, and that the proceedings of the City heretofore held with reference to the formation of the District and the imposition of assessments for said services and improvements are in all respects valid and regular.

**SECTION 8.** That there shall be and is hereby levied and assessed against the parcels of property within the District, and against the real and true owners thereof (whether such owners be correctly named or not), the sums of money as listed in the Assessment Roll on file with the City Secretary and subject to public inspection, and the several amounts assessed against the same, and the owners thereof.

**SECTION 9.** That the several sums above mentioned and assessed against the said parcels of property and the owners thereof, and interest thereon at the rate of eight percent per annum, provided, however, that such interest rate shall not exceed the maximum amount allowed by law, together with reasonable fees and the costs of collection, if incurred, are hereby declared to be and are made a first and prior lien against the property assessed, superior to all other liens and claims except liens and claims for state, county, school district and municipality ad valorem taxes and are a personal liability of and charge against the owners of the property regardless of whether the owners are named. The lien is effective from the date of this ordinance until the assessment is paid and may be enforced by the governing body in the same manner that an ad valorem tax lien against real property may be enforced by the governing body.

**SECTION 10.** That the assessments levied herein shall be due and payable in full on or before January 31, 2020. That if default be made in the payment of any of the said sums hereby assessed against said property owners and their property, collection thereof, including, costs and fees, shall be enforced by the governing body in the same manner that an ad valorem tax lien against real property may be enforced by the governing body. The owner of the assessed property may pay at any time the entire assessment, with interest that has accrued on the assessment, on any lot or parcel.

**SECTION 11.** That all assessments levied are a personal liability and charge against the real and true owners of the premises described, notwithstanding such owners may not be named, or may be incorrectly named.

**SECTION 12.** That the Chief Financial Officer is hereby authorized to receive and deposit assessment funds from the District in Tourism Public Improvement District Fund, Fund9P11, Department ECO, Unit1866 , Revenue Code 8576.

**SECTION 13.** That as part of the assessment levied herein, and as a part of the service plan, the District shall reimburse the City administrative costs for the day to day operations and oversight conducted by City staff for the District, which amount shall be reimbursed by the District to City through the deduction from assessment revenues received.

**SECTION 15.** That the Chief Financial Officer be authorized to reimburse General Fund, Fund 0001, Department BMS, Unit 1272, Object Code 5011 for administrative costs incurred for day-to-day accounting responsibilities associated with oversight of the District, in amounts to be determined based upon costs incurred and related rates in effect, from Fund9P11, Department ECO, Unit1866 , Object Code 3090.

**SECTION 16.** That the Chief Financial Officer is hereby authorized to disburse funds from Fund 9P11, Department ECO, Unit 1866, Object 3034 to Dallas Convention and Visitor Bureau, Vendor 519741 for assessments due to the District as assessed, net of administrative fees and any required reconciliation adjustments, related to this activity.

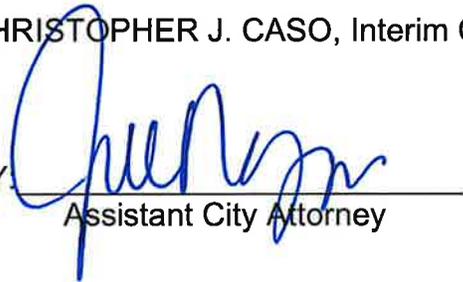

**SECTION 17.** That the assessments herein levied are made and levied under and by virtue of the terms, powers and provisions of the Public Improvement District Assessment Act, Chapter 372 of the Texas Local Government Code, as amended.
