Proposed Amendment #93

Submitted by: Stuart Campbell	Location: Chapter IV, 5(b)(6)	Category: Operational
CHAPTER IV, SEC. 5. DISTRICTS AND REDISTRICTING. Change the 3/4th vote requirement to a traditional supermajority of 2/3rds vote for council to change or modify redistricting plans.		
Rationale: This will lower the vote threshold to amendments/changes to proposed redistricting plan maps from needing 12 votes to only needing 10 votes.
