

Memorandum

DATE January 12, 2026

CITY OF DALLAS

Honorable Members of the Public Safety Committee

TO Cara Mendelsohn (Chair), Jesse Moreno (Vice Chair), Laura Cadena, Maxie Johnson, Jaime Resendez, William Roth, Kathy Stewart

SUBJECT **Dallas Fire-Rescue's Facility Construction Update**

Please accept this memorandum as an update on the ongoing and upcoming construction and facility improvement projects involving Dallas Fire-Rescue (DFR), in collaboration with Facilities and Real Estate Management (FRM), the Office of Bond and Construction Management (BCM), the Office of Economic Development (ECO), and various construction contractors:

1. ONGOING PROJECTS:

a. Fire Station 43 Replacement and Fire Station 11 Remodel (2024 Bond)

i. DFR was awarded funding in 2024 bond election to replace Fire Station 43 (2844 Lombardy Ln., Council District 6) and remodel Fire Station 11 (3828 Cedar Springs Rd., Council District 14).

ii. On September 10, 2025, FRM received Council approval to fund and acquire land near Lombardy Ln. and Brockbank Dr. for the new Station 43. Negotiations with the property owner led to settlement amount approved by Dallas City Council. Closing on the property occurred on 11/12/25, with transfer of Title to City to 11/20/25. A Request For Qualifications to procure a design consultant contract for the Station 43 replacement facility is scheduled to begin 1/21/26.

iii. A draft design for the Station 11 remodel is still in development. Negotiations are ongoing regarding city leased property behind the fire station targeted for use during renovations. This involves coordination with the City's Real Estate Division to determine valuation of improvements on leased city property adjacent to Fire Station 11. Leased land improvement (resurfacing) depreciated valued amount has been offered and awaiting response from leasing entity (response due by November 15, 2025). On 11/21/25, FRM received funding authorization from BCM in the amount of \$79,000 for the appraisal recommended lease buy-out amount of \$75,000, plus estimated closing costs. FRM Real Estate is preparing a recommendation for use of Eminent Domain process to terminate the

current ground lease agreement, for consideration by Council in February 2026.

- b. Digital Landline Conversion**
 - i. DFR is upgrading all fire stations from analog to digital landlines. While new stations are built with digital lines, existing facilities must be converted individually.
 - ii. Each conversion takes approximately two weeks.
 - iii. The project is approximately 26% complete.
 - iv. Progress has been paused for 90 days for AT&T upgrades that will allow multiple numbers to be upgraded at once. All existing lines are currently being converted and tested.
 - v. Timeline for completion of this project has been requested from AT&T.
- c. FY25 Station and Facility Modifications**
 - i. FRM and DFR have prioritized FY25 funding for the following updates:
 - 1. Renovation of restrooms and showers at the Training Academy (Building B). The initial meeting to discuss options and needs with FRM commenced on 6/16/25. Contracted architectural firm representatives conducted a walk-through and assessment of the facility on December 16, 2025, for compiling information needed for design.
- d. Training Academy (5000 Dolphin Rd.) Updates**
 - i. Propane prop training is underway with staff and recruits. The project is progressing on schedule, with gas line construction drawings completed. FRM will leverage a contractor from a Cooperative Agreement for the needed repairs.
 - ii. On March 3rd, structural investigation and exploration work on Building C was completed. A final consultant report with recommendations has been received and is still in review. FRM is finalizing a contract to fully repair the bay wall of the Maintenance Building during this fiscal year.
 - ii. Training tower renovations are moving forward. Demolition and prep work are complete. Work is to begin by January 2026 as the BCM Department collaborates with DFR and an engineering contractor to plan for needed repairs. Large Tower structural repairs design is complete.
- e. Fire Station Alerting System Implementation**
 - i. The Fire Station Alerting System project launched with a kickoff meeting on March 26, 2025.

- ii. The initial project timeline targets completion by December 2026.
- iii. An initial project schedule was received. The detailed full implementation timeline and project schedule are being developed.
- iv. Implementation will begin pending delivery of all required equipment, beginning in early October with fire stations under Battalion 1's command (3, 4, 6, 18, 24, and 45) that will include concurrent testing as each battalion is completed.
 - 1. All Station Designs are complete.
 - 2. Equipment installations will factor in asbestos abatement at the older fire stations where testing has confirmed the presence of asbestos in construction materials.
 - 3. DFR, ITS, and the contractor will conduct final station walkthroughs of Battalion 2 through 10 to make any equipment adjustments needed before installation begins at each station. As of 12/29/25, installations have been completed at Fire Stations 4, 6, 18 and 24. Stations 3 and 45 in Battalion 1 are pending before installations begin in Battalion 2.

f. Fire Station 18 Relocation Project

- i. On April 1, 2025, the Downtown Connection TIF District and the Downtown Dallas Development Authority approved the relocation of Fire Station 18.
- ii. Meetings and discussions with project architects have commenced regarding the station design. A 90% review set of the Construction Documents is scheduled for issue on 1/13/26.

g. Fire Station 5 Renovation Project

- i. Structural assessment with Bond and FRM was completed for Fire Station 5 on July 17, 2023.
- ii. Request for Proposal (RFP) was issued on June 13, 2025, for foundation, kitchen, and MEP Improvements
- iii. Approval from the Department Director is in the process and will send the highest ranked firm a Letter of Intent to Award a contract.
- iv. The OBCM Department walked through the station on 09-03-25 with general contractors which will provide the scope of services for this project
- v. A walk through with architecture & engineering firm occurred on 09-25-25 to scale and scope the necessary work for foundation repairs.
- vi. Contract negotiations continue with the recommended design

build candidate firm on a contract amount that is within the city's budget for the renovation. Estimated Council Award date for design/build contract is 1/28/26.

vii. Scope and fee negotiations with the recommended design-build firm are complete. The estimated council award date is February 25, 2026.

h. Fire Stations 12, 23, 25 and 39-Bathroom Shower Renovations

i. Nov. 24, 2025, DFR along with FRM are investigating, planning and scheduling bathroom shower renovations to include removal of tiles, reinstallation after repairs of any damaged substrate. Repair work entails installing new controls and shower heads. Completion is projected during mid-January 2026.
