**REQUEST:** An application for a Certificate of Appropriateness by Polo Padilla of Fusion AE, for a 5-square-foot non-illuminated flat attached sign on the Elm Street façade at 501 ELM ST, STE 100 (SOUTH ELEVATION).

**SUMMARY:** The applicant proposes to install a flat attached sign, totalling 5-square-foot composed of two inch deep flush mounted aluminum channel letters with one clear two inch deep acrylic box 'coin' outlined in vinyl.

**STAFF RECOMMENDATION:** Approval

**SSDAC RECOMMENDATION:** Approval

**PRIOR CPC ACTION:** On January 15, 2026, CPC moved to hold this case under advisement until February 5, 2026.

**BACKGROUND:**

- The subject site is located in Westend SPSD and is zoned Central Area District 1 (CA-1(A)), a business zoning sign district.  
These regulations are established in: [Sec. 51A-7.1000](#) (Specific details included below).
- The applicant proposes to install a flat attached sign, totalling 5-square-foot composed of two inch deep flush mounted aluminum channel letters with one clear two inch deep acrylic box 'coin' outlined in vinyl.
  - The sign is composed of 2" aluminum channel letters, painted green, with one clear acrylic box 'coin' logo that is to be outlined in green vinyl. Sign elements are constructed entirely of metal, and plastic.
- This is the second of four applications under review by this body for this site. This sign is to be mounted on the façade facing Elm Street. Applicant has submitted for a Certificate of Appropriateness to the Office of Historic Preservation which was approved on 12/2/2025 - COA-25-000470
- Construction of the proposed sign is in accordance with SPSD regulations and meets the requirements of the Dallas City Code per Sec. 51A-7.1000.

**51A-7.1002 PURPOSE.**

The purpose of this division is to regulate the construction of new signage and alterations made to existing signage with a view towards preserving the historic nature of this district. The general objectives of this division include those listed in Section 51A-7.101 as well as aesthetic considerations to insure that new signage is of appropriate historical design and does not visually obscure significant architectural features of a building or the district in general. (Ord. Nos. 19455; 21404; 22112; 26027)

**51A-7.1003 DEFINITIONS.**

- (3) FLAT ATTACHED SIGN means an attached sign projecting four or less inches from a building.
- (16) TYPE B FAÇADE means a facade with a total window area comprising less than 30 or more than 50 percent of the total facade area.
- (5) LOWER LEVEL SIGN means a sign partially or wholly situated below the top of the first floor windows or, if there are no first floor windows, below a point 12 feet above grade.

**51A-7.1005(d) FLAT ATTACHED SIGNS ON TYPE B FAÇADES**

- (1) No premise may have more than three flat attached signs on each Type B facade.
- (2) No flat attached sign on a Type B facade may contain more than eight words with characters four or more inches in height. Words consisting of characters less than four inches in height may be used without limit.

*This façade will contain three flat attached signs. This sign is the only on this application and will contain two words, the remaining two signs are submitted on a separate application.*

**51A-7.505 PERMIT PROCEDURES FOR SPECIAL PROVISION SIGN DISTRICTS.**

(B) **Factors the committee shall consider.** In reviewing an application, the committee shall first consider whether the applicant has submitted sufficient information for the committee to make an informed decision. If the committee finds the proposed sign to be consistent with the special character of the special provision sign district, the committee shall make a recommendation of approval to the city plan commission. **The committee shall consider the proposed sign in terms of its appropriateness to the special provision sign district with particular attention to the effect of the proposed sign upon the economic structure of the special provision sign district and the effect of the sign upon adjacent and surrounding premises without regard to any consideration of the message conveyed by the sign.** After consideration of these factors, the committee shall recommend approval or denial of the application and forward that recommendation to the city plan commission.

(6) Decision by the commission. Upon receipt of a recommendation by the committee, the commission shall hold a public hearing to consider the application. At least 10 days before the hearing, notice of the date, time, and place of the hearing, the name of the applicant, and the location of the proposed sign must be published in the official newspaper of the city and the building official shall serve, by hand-delivery or mail, a written notice to the applicant that contains a reference to this section, and the date, time, and location of this hearing. A notice sent by mail is served by depositing it properly addressed and postage paid in the United States mail. In addition, if the application is for a detached sign or for an attached sign that has more than 100 square feet of effective area, the applicant must post the required number of notification signs in accordance with Section 51A-1.106. **In making its decision, the commission shall consider the same factors that were required to be considered by the committee in making its recommendation.** If the commission approves the application, it shall forward a certificate of appropriateness to the building official within 15 days after its approval. If the commission denies the application, it shall so inform the building official in writing. Upon receipt of the written denial, the building official shall so advise the applicant within five working days of the date of receipt of the written notice.
