REQUEST: An application for an NS(A) Neighborhood Service District on

property zoned an R-7.5(A) Single Family District.

SUMMARY: The purpose of the request is to rezone the rear portion of lot

property.

STAFF

RECOMMENDATION: <u>Approval</u>.

BACKGROUND INFORMATION:

- The area of request is currently zoned R-7.5(A) and undeveloped.
- The request is located on Lot 1.1 of block 3/6698. Currently approximately 25 feet of the north portion of the lot is zoned R-7.5 (A) and the remainder south portion is zoned NS(A).
- Geographically located in Southeast Dallas, approx. 11 miles from downtown.
- This lot has frontage only on Lake June Road.
- The purpose of the request is to rezone the north portion of the lot, so the entire lot is NS(A) Neighborhood Service District to allow for the construction of commercial uses.

Zoning History:

There has been 1 zoning case in the area in the last five years.

1. Z234-150: On September 25, 2024, City Council approved an application for a Planned Development District for TH-3(A) Townhouse District uses and LO-1 Limited Office District uses on property zoned an MF-2(A) Multifamily District and an R-7.5(A) Single Family District on the north line of Lake June Road; east of Saint Augustine Drive.

Traffic:

The Transportation Development Services Division of the Transportation Department has reviewed the request and determined that it will not significantly impact the surrounding roadway system. Staff will continue review of engineering plans at permitting to comply with city standards.

STAFF ANALYSIS:

Comprehensive Plan:

The forwardDallas 2.0! Comprehensive Plan was adopted by the City Council in September 2024. ForwardDallas 2.0 is a refreshed guide that takes into account how our City has evolved over the last two decades and how we should plan for what is on the horizon - from our continued economic growth to our long-term social vibrancy.

ForwardDallas is a guidance plan, it is not a zoning document. This Comprehensive Plan outlines several goals and policies which can serve as a framework for assisting in evaluating the applicant's request.

The request would comply with the following placetypes and primary/supporting land uses of the ForwardDallas 2.0 Comprehensive Plan:

The area of request is located in the Neighborhood Mixed-Use Placetype. This placetype allows for primary land uses like: Multi-Family Apartments, Retail & Personal Service, Lodging, Office; in conjunction with supporting land uses like:

The primary focus of the Neighborhood Mixed-Use Placetype areas is to blend residential, retail, and small-scale commercial uses to meet local needs. These areas are typically located at key intersections in nodes or along corridors where small commercial shopping centers and corner stores provide access to daily needs for residents. It can include vertical mixed-use development as well as horizontally mixed-use centers that are compatibly scaled with surrounding neighborhoods.

The request to rezone the rear portion of the lot to align with the existing NS(A) Neighborhood Service District for which the remaining lot is zoned will allow for the construction of commercial land uses recommended by the Neighborhood Mixed-Use Placetype and mirror the emphasis that commercial and social activities are the anchors for the surrounding neighborhoods in this placetype.

The area highlighted below shows the location of the area of request within the ForwardDallas 2.0 Placetype.

Land Use:

| | Zoning | Land Use |
|-------|---------------------------------|-------------------|
| Site | R-7.5(A) Single Family District | Undeveloped Land |
| North | R-7.5(A) Single Family District | Undeveloped Land |
| East | NS(A) Neighborhood Service | Commercial Retail |
| South | CR Community Retail District | Commercial Retail |
| West | R-7.5(A) Single Family District | Undeveloped Land |

Land Use Compatibility:

The area of request is currently zoned R-7.5(A) and undeveloped. The request sits on the rear portion of Lot 1.1 of block 3/6698 (approx. 2,500 SF in total size) and is located on the north line of Lake June Road, west of N. St. Augustine Road.

To the north and west of the property are single family uses. To the south and east of the property are commercial retail uses. Since this property is located in a Neighborhood Mixed-Use Placetype which promotes commercial retail, office, personal service uses at major roads and intersections, staff finds the applicant's requested zoning change to an NS(A) Neighborhood Service District to be appropriate and compatible with the surrounding area.

Staff supports the applicant's request and finds the proposed rezoning to be appropriate for this area as it would not be detrimental to surrounding uses. This compatibility is further reflected in the development standards comparison table below.

Development Standards:

The following is a comparison chart of the development standards for the current R-7.5(A) Single Family District and the proposed NS(A) Neighborhood Service District.

As illustrated in the attached MVA map, the colors range from purple representing the strongest markets (A through C) to orange, representing the weakest markets (G through I). The area of request is in an "H" MVA area. The site is surrounded by the "H" MVA area in all directions immediately adjacent to the site.
