SUBJECT **June 25, 2025, City Council DRAFT Agenda Item #25-1597A A three-year cooperative purchasing agreement for a web-based investigative software solution, TLOxp, for the Dallas Police Department**

The following agenda item is scheduled to go before Council on June 25, 2025.

DRAFT AGENDA ITEM #25-1597A

Authorize a three-year cooperative purchasing agreement for a web-based investigative software solution, TLOxp, for the Dallas Police Department with Carahsoft Technology Corporation through the Department of Information Resources cooperative agreement (DIR-TSO-4288) - Not to exceed \$399,000.24 - Financing: General Fund (subject to annual appropriations)

BACKGROUND

This action does not encumber funds; the purpose of a cooperative purchasing agreement is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis.

This cooperative purchasing agreement will provide access to a web-based investigative software solution, TLOxp, that allows users to search various databases to aid in identifying, tracking, and locating individuals involved in criminal and terrorist activities. The agreement includes eight hundred licenses annually with unlimited transactions for non-specialty reports and four thousand transactions for specialty report types each year.

The Dallas Police Department requires different levels of search capabilities, some general search capabilities for officers, and more advanced or detailed searches for detectives and crime analysts, including all members of the Fusion Center. The Fusion Center's main task is to create criminal intelligence for real-time dissemination to patrol officers and detectives in the field.

The Department of Information Resources cooperative agreement is authorized by Chapter 791 of the Texas Government Code and Subchapter F, Chapter 271, Texas Local Government Code. Section 271.102 of the Texas Local Government Code which authorizes a local government to participate in a Cooperative Purchasing Program with another local government or a local cooperative organization.
