Omnibus Ordinance Review

[Liz Cedillo-Pereira, Assistant City Manager, City of Dallas; Luis Loya, Management Analyst, City of Dallas]

City of Dallas

Omnibus Ordinance Review

**Quality of Life, Arts, and
Culture Committee
May 19, 2025**

Liz Cedillo-Pereira
Assistant City Manager
City of Dallas
Luis Loya,
Management Analyst,
City of Dallas

Background: Why a Code Cleanup?

- Dallas City Code spans decades of ordinances—some outdated or unenforceable.
- State and federal laws have changed, preempting local regulations in several areas.
- Departments identified inconsistencies, outdated language, and redundancies.
- Goal: Align City ordinances with current laws, practices, and organizational structure.

What is the Omnibus Ordinance?

- A single ordinance updating, repealing, or clarifying sections across 30+ chapters.
- Targets duplicative, preempted, outdated, or unenforced code provisions.
- Streamlines regulations while preserving key City authority and responsibilities.

Why This Matters Now

- Outdated or preempted ordinances pose legal risks to the City.
- Unenforced laws create confusion for the City and residents.
- Aligning with state/federal law ensures enforceability and compliance.
- Modernized code supports clearer service delivery and enforcement authority.

Review Process and Department Collaboration

- Multi-departmental review: CCS, FRM, CCX, SAN, 311, etc.
- Over 150+ code sections screened for enforceability and legal standing.
- Final legal vetting done in coordination with City Attorney's Office.

Highlights of Outdated or Unused Provisions Removed

- Ch. 13A: Dallas Transit System (pre-DART) repealed.
- Ch. 39: Railroad regulation eliminated (federally preempted).
- Other deletions: Loan brokers, private detectives, tree/utility rules from 1940s.

Modernizing City Practices

- Ch. 2: Reflects shift in real estate services to Transportation & Public Works.
- Ch. 18: Updates on trash collection, bulky waste, and franchise rules.
- Ch. 12B & 28: ATM siting and parking enforcement updated for current operations.

Changes from COVID-Era & Legal Challenges

- Ordinance 32346 (eviction notice requirement) repealed—no longer enforced by JP courts.
- Chapter 20 (earned paid sick time) repealed—state law preempts.
- Chapter 52: Removes rest break mandate due to legal uncertainty.

New Health and Safety Standards

- Food establishments now required to display allergen awareness posters.
- Dog-friendly patio provisions removed to align with revised state food codes.

9 Major Food Allergens

Cultural Facilities Update: Bath House Cultural Center and Oak Cliff Cultural Center
[Martine Elyse Philippe, Director, Office of Arts and Culture; Glenn Ayars, Assistant Director, Office of Arts and Culture; Anna Hubbell Petang, Assistant Director, Office of Arts and Culture]

Memorandum

CITY OF DALLAS

DATE May 19, 2025

TO Honorable Chair and Members of the Quality of Life, Arts & Culture Committee

SUBJECT **Cultural Facilities Update: Bath House Cultural Center and Oak Cliff Cultural Center**

The Office of Arts and Culture (OAC) manages seven cultural venues, the Bath House Cultural Center, Latino Cultural Center, Oak Cliff Cultural Center, South Dallas Cultural Center, Juanita Craft Civil Rights House and Museum, Majestic Theatre, and Moody Performance Hall. In alignment with the Dallas Cultural Plan 2018 initiative to, “increase transparency in facility policies and structures,” OAC will provide a series of monthly memoranda as an update on each of our cultural venues. This memo provides a comprehensive overview of the Bath House Cultural Center and Oak Cliff Cultural Center, including its historical significance, operational structure, cultural programming, and current facility needs. The information is intended to support ongoing efforts to preserve and strengthen the City of Dallas’ cultural assets.

Bath House Cultural Center

Facility Overview

The Bath House Cultural Center (BHCC), located at 521 E. Lawther Drive, was originally constructed in 1930 in the Art Deco style by local firm Carsey and Linskie. The building served as a recreational hub for swimmers at White Rock Lake. The building was closed in 1953 following the prohibition of lake swimming, and it remained unused until its renovation and reopening in 1981 as the City’s first cultural center.

The 10,460-square-foot facility includes a black box theater, two art galleries, an indoor/outdoor stage at lake level, and multipurpose classroom and arts spaces. The City of Dallas is responsible for both facility and capital maintenance.

The Bath House Cultural Center is regularly open Tuesday through Saturday from 12:00 p.m. to 6:00 p.m. The center is open until 10:00 p.m. on nights with theater performances.

Management and Operations

The Office of Arts and Culture was originally established as the City Arts Program in 1976 and became a formal department within the City Manager's Office in 1989, following City Council authorization.

Cultural Programming Highlights

BHCC delivers year-round arts and cultural programming in collaboration with artists, educators, and community partners. Major programming includes:

- Eight to ten curated gallery exhibitions annually, often accompanied by artist talks, public workshops, and educational events.
- Approximately 20 to 25 educational programs hosted throughout the year, ranging from visual arts to performance, tailored for community engagement.
- A three-week multidisciplinary summer arts camp for youth ages 11–14, featuring instruction in music, visual art, dance, and theater.
- Multiple annual cultural festivals—such as Día de los Muertos, Spring Equinox Celebration, AAPI Heritage and Dragon Boat Festival, and Family Arts Bash—that provide immersive experiences in performance, artmaking, and community dialogue.
- Ongoing collaborative programming with local and regional arts groups including White Rock Lake Artist Studio Tour, Cypher Dallas Dance Workshops and Festival, and Dallas Reunited Project.

On average, the Center engages with 40 individual artists and 15 arts organizations per year, with approximately 50% representing ALAANA communities (African, Latinx, Asian, Arab, and Native American).

Facility Needs

As part of the 2024 Bond Program, two major infrastructure projects are slated:

- Electrical panel maintenance and system upgrade
- Roof replacement

These projects are essential to the continued operation, safety, and functionality of the facility.

Oak Cliff Cultural Center

Facility Overview

The Oak Cliff Cultural Center (OC3), located at 223 W. Jefferson Boulevard, opened in August 2010 as a renovated storefront building. The current facility comprises approximately 5,000 square feet, including a multipurpose studio with hardwood floors and mirrored walls for dance and performance programming, a visual arts gallery with moveable exhibition panels, office space, a small café for events, and a central lobby. Its location adjacent to the historic Texas Theatre enhances its visibility and accessibility within the Jefferson Boulevard corridor.

The Oak Cliff Cultural Center is regularly open Tuesday through Saturday from 12:00 p.m. to 6:00 p.m.

Management and Operations

OC3 is fully managed by the City of Dallas through the Office of Arts and Culture. Both facility and capital maintenance responsibilities are held by the City. Since its opening, the center has served more than 250,000 patrons and delivered over 8,000 distinct arts and cultural services.

Cultural Programming Highlights

- The Oak Cliff Cultural Center delivers a diverse slate of programming that fosters community engagement through the arts:
- Eight to ten professionally curated visual arts exhibitions are held annually in the gallery space, often accompanied by public programming such as artist talks and workshops.
- An additional 12 to 16 pop-up exhibitions take place annually in the multipurpose studio, including collaborative efforts with local artists and community groups.
- A four-week multidisciplinary summer camp serves students ages 7–18 and includes music, visual art, dance, theater, film, photography, and leadership instruction.
- Annual festivals including Día de los Muertos, Orgullo / Pride Oak Cliff, and 214Selena bring large-scale arts experiences and cultural celebrations to the district.
- OC3 works with approximately 40 individual artists and 15 groups each year, with an average of 70% representing ALAANA (African, Latinx, Asian, Arab, and Native American) communities.

Collaborative partners include Oak Cliff Film Festival, Over the Bridge Arts, Right 2 Write Poetry Festival, Artitude, Pasos for Oak Cliff, For the City Comedy, Freedom

Town Project, Dallas Black Queer Collective, Swan Strings, and several DISD schools such as Adamson High School and Greiner Fine Arts Academy.

Facility Needs

As part of the 2024 Bond Program, the following upgrades are prioritized:

- Parking lot resurfacing to improve accessibility and safety for patrons.
- Renovation of ADA restrooms to meet current compliance standards and enhance user experience.

Update on the Dallas Street Seats Program

[Ghassan Khankarli, Director, Transportation and Public Works; Rosa Fleming, Director, Convention and Event Services]

Memorandum

CITY OF DALLAS

DATE May 15, 2025

TO Honorable Members of the Quality of Life, Arts, & Culture Committee

SUBJECT **Parklets also known as Dallas Street Seats Update**

Department of Transportation and Public Works (TPW) is coordinating with Convention and Event Services – Office of Special Events (CES-OSE) is updating the Quality of Life, Arts & Culture regarding the City of Dallas Parklet program, also known as Dallas Street Seats.

Background

CES-OSE launched the Temporary Parklet Program on May 18, 2020, as authorized by the COVID-19 Economic Recovery and Assistance Ad Hoc Committee. On June 24, 2020, the City Council approved amendments to the Special Events Ordinance - Chapter 42A (Ordinance No. 31557), allowing for the permitting of temporary parklets through December 31, 2020. As the COVID-19 situation evolved, the City Council extended the program multiple times through Ordinance Nos. 31708, 31841, and finally through February 2022, via Ordinance No. 32017.

On December 9, 2020, alongside the Temporary Parklet Program, the City Council approved additional amendments to Chapter 42A, establishing the Dallas Street Seats pilot program through Resolution No. 20-2252. This amendment enabled the CES-OSE to permit more permanent seating structures in public right-of-way areas.

In June 2023, the City Council made the Dallas Street Seats program permanent and added language to allow for the submission of individual parklet designs with applications by Resolution No. 23-0876.

On October 18, 2024, Assistant City Managers Dev Rastogi and Robin Bentley issued a memo to the Mayor and City Council reassigning management of the Dallas Street Seats program from CES-OSE to TPW. The departmental oversight change became effective on January 1, 2025.

Update

The program has always required a significant level of financial investment and involves a more complex safety review process as each location is unique. On average one new application is received per year, and a list of currently permitted locations is maintained.

Currently there are four activations that have successfully applied for permits under the program:

- Chimalma Taco Bar (Council District 14)
- La Toxica Mariscos y Micheladas (Council District 2)
- Eno's Pizza Tavern (Council District 1)
- The Heights (Council District 14)

DATE May 15, 2025
SUBJECT **Parklets also known as Dallas Street Seats Update**
PAGE 2 of 2

In the past two years, one application was denied because the location did not meet the safety requirements outlined in the application. Additionally, two street seats have closed due to their businesses relocating.

During the transition from CES-OSE to TPW efforts are underway to address the approval process within the current program. In addition, CES-OSE and TPW have worked collaboratively to ensure the program does not conflict with the Vision Zero plan adopted by the City Council in June 2022. CES-OSE is working with TPW to find potential compromises.

Future updates on the program will be provided to the Transportation and Infrastructure Committee due to the program being moved to the Sustainability portfolio. If you have any questions, please contact Ghassan Khankarli, Director of Transportation and Public Works, at 214-671-8451 or via email at Ghassan.khankarli@dallas.gov.

PERSONNEL

Full-Time Equivalent (FTE) is a budget calculation that counts the number of personnel hours funded for the fiscal year. Each FTE equals 2,080 hours (with the exception of DFR uniform FTEs which may equal 2,808 hours depending upon assignment). Not all full-time positions are funded for 100 percent occupancy throughout the fiscal year. FTEs are calculated to consider vacancy and position turnover that may occur. Additionally, multiple part-time and temporary positions may be added together to equal one FTE. The table below represents regular FTEs, overtime FTEs, and City temporary FTEs for the City's operating funds. The table does not include FTEs funded from additional resources such as grant funds.

PERSONNEL

Full-Time Equivalent (FTE) is a budget calculation that counts the number of personnel hours funded for the fiscal year. Each FTE equals 2,080 hours (with the exception of DFR uniform FTEs which may equal 2,808 hours depending upon assignment). Not all full-time positions are funded for 100 percent occupancy throughout the fiscal year. FTEs are calculated to consider vacancy and position turnover that may occur. Additionally, multiple part-time and temporary positions may be added together to equal one FTE. The table below represents regular FTEs, overtime FTEs, and City temporary FTEs for the City's operating funds. The table does not include FTEs funded from additional resources such as grant funds.

PERSONNEL

Full-Time Equivalent (FTE) is a budget calculation that counts the number of personnel hours funded for the fiscal year. Each FTE equals 2,080 hours (with the exception of DFR uniform FTEs which may equal 2,808 hours depending upon assignment). Not all full-time positions are funded for 100 percent occupancy throughout the fiscal year. FTEs are calculated to consider vacancy and position turnover that may occur. Additionally, multiple part-time and temporary positions may be added together to equal one FTE. The table below represents regular FTEs, overtime FTEs, and City temporary FTEs for the City's operating funds. The table does not include FTEs funded from additional resources such as grant funds.
