- Previously this request was submitted for an application for automatic renewal of SUP No. 2175.
- Due to the application having 20 percent or more opposition of owners within 200 feet notification area file a written protest against the automatic renewal, the application is forward to City Plan Commission and City Council as a SUP renewal for further action in accordance with Section 51A-4.219(c) of the Dallas City Code

Thoroughfare/Street	Type	Proposed ROW

Surrounding Land Uses:

	Zoning	Land Use
Site	PD 357 (Subdistrict 2)	Flea Market
North	PD 357 (Subdistrict 1A)	Multifamily
East	PD 357 (Subdistrict 2)	Warehouse
South	PD 357 (Subdistrict 2)	Warehouse
West	PD 357 (Subdistrict 2)	Multifamily

STAFF ANALYSIS:

Land Use Compatibility:

The area of request is located in the City Center Placetype. The City Center Placetype is a complete and connected neighborhood made up of the centrally located Downtown district and its adjoining communities. It offers an inclusive, robust, and unique combination of residential options, job opportunities, schools, open spaces, street activity, business, and retail connected by an accessible, balanced, multi-modal transportation network with a variety of options to move from one destination to the next.

The area of request is developed with an existing flea market located within Subdistrict 2 of Planned Development District No. 357. This land use is allowed only with a Specific Use Permit under the current zoning classification of the site. Specific Use Permit 2175 for a flea market has remained compatible with surrounding land uses in the City Center Placetype. Therefore, staff recommend no expiration date to the time limit of SUP 2175.

Automatic Renewal of a Specific Use Permit (SUP):

The requirements for automatic renewal of an SUP are outlined in Section 51A-4.219(c) of the Dallas City Code:

1. Application for automatic renewal must be filed after the 180th but before the 120th day before the expiration of the current specific use permit period.

Staff Comments: Application for automatic renewal was received within the required time frame.

2. Upon the filing of a complete application for automatic renewal, the director shall send written notice to all owners of real property lying within 200 feet of the area governed by the SUP. The notice must state that the SUP is eligible for automatic renewal and may be automatically renewed without further notice.

Staff Comments: Written notice of the application for automatic renewal was sent to property owners within 200 feet of the property governed by the SUP on December 26, 2025.

3. If the owners of 20 percent or more of the land within 200 feet of the area governed by the SUP file a written protest against the automatic renewal, the director shall forward the application to the city plan commission and city council for further action. Written protests against an automatic renewal must be filed with the director before 5:00 p.m. of the 21st calendar day after the date the notice is mailed. A protest sent through the mail must be received by the director before the deadline.

Staff Comments: Notices were mailed to four property owners within the notification area. Staff received one reply in opposition and zero replies in support before 5:00 p.m. of the 21st calendar day [January 16, 2026] after the date the notices were mailed. Opposition for this application reached 25.68% which requires further action from to the city plan commission and city council.

4. After the deadline for filing written protests has passed, the director shall review the conditions of the SUP and determine whether the conditions have been met. If the director determines that the conditions have not been met, he shall forward the application to the city plan commission and city council for further action.

Staff Comments:

- *Staff conducted initial site inspection on **December 12, 2025**, and determined conditions have been met.*

Staff Supports the request because the use is not foreseen to be detrimental to the surrounding properties. Staff Recommends approval with no expiration date, subject to amend conditions.
