

(6) Thoroughfare Committee.

- (A) The thoroughfare committee is a seven-member committee. At least four members must possess knowledge in multimodal transportation, real estate development, finance, economics, or other areas of knowledge or expertise relevant to transportation operation.
- (B) The committee shall review and make recommendations to the commission on proposed amendments to the city's Thoroughfare Plan, or the Central Business District Streets and Vehicular Circulation Plan.
- (C[~~B~~]) The committee shall review all traffic management operations, and DART-related transportation issues that would affect or amend the city's Thoroughfare Plan, or the Central Business District Streets and Vehicular Circulation Plan.
- (D[~~E~~]) The committee shall make recommendations to the commission on amendments to Article IX, "Thoroughfares," in the Dallas Development Code after carefully considering the impact of proposed amendments; ensuring that amendments meet the spirit and intent of the Dallas Development Code and do not contradict other existing regulations; and receiving input from citizens, interest groups, professional organizations, and any other groups or individuals deemed appropriate.
