

**CITY PLAN COMMISSION**

**THURSDAY, OCTOBER 24, 2024**

**Planner: LeQuan Clinton**

**FILE NUMBER:** Z234-195(LC) **DATE FILED:** March 20, 2024

**LOCATION:** Southeast corner of North Hampton Road and Calypso Street

**COUNCIL DISTRICT:** 6

**SIZE OF REQUEST:** 7,252 square feet **CENSUS TRACT:** 48113010101

---

**OWNER:** Shambhu Realty Holdings, LLC

**APPLICANT:** Niraj Puri

**REQUEST:** An application for 1) a TH-3(A) Townhouse District; and 2) the termination of deed restrictions [Z167-361] on property zoned an NO(A) Neighborhood Office District.

**SUMMARY:** The purpose of the request is to allow a duplex on the site.

**STAFF  
RECOMMENDATION:** Approval.

**BACKGROUND INFORMATION:**

- The area of request is currently zoned an NO(A) Neighborhood Office District as undeveloped land (approx. 7,252 square feet total in size).
- Located geographically in Southwest Dallas.
- Approx. 3 miles from Trinity River Park and approx. 4 miles from downtown.
- Currently zoned NO(A) as undeveloped land/vacant lot.
- This is a corner lot and has frontage on both North Hampton Road and Calypso Street.
- Proposing termination of existing deed restriction [Z167-361], which prohibits a bails bonds office on the site. If the site were rezoned to residential, this restriction would no longer be applicable.
- To accomplish this, the applicant is requesting a general zoning change to a TH-3(A) Townhouse District.

**Zoning History:**

There have been one zoning case in the area in the last five years.

1. **Z201-285:** On Wednesday, January 12, 2022, the City Council approved an application and an ordinance for a new tract within Planned Development District No. 508 Tract 7, on the west line of north Hampton Road, north of Bickers Street.

**Thoroughfares/Streets:**

<b>Thoroughfare/Street</b>	<b>Type</b>	<b>Existing/Proposed ROW</b>
North Hampton Road	Principal Arterial	100 feet
Calypso Street	Local Street	--

**Traffic:**

The Transportation Development Services Division of the Transportation Department has reviewed the request and determined that it will not significantly impact the surrounding roadway system. Staff will continue review of engineering plans at permitting to comply with city standards.

**STAFF ANALYSIS:**

**Comprehensive Plan:**

The *forwardDallas! Comprehensive Plan* was adopted by the City Council in June 2006 and outlines several goals and policies which can serve as a framework for assisting in evaluating the applicant's request.

The request complies with the following land use goals and policies of the Comprehensive Plan:

**LAND USE ELEMENT**

**GOAL 1.1** ALIGN LAND USE STRATEGIES WITH ECONOMIC DEVELOPMENT PRIORITIES

**Policy 1.1.5** Strengthen existing neighborhoods and promote neighborhoods' unique characteristics.

**ECONOMIC ELEMENT**

**GOAL 2.1** PROMOTE BALANCED GROWTH

**Policy 2.1.1** Ensure that zoning is flexible enough to respond to changing economic conditions.

**Policy 2.1.2** Ensure that Area Plans include an economic development component to address the economic factors of the areas in the context of the city as a whole.

**GOAL 2.5** FOSTER A CITY OF GREAT NEIGHBORHOODS

**Policy 2.5.1** Promote strong and distinctive neighborhoods to enhance Dallas' quality of life.

**URBAN DESIGN ELEMENT**

**GOAL 5.2** STRENGTHEN COMMUNITY AND NEIGHBORHOOD IDENTITY

**Policy 5.2.1** Maintain neighborhood scale and character.

**NEIGHBORHOOD PLUS**

**POLICY 4.3** Enhance neighborhood desirability by improving infrastructure, housing stock, recreation, and safety.

**POLICY 5.2** Encourage infill development and existing home improvements in target neighborhoods to attract and retain homeowners.

**GOAL 6.1** Raise the quality of rental property through better design standards, proactive and systematic code enforcement, and zero tolerance toward chronic offenders.

**GOAL 6.2** Expand affordable housing options and encourage its distribution throughout the city and region.

**Land Use:**

	Zoning	Land Use
<b>Site</b>	NO(A) with deed restrictions [Z167-361]	Undeveloped
<b>North</b>	CR	Commercial retail, auto body shop
<b>South</b>	R-5(A)	Undeveloped
<b>East</b>	R-5(A)	Single family
<b>West</b>	PD No. 508; Subdistrict 1: Tract 7, Subdistrict 2: LO-1(A)	Uplift Heights Prep School

**Land Use Compatibility:**

The area of request is currently zoned an NO(A) Neighborhood Office District with existing deed restrictions [Z167-361]; undeveloped land (approx. 7,252 square feet in total size), located on the southeast corner of North Hampton Road and Calypso Street.

Directly north of the site is CR Community Retail uses and to the west of the site is PD. No. 508 developed as a preparatory school. To the east and south of the property are single family uses under R-5(A) zoning. Staff finds the applicant’s requested zoning change to a TH-3(A) Townhouse District to allow a duplex use to be appropriate and compatible with the surrounding area. The requested zoning district’s allowable height is 36 feet, which would keep the development in alignment with existing heights of other residential uses in the area. Blockface continuity would apply to the front yard setback of the property, also contributing to ensuring this proposed development would fit into the existing fabric of the neighborhood.

Staff supports the applicant’s request and finds the proposed rezoning to be appropriate for this area, as it would not be detrimental to surrounding uses. This compatibility is further reflected in the development standards comparison table below.

**Development Standards:**

The following is a comparison chart of the development standards for the current NO(A) Neighborhood Office District and the proposed TH-3(A) Townhouse District.

District	Setback		Density	Height	Lot Cvrg	Special Standards	Primary Uses
	Front	Side/Rear					
Existing: NO(A)	15'	20' adj to res Other: No min	0.5 FAR No min lot size	35' <sup>1</sup> 2 stories	50%	Proximity Slope Visual Intrusion	Office
Proposed: TH-3(A)	0' <sup>2</sup>	SF: None Duplex: 5' / 10' Other: 10' <sup>3,4</sup>	12 du/ac (3,630 sf avg per du) 2,000 sf min lot size <sup>5</sup>	36'	60%		Single family
Abutting: R-5(A)	20'	SF: 5' Other: 10'	1 du/5,000 sf	30'	45%		Single family

<sup>1</sup> Per [Sec. 51A-4.121\(a\)\(4\)\(E\)\(ii\)](#), maximum structure height is 35 feet for a structure with a gable, hip, or gambrel roof; and 30 feet for any other structure.

<sup>2</sup> Per [Sec. 51A-4.401\(a\)\(6\)](#), if a blockface is divided by two or more zoning districts, the front yard for the entire blockface must comply with the requirements of the district with the greatest front yard requirement. So, the request area would be subject to a 20-foot front yard due to the adjacent R-5(A) District lot to the south.

<sup>3</sup> Per [Sec. 51A-4.401\(b\)\(1\)](#), if a corner lot in a residential district has two street frontages of unequal distance, the shorter frontage is governed by the front yard regulations, and the longer frontage is governed by the side yard regulations. So, the North Hampton Road frontage is the front yard, and the Calypso Street frontage is the side yard.

<sup>4</sup> Per [Sec. 51A-4.114\(4\)\(B\)\(v\)](#), if a townhouse district abuts a district that requires a greater side yard, the side yard requirements of the more restrictive district apply to the abutting side yard in the townhouse district. So, the southern property line would be subject to the side yard of the abutting R-5(A) District.

<sup>5</sup> The TH-3(A) District does not permit more than 12 dwelling units per acre, which requires an average lot size of 3,630 square feet per dwelling unit. However, per permitting staff, the minimum lot size for residential use controls over the maximum dwelling unit density. The minimum lot size is 6,000 square feet. As the request area is least 6,000 square feet, a duplex would be permitted on the lot.

### Land Use Comparison

Following is a comparison table showing differences in permitted uses between the existing and proposed zoning districts.

**LEGEND**

•	Use permitted by right
S	Use permitted by Specific Use Permit
D	Use permitted subject to Development Impact Review
R	Use permitted subject to Residential Adjacency Review
★	Consult the use regulations in Section 51A-4.200, 51A-4.213

Outside sales		
Pathological waste incinerator		
Pedestrian skybridge		
Private stable		
Swimming pool (private)		

**Landscaping:**

Landscaping will be provided in accordance with the landscaping requirements in Article X, as amended.

**Parking:**

Under the requested TH-3(A) Townhome District, the applicant proposes a duplex. Pursuant to the Dallas Development Code, the off-street parking requirement for a duplex use is two spaces per unit.

At permitting, the applicant would be required to comply with the standard parking ratios for the specified use, as well as any other uses permitted under the proposed TH-3(A) Townhome District.

**Market Value Analysis:**

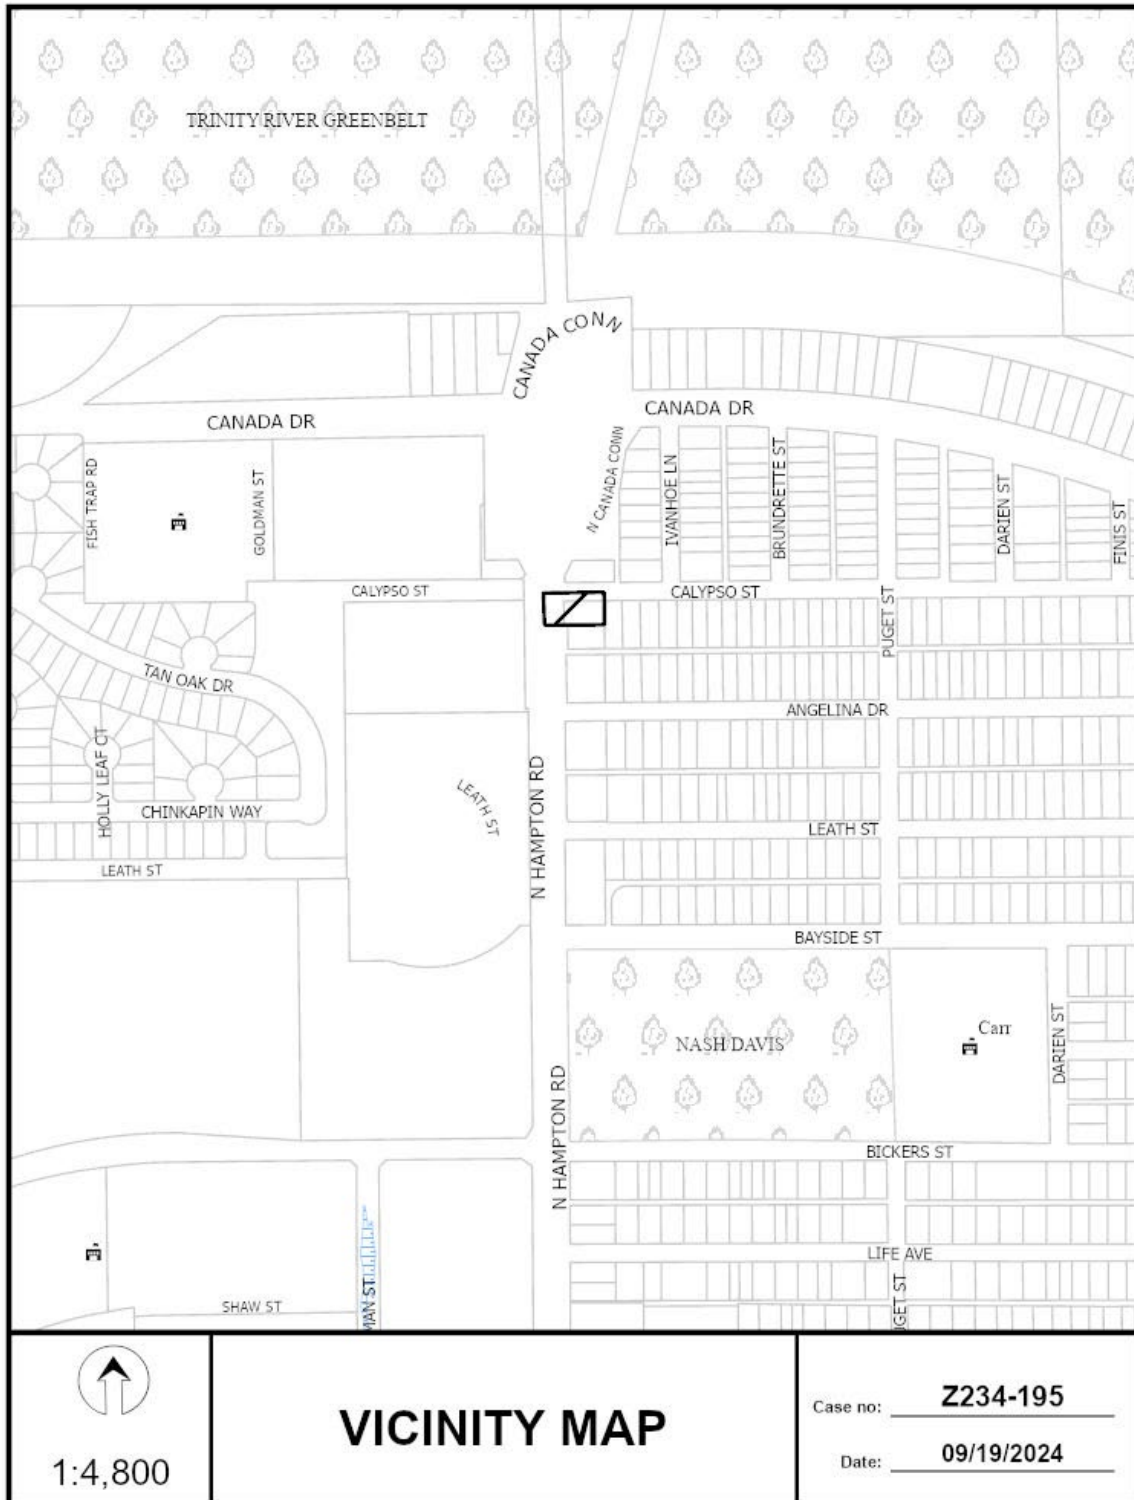

Market Value Analysis (MVA), is a tool to aid residents and policy-makers in understanding the elements of their local residential real estate markets. It is an objective, data-driven tool built on local administrative data and validated with local experts. The analysis was prepared for the City of Dallas by The Reinvestment Fund. Public officials and private actors can use the MVA to target intervention strategies more precisely in weak markets and support sustainable growth in stronger markets. The MVA identifies nine market types (A through I) on a spectrum of residential market strength or weakness. As illustrated in the attached MVA map, the colors range from purple representing the strongest markets (A through C) to orange, representing the weakest markets (G through I). The area of request is currently in an “E” MVA area. To the north, east and south of the site is the “E” MVA area. To the west of the site is only the “H” MVA area.
