

2024 City of Dallas Charter Review Commission

Proposed Amendment #94

Submitted by: Stuart Campbell	Location: Multiple	Category: Policy
MULTIPLE LOCATIONS Change language in each section relating to eligibility for appointees all Boards, Commissions, and Task Forces away from "citizen", to "residents", "people", or "persons".		
Rationale: Similar to CM Moreno's Amendment and Amendment 66 (which we've already approved), this is to allow the non-citizens residents of Dallas to serve as appointees on Boards, Commissions, and Task Forces.
