N= 6,957,181.375 E=2,452,286.559 Elevation= 444.53'
- 9) Subject property is located within an area having a Zone Designation "X" by the Secretary of Housing and Urban Development, on Flood Insurance Rate Map No. 48113C0460K, with a date of identification of 04/30/2023, for Community Number 480171, in Dallas County, State of Texas, which is the current Flood Insurance Rate Map for the community in which said property is situated.

OWNER'S DEDICATION

NOW THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

THAT, SUPREME ESTATE INVESTMENT LLC, acting through and by its duly appointed representative does hereby adopt this plat, designating the herein described property as S.E. INVESTMENT an addition to the City of Dallas, Dallas County, Texas, and do hereby dedicate, in fee simple, to the public use forever any streets, alleys, and floodway management areas shown thereon. The easements shown thereon are hereby dedicated for the purposes indicated. The utility and fire lane easements shall be open to the public, fire and police units, garbage and rubbish collection agencies, and all public and private utilities for each particular use. The maintenance of paving on the utility and fire lane easements is the responsibility of the property owner. No buildings, fences, trees, shrubs, or other improvements or growths shall be constructed, reconstructed or placed upon, over or across the easements as shown. Said easements being hereby dedicated for the mutual use and accommodation of all public utilities using or desiring to use same. All, and any public utility shall have the right to remove and keep removed all or parts of any building, fences, trees, shrubs, or other improvements or growths which in any way may endanger or interfere with the construction, maintenance or efficiency of its respective system on the easements, and all public utilities shall at all times have the full right of ingress or egress to or from and upon the said easements for the purpose of constructing, reconstructing, inspecting, patrolling, maintaining and adding to or removing all of or parts of its respective systems without the necessity at any time of procuring the permission of anyone. (Any public utility shall have the right of ingress or egress to private property for the purpose of reading meters and any maintenance or service required or ordinarily performed by the utility).

Water main and wastewater easements shall also include additional area of working space for construction and maintenance of the systems. Additional easement area is also conveyed for installation and maintenance of manholes, cleanouts, fire hydrants, water services and wastewater services from the main to the curb or pavement line, and description of such additional easements herein granted shall be determined by their location as installed.

This plat approved subject to all platting ordinances, rules, regulations and resolutions of the City of Dallas, Texas.
