

2024 City of Dallas Charter Review Commission

Proposed Amendment #19

Submitted by: Lane Conner	Location: Chapter XXIV, Section 13	Category: Operational
CH XXIV, SEC. 13. APPOINTMENT AND TENURE OF COMMISSIONS AND BOARDS.		
I would like to suggest that Board and Commissions be able to vote on and select their own Vice Chairs.		
Rationale:		
Currently, the Council chooses these and it tends to turn political. The person that is best suited for the job should be chosen by their peers.
