Dear Board of Adjustment Members,

I support the current board of adjustment request concerning the existing structure at half lot 2 (No. 9411) Redondo Drive, Dallas. To my knowledge, the structure has existed on-site for decades and I support the owner's proposed remodel and continued residential family use of the property. My understanding is that the structure is intended for family use only.

Yours faithfully,

Mr. Thomas Stimson and Mrs. Mary Stimson
