The request complies with the following land use goals and policies of the Comprehensive Plan:

Policy 1.1.2 Focus on Southern Sector development opportunities.

ECONOMIC ELEMENT

GOAL 2.1 PROMOTE BALANCED GROWTH

Policy 2.1.1 Ensure that zoning is flexible enough to respond to changing economic conditions.

3. Fight blight
4. Attract and retain the middle class

Area Plan

The *UNT-Dallas Area Plan* was adopted by the Dallas City Council in December 2009. The forward Dallas! comprehensive plan identifies the UNT-Dallas area as critically important to shape development in Dallas' southern sector. The UNT-Dallas area lies near the IH-20 corridor within a ten-minute drive from downtown Dallas. The plan addresses the area generally bounded by IH-35, IH-20, Ledbetter Road and Lancaster Road. The UNT-Dallas area plan identified the area of request as AreaUN3. This area will provide a full range of diversified housing stock for students, faculty, staff and other future residents within walking distance of the UNT DART station and university. Higher density housing up to 3 stories as well as commercial and civic uses in a mixed use format should be focused at street intersections and within a quarter mile of the DART station.

Land Use:

	Zoning	Land Use
Site	R-7.5(A)	Single Family
North	R-7.5(A) with SUP No. 2125	Undeveloped, open-enrollment charter school
East	R-7.5(A)	Single Family
South	R-7.5(A)	Single-Family
West	R-7.5(A) with SUP No. 657	Cemetery

Land Use Compatibility:

The area of request is currently developed with a single-family structure much like the areas to the east of the site. The areas to the north and west are developed with some single family and an open-enrollment charter school. The area to the south is developed with single family. The applicant’s proposed request will be beneficial to the existing single-family neighborhood because it will provide much needed diverse housing to the area.
