

## 2024 City of Dallas Charter Review Commission

### Proposed Amendment #115

<b>Submitted by:</b> Angela Hunt	<b>Location:</b> Chapter XVIII, Sec. 11	<b>Category:</b> Policy
<b>CHAPTER XVIII, SEC. 11. INITIATIVE AND REFERENDUM OF ORDINANCES.</b> Reduce the number of signatures required on a petition in support of holding a referendum from 10% of all registered voters in the city to 5%.		
<b>Rationale:</b> The current standard is excessive and impairs the ability of the public to seek a referendum. The proposed change to 5% sets a high, but achievable, threshold.
