

EXHIBIT B
(Self-Insured)
ADDITIONAL LICENSE PROVISIONS

That this license is granted subject to the following additional conditions, terms and reservations:

- (a) That at such time as this license is terminated or canceled for any reason whatsoever, **GRANTEE**, upon orders issued by the City acting through the Director of Facilities and Real Estate Management, or designee, shall remove all installations, improvements and appurtenances owned by it situated in, under or attached to the licensed area, and shall restore the premises to its former condition in accordance with the requirements of the Director of Facilities and Real Estate Management at the sole cost of **GRANTEE**. In the event, upon termination of this license, **GRANTEE** shall fail to remove its installations, improvements and appurtenances and to restore the licensed area in compliance with orders issued by City, or such work is not done to the satisfaction of the Director of Facilities and Real Estate Management, then in either event the City shall have the right to do all work necessary to restore said area to its former condition or cause such work to be done, and to assess the cost of all such work against **GRANTEE**; in neither event shall the City of Dallas be liable to **GRANTEE** on account thereof.
- (b) It is further understood that if and when the City of Dallas, in the exercise of its discretion, shall determine that the grade of any street, sidewalk or parkway should be modified or changed, or that any other work should be done in connection with any public improvement which will affect the licensed area, and/or any of **GRANTEE's** installations and improvements thereon, any modifications or changes to **GRANTEE's** facilities in the licensed area or in construction or reconstruction of any public improvement attributable to **GRANTEE's** use of the licensed area and/or its installations and improvements thereon, shall be made at the sole expense of **GRANTEE** and to the satisfaction of the Director of Facilities and Real Estate Management.
- (c) Notwithstanding anything to the contrary herein or in Exhibit B attached hereto, the **GRANTEE**, an agency of the State of Texas, does not purchase general liability or employer's liability insurance for its general operations. However, the Texas Tort Claims Act (the "Act"), Chapter 101 of the Texas Civil Practice and Remedies Code, does provide a limited waiver of the sovereign immunity that protects governmental units in Texas such as the institutions of the **GRANTEE**. Thus, the Act may provide a remedy for claimants who make tort claims that fall under its provisions. Similarly, Workers' Compensation Insurance coverage for employees of the **GRANTEE** is provided by the **GRANTEE** as mandated by the provisions of *Texas Labor Code*, Chapter 503. Notwithstanding anything to the contrary herein or in Exhibit B attached hereto, **GRANTEE** shall have no obligation under this license to obtain policies of insurance. **GRANTEE** shall have the right, at **GRANTEE's** option, to determine whether **GRANTEE** will maintain policies of insurance, operate programs of self-insurance, or utilize any other program of risk-protection in connection with the **GRANTEE's** operations. Any obligation by **GRANTEE** under this license to obtain insurance is expressly made subject to **GRANTEE's** authority under state law to obtain such insurance.

**EXHIBIT B

- (d) **GRANTEE** is prohibited from using the licensed area in any manner which violates Federal, State or local laws, regulations, rules and orders, regardless of when they become or became effective, including without limitation, those related to health, safety, noise, environmental protection, waste disposal and water and air quality, and shall provide satisfactory evidence of compliance upon the request of the City of Dallas. Should any discharge, leakage, spillage, emission or pollution of any type occur upon or from the licensed area due to **GRANTEE's** use and occupancy thereof, **GRANTEE**, at its expense, shall be obligated to clean up the licensed area to the satisfaction of the City of Dallas and any governmental body having jurisdiction thereover. The City of Dallas may, at its option, clean the licensed area. If the City of Dallas elects to do so, **GRANTEE** shall promptly pay to the City of Dallas the reasonable cost of such cleanup upon receipt of bills therefore. **GRANTEE** agrees that the indemnity provisions contained in paragraph (g) herein shall be fully applicable to the requirements of this paragraph, in event of **GRANTEE's** breach of this paragraph, or as a result of any such discharge, leakage, spillage, emission or pollution arising out of the **GRANTEE's** use of the licensed area.
- (e) This license is subject to all State laws, the provisions of the Charter of the City of Dallas as it now exists, or may hereafter be adopted or amended, and the ordinances of the City of Dallas now in effect or those which may hereafter be passed or adopted. The City of Dallas shall have the right to increase or decrease the compensation to be charged for the use contemplated by this grant in accordance with the provisions of the Dallas City Code as it now exists, or as may hereafter be adopted or amended.
- (f) The Governing Body of the City of Dallas reserves the right, at any time without notice, to terminate and cancel this license, by resolution, upon a finding by the Governing Body that this license is inconsistent with the public use of the property or whenever the purpose or use of the license is likely to become a nuisance and all rights granted hereunder shall thereupon be considered fully terminated and canceled and the City of Dallas shall not be held liable by reason thereof. The decision of the Governing Body of the City in this matter shall be final and binding upon all parties insofar as the City's determination as to whether the **GRANTEE's** use of this license constitutes a nuisance or is inconsistent with the public use of the property.
- (g) As a condition hereof, to the extent authorized by the Constitution and laws of the State of Texas, **GRANTEE** agrees and is bound to the extent allowed by law to defend, indemnify and hold the City of Dallas, its officers, agents and employees, harmless against any and all claims, lawsuits, judgments, costs and expenses for bodily injury (including death), property damage or other harm for which recovery of damages is sought, suffered by any person or persons, that may arise out of or be occasioned by the use, occupancy and maintenance of the licensed area or **GRANTEE's** installations and improvements within the licensed area, from any act or omission of any

This obligation to indemnify and defend, to the extent authorized by the Constitution and laws of the State of Texas, shall also include any claim for damage that any utility or communication company, whether publicly or privately owned, may sustain or receive by reason of **GRANTEE's** use of the licensed area or **GRANTEE's** improvements and equipment located thereon. In addition to the foregoing, to the extent authorized by the Constitution and laws of the State of Texas, **GRANTEE** covenants and agrees never to make a claim of any kind or character whatsoever against the City of Dallas for damage of any kind that it may suffer by reason of the installation, construction, reconstruction, operation or maintenance of any public improvement, utility or communication facility on the licensed area, whether presently in place or which may in the future be constructed or installed, including but not limited to, any water or wastewater mains or storm sewer facilities, regardless of whether such damage is due to flooding, infiltration, backflow or seepage caused from the failure of any installation, natural causes, City's negligence, or from any other cause whatsoever.

- (h) This license is subject to any existing utilities or communication facilities, including drainage, presently located within the licensed area, owned and/or operated by the City of Dallas or any utility or communications company, public or private, and to any vested rights presently owned by an utility or communications company, public or private, for the use of the licensed area for facilities presently located within the boundaries of said licensed area. It is the intent of the foregoing that this permission herein is made expressly subject to the utilization of the licensed area for communication and utility purposes, both public and private, including drainage, over, under, through, across and along the licensed area. No buildings shall be constructed or placed upon, over or across the licensed area in such a manner as to interfere with the operation of any utilities and communication facilities.
