Proposed Amendment #56

Submitted by: Jamie Guthrie	Location: Chapter VII, Section 2	Category: Operational
CH VII, SEC. 2. ASSISTANTS AND EMPLOYEES. Remove or amend “and all assistant city attorneys” from the line “The city attorney and all assistant city attorneys shall devote their entire time to the service of the city.”		
Rationale: The purpose would be to allow assistant city attorneys the ability to practice law outside of the time that they devote to city affairs.
