

Memorandum

CITY OF DALLAS

DATE June 27, 2022

Honorable Members of the City Council Housing and Homelessness Committee: Casey
TO Thomas II (Chair), Jesse Moreno (Vice Chair), Carolyn King Arnold, Paula Blackmon,
Cara Mendelsohn, Paul Ridley, Jaynie Schultz

SUBJECT **Department of Housing Performance Measure Update**

The Department of Housing & Neighborhood Revitalization (Housing) reports project pipelines and accomplishments to the Housing and Homelessness Solutions Committee on a monthly basis. This memo summarizes accomplishments for development, repair programs, the Dallas Homebuyer Assistance Program (DHAP), and housing building permits that occurred in May 2022. The updated attachments are included, and more details are below:

Development

The development project pipeline includes more detailed information about developments that have been approved by City Council or other approving entities and are in the predevelopment phase, are under construction, or have been completed this fiscal year. Details include property information, location information, funding information, and other details regarding the projects' statuses.

Following are the major changes in May 2022, also summarized in Exhibit 3:

- City Council approved funding for 300 multi-family units at the Terrace at Southern Oaks through the **Notice of Funding Availability (NOFA)**. This development was previously approved for investment from the Dallas Housing Finance Corporation (DHFC). This is the first project supported by the DHFC that did not incorporate Low Income Housing Tax Credits (LIHTC). The Terrace includes 1-4-bedroom units in Council District 4. Fifty-one percent, or 153 units, are reserved for families at 80% Area Median Income (AMI) or below and the remaining 147 units, or 49%, are market rate.
- The **Land Bank** ran out of inventory in early 2020 and was unable to acquire additional properties due to the moratorium on foreclosures during COVID. Since the courts reopened foreclosure proceedings, properties have been working through the process and 105 vacant lots have been acquired. Most of the lots are moving through the redemption period in anticipation of development in FY 2022-2023. Thirty-seven of these lots are already for sale on the Land Bank Program website and more lots will be for sale within the next few months. A majority of the

fifteen completed Land Bank homes in FY 2021-2022 are in Council District 7 (73%), and the remaining are in Council District 4.

- One **Land Bank** home and one **Land Transfer** home received building permits in May 2022, and three **Land Bank** homes completed construction.
- **The Mixed Income Housing Development Bonus (MIHDB) Program** has been amended to allow for a fee in lieu of on-site construction of reserved units, to expand the bonuses available to developers, and to reduce the parking requirement for participating developments in most cases. Housing will be developing policies and procedures for distributing the funds received and will present these recommendations to City Council later this year. In May 2022, City Council approved zoning for the Trammell Crow Knox Street mixed use project, the first new zoning case likely to use the in-lieu fee.

The more detailed pipeline data is attached and the geographic distribution of housing units in the complete pipeline is shown in Exhibit 1. All Council Districts have residential units supported by the Housing programs.

Repair

Housing staff manages a handful of repair programs suited to different needs and different funding sources. In general, the home repair programs continue to move forward with a significant number of home repairs in the pipeline (see attachment).

DATE June 27, 2022
SUBJECT **Department of Housing Performance Measure Update**

The **Home Improvement and Preservation Program (HIPP)** started construction on three new houses and completed four houses. There are currently 39 units under construction under this program and 41 units in predevelopment processes.

The **West Dallas Targeted Repair Program (TRP)** continues to receive new applications. In May 2022, Housing qualified three households and seven agreements were signed. There are currently 21 units under construction for this program and 42 units in predevelopment processes.

The **Dallas Tomorrow Fund (DTF)** has been a popular program despite its limited funding and applications. Housing logged three new households approved in May 2022, one agreement signed, and five completed home repairs. There are currently 9 units under construction for this program and 27 units in predevelopment processes.

The **Healthy Homes Lead Reduction (HHLR) Program** scheduled bid walks for all qualified applicants and one new application was processed.

The new dedicated City staff launched the **American Rescue Plan Act Neighborhood Revitalization Program (ARPA NRP)** which is now accepting applications for home repairs in the Joppa, Historic Tenth Street, and Five Mile neighborhoods. The program has received seven applications as of the end of May 2022. Housing will be working with the selected marketing consultant for ongoing community outreach and awareness about this program.

DHAP

The **Dallas Homebuyer Assistance Program (DHAP)** experienced an increase in applicants and pre-qualifications with eight new homebuyers prequalifying in May 2022. This increase can be attributed to two reasons: first, partner single-family NOFA developers are starting to complete homes and search for buyers, and second, seasonal homebuying trends have an impact on Housing's program applicants. A majority (nine out of 12) of closed DHAP homes are in Council District 8 (see Exhibit 2).

Housing Building Permits

In May 2022, Dallas issued new construction permits on 508 new housing units for a total of 6,346 new units in FY 2021-2022. This fiscal year to date, 1,594 units supported by Housing have received a permit, meaning that more than 25% of housing units permitted in Dallas so far this year have received support from the City.
